$123 Deficit On Local Hydro System

The thirteenth power bill of the Ontario Hydro Commission was received last week by Mr. C. N. Richardson, secretary of the local Commission, and for the first time in several years it shows a deficit the amount being $123.93. This thirteenth bill is the final statement of the profit and loss of the local Commission for the year ending October 31, 1931.

The various items included in the cost of operations include cost of power $232.23, an increase of $40.23 over 1930; operation maintenance and administrative $1500.56, an increase of $161.60; interest $1213.85, an increase of $100.84; renewals $352.72 an increase of $94.33; absolescence and contingincies $100.28, an increase of $15.20; sinking fund $287.63, increase of $52.53; cost in excess of power sold $73.75, also an increase. The total increase in expenses was $538.48. This year the Commission received $229.43 more for Commercial and domestic lighting than during the year 1930, with the minimum bill dropped to $1.11 per month. We are also paying for power consumed $43 per horse power, also a reduction from former years. The local Commission is in splendid shape and it is not the intention to raise the rates to offset the deficit year.

Generous Contribntion

The hockey club wish to thank the Flesherton Old Boy, a reader of the Advance, who resides in Toronto, for the most generous contribution of $10, given to the club to assist in reducing the deficit on the years operations. He says that some of the best fun he ever had was playing shinny on Flesher's pond before hockey was invented The boys, played goos hockey this year especially the juniors and we can assure "Old Boy" that he can feel proud of assisting in this way, because they "played the game" in every sense. We can also assure him that the club appreciates the donation and assistance he has given in promoting sports in Flesherton.

EDITORS NOT TO BLAME

The editors of local newspapers are often blamed for partiality in their notices for churches, societies and even families, when the fact is the parties most interested are the ones to blame. The local newspaper does not possess a sufficient number of reporters to send to every church service in the range of its circulation, and it must needs depend upon some person to send in the news. Many pastors or leaders of the congregation do this and their items are gladly printed. Many societies appoint one of the members to attend to this important work.

REGISTER YOUR ACERAGE

Commenting on the system of acerage registration, Charles E. Broughton, of the Ontario Marketing Board, said. "As a grower myself, I believe that the advantages offered by acerage registration are infinite. In my estimation this system, if taken up enthusiastically by the individual grower, would be the means of eliminating two of the greatest menaces to successful agriculture, namely, over-production and under-production.

"Only the other day," continued Mr. Broughton, "it was reported to me that the Ontario Fruit and Vegetable Growers' Market Council, at Hamilton, have inquiries on hand for 75 carloads of Ontario carrots which that organization cannot fil. This condition is doubly lamentable because of the fact I am quite certain these inquiries could be filled if the grower would advise the Markets Council as to what he has for sale, and that such situations can be avoided if the grower will co-operate with the Council by registering his acerage."

CARE OF BABY CHICKS

Proper care and management is essential to the successful raising of baby chicks. They should have a generous supply of pure water always available. Drinking vessels harbor germs and often the water will become contaminated and may spread disease through the entire flock. Then there is the danger of some infected chicks in every hatch, danger of diarrhoea in some form or other, loose bowel and intestinal trouble. Don't permit a few chicks to infect your entire flock.

The Warden of Wellington had his special allowance cut from $400 to $350. In Grey, the Warden's allowance was cut from $200 to $150; in Bruce from $140 to $119, while in Huron the Warden's allowance remains $100.

Successful Euchre

Mrs. Ray Woods and Mr. Harold Best were declared the winners of the progressive euchre at the hockey club benefit on Monday evening at the town hall. The winners of the lucky drawing were as follows: 1st prize Ross Smith, 2nd prize Mrs. Mary Irwin, 3rd prize Earl Alexander.

A large crowd was in attendance at the euchre and dance, the largest to attend an event of this kind and a most enjoyable time was spent. The Blackburn orchestra of Saugeen Jct., Piper orchestra, Ceylon, Mr. Irwin and Willis Coburn supplied the music for the square and round dancing, while George Johnson, Clarence Alexander, Wm. Blackburn and Jack McMillan cracked the whip for the square dances.

Died In Texas

Mrs. Wm. Wyatt of town received word this week of the death of her brother, J. E. Allan, jeweler at Corpus Christi, Texas, who passed away on March 2nd. Mr. Allan was born and brought up in Artemesia, and left here for the States over forty years ago. He had lived at Corpus Christi for twenty years. He was also a brother of Mr. Richard Allan of Flesherton, and of the late Wm. Allan, who died in Toronto, twelve years ago. The deceased gentleman leaves a wife and one son.

4TH MOUNTED RIFLES REUNION SATURDAY

A re-union of the 4th Canadian Mounted Rifles will be held in Toronto on Saturday night, April 2, at 7 o'clock p. m., according to word received by Major N. E. McDonald here Tuesday. The re-union was not held last year but the one this year is expected to be the best ever held. Any local men who wish to attend are requested to get in touch with Major McDonald who has been supplied with tickets for the occasion. They should do this by Thursday night or early Friday morning. The re-union is being conducted by the 4th C. M. R.'s Association. Reunion in Prince George hotel. Tickets $2.00 each.

Big Dance On Thursday

The Eastern Star will hold a Euchre and Dance in the town hall on Thursday night, March 31st. A good Orchestra will be in attendance and a good time is in store for everyone. Lunch served. Admission 25c.

NOTICE

It has been brought to our attention that false rumors have been circulated regarding the King Paving Company Limited of Oakville, Ont.

This rumor originated by the fact that the King Construction Co. Ltd. of Toronto (who are builders of green houses) have gone into liquidation.

The King Paving Co. Ltd. of Oakville has no connection and never did have any connection with the King Construction Co. Ltd. of Toronto.

—KING PAVING COMPANY LIMITED,

W. W. KING, President.

Chilliwack Progress: The fighting in the Orient seems to have a beneficial effect on British Columbia potato shipments. Within a comparatively short time lately 700 tons were shipped from Vancouver to China, and the demand for supplies still continues.

John Bellamy Dies; Funeral Thursday

Flesherton's oldest resident, Mr. John Bellamy, died at his home here on Tuesday morning after a serious illness extending over a period of several weeks. His condition was very grave for the past several days and he gradually grew weaker until death came Tuesday morning. The funeral will take place on Thursday afternoon, service at the house at 2 p. m., with interment taking place in Flesherton cemetery.

EASTER SERVICES

Special Good Friday services were conducted at Trinity church, Proton, at 10:30 a.m. and St. Mary's church, Maxwell at 3 p.m. by the Rector, Rev. M. P. Oldham at Maxwell, the Rev. Shannon, Presbyterian minister, of Feversham assisted in the service and delivered a splendid sermon on Isaiah 53:12. The Easter Sunday morning service in St. Mary's church, Maxwell, was well attended. The sacrament of the Lord's Supper was observed and the rector delivered an Easter sermon on St. Luke 24:6. The Easter service for Trinity church, Proton, will be held on April 3rd at 3 p.m.

Additional Locals

Old Winter still had a kick left.

One kidnapped baby "makes the whole world kin."

Mr. and Mrs. Geo. Mitchell and family returned on Tuesday after spending the past few months in Florida.

Jim Low of Owen Sound had his cafe and household furniture moved to the village on Monday and will open for business this Saturday, April 2nd, the advertisement of which appears in this issue.

We had a pleasant call on Wednesday from Mr. Mait Wilson, editor of the Wilkie, Sask., Press, and Mr. Geo. Wilson of Unity, Sask., who are visiting their brother, Mr. J. R. Wilson, in town. Mr. Geo. Wilson was employed a few years ago by Mr. W. A. Armstrong and is at present owner of a jewellery store in Unity. They have been at their old home in Dundalk visiting their mother, who suffered a fractured hip a short time ago.
