Mrs. E. C. Murray Is Pres. County W.M.S.

Mrs. E. C. Murray of Flesherton was elected President of the Grey Presbyterial of the United Church Woman's Missionary Society at the annual meeting held in Annesley Church, Markdale, on Wednesday of last week.

Reports from the various committees were given and showed encouraging progress in the work of the W. M.S. throughout the Presbyterial, although the treasurer's report showed the receipts as $11,941.35, and were $1,383.65 short of the amount set for the Presbyterial.

Mrs. W. D. Staples, the retiring President, thanked the ladies for their support during the five years she had acted as head of the W.M.S. and wished te Society a continuance of the good work in the past.

Other speakers were: Miss Florence Fee of Holland Centre, a missionary who spent a number of years in China, and Miss Louisa Mayowna of Czecho-Slovakia, who is attending the United Church training school in Toronto.

Speaking in a quaint, though warm and colorful English, Miss Mayowna described how she had come to Canada. She was invited to come out two years ago by the United Church W.M.S., following her services as interpreter to Rev. Ridout during his travels in Russia, Poland, the Ukraine and other countries in central Europe. Miss Mayowna speaks many languages and very humorous was her description of her initial learning of the English language from books and dictionaries. She was invited to come to Canada for special work to serve the new Canadians at the doors of Canada, namely the ports of entry. She started her duties at St. John, N. B., later being stationed at Quebec until the immigration was closed owing to Canada, under present conditions, being unable to assimilate more people. Very vividly she described the lonely foreigner, who arrives in a strange country, where even the tongue is unfamiliar to him. It is so easy to get into trouble, said Miss Mayowna, when you do not understand.

At the evening service Rev. Dr John Coburn of Toronto, social service worker, was the chief speaker, and gave an interesting account of the redemptive work for girls and woman carried on in the four women's homes throughout Canada.

The following are the new officers: Pres., Mrs. E. C. Murray, Flesherton; Past Pres., Mrs. W. D. Staples, Hanover; 1st Vice-Pres., Mrs. W. J. Scott of Flesherton; 2nd Vice-Pres., Mrs S. E. Amos, Thornbury; 3rd Vice-Pres., Mrs. W. J. Dowkes, Owen Sound; 4th Vice-Pres., Mrs. R. R. Douglas, Owen Sound; 5th Vice-Pres. Mrs. E. Baker, Dundalk; 6th Vice-Pres., Mrs. A. Morrison, Meaford; Recording Sec., Mrs. R. Dezell, Owen Sound; Corr. Sec., Miss I. Nicol, Owen Sound; Treas., Mrs. W. R. Alder, Durham; work for young women, Mrs. J R. Treating Seed Potatoes

Naturally, the aim of the potato grower is to produce the biggest and best crop at the lowest possible cost. This is dependent upon a number of factors, such as good soil, quality of seed, spraying and cultivation. While the importance of these features is unquestioned, very often the prospect of a good crop is ruined through neglect to practise seed treatment which is aimed to reduce the enormous losses and inconvenience caused by scab black leg and rhizoctonia, all of which occur in every province of Canada. The commonest method used to treat seed potatoes is formalin treatment. A solution of one pound of formalin to 4 gallons of water is made up and placed in a barrel. The seed potatoes uncut, are placed in a sack and suspended in the liquid for two hours when the bag is pulled up and the solution allowed to drain back into the barrel. Then the seed may be cut and planted.

BORN

WAUCHOPE — In Flesherton on Thursday, May 12, 1932, to Mr. and Mrs. Gordon Wauchope (nee Allie Norris) a daughter—Audrey Noreen

Bugs, in most cases, have no commercial value, but in Kitchener you could get $2 each if you find 'em in the right spot. Incensed by an alleged whispering campaign against the Red Cross Hostel there to the effect that it had bedbugs, L. Boyle, superintendent, has offered $2 to the first person who finds a bug and proves his case.

Mr. Ken Boyd as returned home, after finishing his year's work at the Toronto University.

THE YEARS ARE LONG

Oh, the years are long for Motherhood
With their tedium of toil,
And the clamoring tongues and the clasping hands
And the constant grime and toil.

And the years are long for Motherhood
With the growing girl and boy,
With the clothes that wear and the socks that tear
And the tasks her time employ.

Yes, the years are long for Motherhood
When the school-day time has come
And her charges "burn" as they strive to learn
The elusive, baffling sum.

But the children long for Mother gone,
When the long, long years have sped
For the love she gave and her spirit brave,
And the faithful life she led.

Congoleum Rug Winners

A competition was held in town last week by the Congoleum Rug manufacturers and Mr. Andrew Gilchrist and Miss Donalda McDonald were the lucky winners of a large congoleum rug each. A certain number was placed in an envelope sealed and tied to the rug on display in the show windows of the Hickling and Bennett stores, and was somewhere between one and five thousand. Miss McDonald won a rug offered by F. H. W. Hickling with a guess of 3483, with the correct number being 3514, and Mr. Gilchrist won the Bennett rug with a guess of 3483, with the correct number being 3514. There were over 700 guesses made on the two rugs and the winners are to be congratulated on their luck.

Small Town Sports

The problem of the continuing of sport in the small town is indeed a problem and one that can take considerable thought, both by the players and the promoters of sports. The clubs cannot be run without considerable outlay for equipment and other expenses and it is up to the players themselves, to assist in keeping down the expenses to a minimum if sports are to continue here, in particular. During the past winter the management of the hockey team placed a fine outfit on the ice and they did good work, an asset to the life of the town The games were not patronized as they should have been, from various causes, and the expenses overshadowed the receipts in every game. Since then euchres and dances and a splendid contribution from an old boy has reduced the indebtedness considerably but there is a small balance yet to be paid. The club has bought uniforms for the players and these are supposed to be handed in at the end of each season, but so far this year it has not been done. If the players do not co-operate in a proper manner we shouldn't be a bit surprised if there would be very little hockey here next winter, as the committee is becoming tired of holding the empty bag at the close of the season. We would like to see box lacrosse started to be played here, as there are enough boys to make an excellent junior team if the boys would practice effectively and hard There is no money made by the members of the managing committee of any sport and the players should realide this and do their part to keep their town on the sport map.

Principal Re-engaged

Mr. Stewart Thibaudeau, principal of the Flesherton High School has been re-engaged for another year. He proposed to the Board that he take a cut in wages this year to the extent of $200 and the Board was pleased to have Principal Thibaudeau act in this manner. At the present time none of the lady teachers have been re-engaged for next year, and Secretary W. J. Bellamy reports that none of them have resigned their positions at present.

Baptist Services

Anniversary services were held in the Baptist church on Sunday and there was a large attendance at both services. It was a very beautiful day and the church was decorated with flowers for the occasion.

Rev. John Galloway of Mulock spoke from Romans 1: 15, "As much as in me is," preaching a very helpful and practical sermon. The choir sang "Ivory Palaces," and Miss Ruth Wolstencroft sendered "Leaving all to Jesus," and was accompanied by Jean Wolstencroft with the violin.

In the evening a large congregation was present, the United Church having withdrawn their service. Rev. Scott, pastor of the church, and Rev. M. M. Bennett assisting in the service. Miss Jean Wolstencroft gave another beautiful solo "Jesus Lover of My Soul," and the choir rendered the anthem "Daughters of Zion." Rev. Galloway preached a very thoughtful sermon, taking as his text Rev. 3: 20. Rev. Scott pronounced the Benediction, bringing to a close the services of the day, which were greatly enjoyed by the congregations

Woollen Mill Operating

The Flesherton Woollen Mill is again operating under a full staff, after being shut down for several weeks making necessary repairs to machinery. During the winter Mr. John Nuhn Jr. installed two new machines, one a fulling mill, to shrink blankets, replacing an old machine and the other a loom to manufacture reversible blankets of various colors and designs. Mr. A. W. Colgan, an employee, is at Strathroy at present, taking a course in the operating of this class of loom. Mr. Nuhn will pay special attention to this line of manufacturing of pure wool products. Mr. Howard Oram of Toronto has been engaged as a salesman and will introduce the many lines of wool products to the retail trade and have charge of the office work. The Flesherton Woollen Mill is our chief industry and and it is to be hoped that Mr. Nuhn secures his share of the pure wool products trade.

The plight of the farmer in these hard times is illustrated very well by a deal entered into the other day whereby a 200-acre farm near Lindsay was rented for a year for $1 and taxes Some of the land is under cultivation, too.

NOXIOUS WEEDS

Mr. J. A. Carroll, director of Crops and Markets Branch, has compiled an interesting summary of provisions of the Weed Control Act, including a list of the weeds which are deemed noxious: Bladder Campion, Ox-eye Daisy, Sow Thistle, White Cockle, Wild Oats Canada Thistle, Blue Weed. Chicory, Docks, Ragweed, Ribgrass, Stinkweed Tumbling Mustard, Wild Carrot, Wild Lettuce, Burdock.

The fire hose is more effective than machine guns in dispersing mobs and it causes no slaughter.

Communists are finding out that Canada is not a healthy place to live when they seek to destroy Canadian institutions.
