MENTION HONORABLE GENERAL EXCELLENCY.

Alkabasar

ARRIVED AT LAST.

THIS elegant Turkish Tonic is one of the most salutary and delicate preparations ever submitted for public approval in this hemisphere, and asserts its pretensions to patronage on the following grounds:

That it is a preparation of one of the most eminent Purveyors to the Ottoman Court.

It prevents acidity of the stomach.

It relieves lowness of spirits.

It is a mild and invigorating tonic, and a most efficient but innocuous stimulant.

It renders the breath sweet and agreeable.

It stimulates the appetite if taken before meals.

It promotes digestion if taken after meals.

It neutralizes the propensity for strong liquors.

It renders the intellect bright and clear.

If taken habitually it imparts vitality and energy to all the bodily organs.

By its use a man of 70 will become, as it were, restored to the elasticity of 30; and to persons of delicate constitutions it is strongly recommended.

It is an especial favourite with Oriental ladies.

Secure, then, health, longevity and vital energy by the habitual use of the

ALKABASAR TURKISH TONIC.

Kept in stock by the principal Druggists and Grocers in the Dominion.

For directions for use see labels on bottles.

Who is Mrs Winslow?

As this question is frequently asked, we will simply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents as a Female Physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge obtained in a lifetime spent as nurse and physician, she has compounded a Soothing Syrup for children teething. It operates like magic, giving rest and health, and is, moreover, sure to regulate the bowels. In consequence of this article, Mrs Winslow is becoming world-renowned as a benefactor of her race; children do rise up and bless her; especially is this the case in this city. Vast quantities of the Soothing Syrup are daily sold and used here. We think Mrs Winslow has immortalized her name by this invaluable article; and we sincerely believe thousands of children have been saved from an early grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed. No mother has flinched her duty to her suffering little ones, in opinion, until she has given it the benefit of Mrs Winslow's Soothing Syrup. Try it, mothers, try it now.—*Ladies' Visitor*, New York city.

Sold by all druggists. 25 cents a bottle.

MRS WINSLOW'S SOOTHING SYRUP,
