The Hatherton football team played a friendly game with the local team on Wednesday night last, but neither team was able to score. The game was played on the high school field and the grass was two feet high, making the game rather of a burlesque nature. We don't believe either team had a shot on the goal.

C.F.A. Band Coming For Aug. 1st Picnic

Preparations are being made for a big time for all who will attend the big picnic in Flesherton on Civic Holiday, August 1, when all Flesherton old boys and girls are invited back to meet old friends and make new. Last year a big crowd attended, but it is expected that there will be as many more in attendance this year. The Toronto committee is bringing with them the Canadian Field Artillery Band, that collection of artists who entered the frolics of the Old Home Week in 1929 with such enthusiasm that a name was made for themselves in this section of the country. The band is under the leadership of Mr Jack Wilson and his orchestra will also assist with music for the dancing on the square at night. Further particulars will be given as the arrangements proceed.

The Flesherton Old Boys' and Girls' Association will hold a committee meeting at the residence of Mr. and Mrs. R. Maddocks, 124 Avenue Road, Toronto, on Monday, July 4th, at 8 p.m., for the purpose of completing arrangements for the annual picnic. It is urged that the following committee will all be present at the meeting: C. E. McTavish, Pres.; W. N Hemphill, 1st Vice-pres.; Alex. M Gibson, 2nd vice-pres.; W. B. Petch 3rd vice-pres.; Dr. F. Murray, Treas.; B. E. Field, Sec. and Mrs. Field; R J. Blackburn, J. A. LeGard, A. C LeGard, Mr. and Mrs. J. Latimer, Mrs. A. Howden, Mr. and Mrs. R Maddocks, Mrs. A. White, Armour Carson, W. H. Fenwick, Mrs. W. P Leader, Mrs. W. Bentham, Mrs. Leonard Brown, J. F. Van Dusen, Mrs Jas. E. Field, Geo. Phillips and R Spence.

We are also asked to state that any of the Flesherton committee, who can attend, will be welcome, as there are a number of points to be settled, which otherwise might conflict.

RACES AT BIG PICNIC

Special races are being held for men, ladies and children at the big U.F.O. picnic being held at Lever's Grove, Flesherton, this Friday afternoon. The various Co-operative stores in South Grey are providing the prizes for the various events, which will commence at the sports field at 5 p.m., as follows:

Ladies' Races: 25 to 40 years of age; Men's Races: up to 49 and from 50 to 60 years of age; Children's Races: up to 20 years of age. Five different events will be held for both boys and girls. Details of events will be given when the races are to commence.

Two New Teachers On Public School Staff

After repeated attempts by the Thornbury School Board, Mr. I. L. M. Merriam at last decided to accept their offer and on Thursday last, handed in his resignation to the local Board. Mr. Merriam has been principal of the public school for the past two years and has been very popular with the scholars, at the same time being successful as a teacher. This year he has sixteen pupils writing the Entrance examinations, which took place on Monday, Tuesday and Wednesday of this week. Besides his school work Mr. Merriam conducted the Trail Ranger Group in connection with the United church. We regret exceedingly to lose Mr. and Mrs. Merriam from town, but we know that Mr. Merriam will make a splendid record in his higher teaching work in the Thornbury Continuation School.

The successor to Mr. Merriam was chosen at a meeting of the School Board on Friday evening, when Mr. Clarence Chapple of Meaford was selected as principal. He has been an assistant in the Meaford public school for some years and has an excellent record.

Mrs. C. J. Bellamy, teacher of the Junior room, also handed her resignation to the Board, owing to impaired health, which was accepted reluctantly. Miss Hazel Inkster, daughter of Mr. and Mrs. W. S. Inkster of town, was chosen to succeed Mrs. Bellamy.

These changes have resulted in a complete set of new teachers being hired for the two village schools, with the exception of Mr. S. Thibaudeau, principal of the high school.

BABY CONTEST

A baby contest is to be held at the U. F. O. picnic in Lever's Grove, Flesherton, on Friday, July 1st. The class will include all babies up to one year old, each baby being judged on the development at its age. Dr. J. E Milne of Flesherton and Dr. F. F. Carr-Harris of Maxwell will act as judges, assisted by two competent nurses. Prizes of $5 $3 $2 and $1 will be given to the winners. Mothers and babies should be at the judging tent not later than 2.15.

PREMIUM WILLINGLY PAID BY TORONTO CONSUMERS

There is a contention that the consumer is prepared usually, to pay a premium for a higher quality, and a more attractively packed farm product. This thought was exemplified lately on the Toronto wholesale market when the prices of 11-quart baskets of Ontario-grown asparagus ranged from $1 to $1.50. From the ready acceptance of the $1.50 baskets, it was apparent that buyers were willing to pay the higher price when receiving infinitely better quality and a more attractive pack.
