Dufferin Aggregates Juveniles survive do-or-die game versus Ennismore

TEAMS MEET AGAIN IN GAME FOUR ON FEBRUARY 7

Orono's Dufferin Aggregates Juvenile hockey team finally started their playoff drive Thursday night at home after a twenty-six day lay-off while awaiting their first opponent. The Ennismore team proved to be all the Aggies could handle as the rust was quite evident at the start of the game. The Ennismore Eagles jumped out to a 4-1 lead less than one minute into the second period.

Orono's lone goal came off the stick of J.P. Pisani after he took a cross ice feed from Scott Wood. Orono came to life in the second but could only manage a power play goal off the face-off by Chris Field in the third and suffered the 4-2 loss in the first game of the six point series.

Saturday night in Ennismore the Leafs faced a packed house and put in a stellar effort trying

to avenge the opening game loss. It was to no avail as Ennismore once again scored first and added a second goal early in the third period to put Orono on the ropes. The Leafs answered right back as Derek Heerschop tipped in a Lee Allin point shot, but Orono could not manage any more as the Ennismore goaltender came up with an outstanding performance to steal it for the

Eagles.

Sunday in Orono the Leafs faced a do or die situation; one more loss would put an early end to a very promising season. The Leafs came out hard and fast and even though they held a strong territorial edge in play it was not until the second period that Ricky Howe retrieved the puck behind the net and darted out to fire a high backhand over the shoulder of the Ennismore netminder. Late in the second period Orono scored an insurance marker on the power play when Curtis Robinson picked up a John Stafford rebound off the boards and deposited it into the wide open net. The Eagles didn't let up and got one back late in the third on a bad change by Orono but a strong goaltending effort by Midget call-up Kyle Johnson secured the win for Orono in a highly entertaining and fast-paced game.

The Leafs head back to Ennismore Saturday, February 7 for game four and return to Orono Sunday at 4:30 for game five if it is needed.

were: Kyle Johnston assisted by Justin Westerink, Scott Henderson assisted by Justin W., Cam Richardson unassisted and Adam Wood assisted by Kyle J. Alex Hart was in net for the first two games and was pounded by pucks both times. Kyle Johnston took over net duties for the third game. Both goalies were amazing.

The third game was played at 6 pm against Port Hope. Port Hope took a 2-1 victory. Port Hope managed one in the first period and one in the second. Orono's Adam Wood picking up the only point for his team in the second period, assisted by Justin Westerink. Both teams worked hard in the third period but were unsuccessful in finding the back of the net. Matt Wong-Fong, Mike Fuller, Dan Reilly and Mike Howe worked hard on defence to hold off the opposing players.

Orono lost its regular league game against town rivals Newcastle, 4-1. Both teams were pumped, but Orono was short on the bench with only seven skaters and Alex Hart in net. Adam Wood broke out and scored the lone point for Orono. -by B.H.

The first two goals went to Dan Reilly assisted by Cam Richardson and Scott

Henderson. The third point was slipped in by Cam Delorme assisted by Scott Henderson. The last goal was Cam Richardson's with a play by the defencemen. Dan Reilly passed over to Mike Howe who slammed the puck to Cam for the point.
