The supervision of swimming and young people's sport in Flesherton this summer has commenced and the boys and girls are anticipating an enjoyable time. It is a commendable objective to impress the young mind with clean sport and gentlemanly and ladylike habits.

Decoration day by the Owen Sound branch of the Canadian Legion took place in Owen Sound on Sunday, when flowers were placed on the resting places of 57 former comrades in the Great War. This shows the ravages of war are still being felt and the boys are continuing to pay for the defence of their land.

Motor accidents again mounted over the holiday and a large number of people were killed and injured. During the past week many drowning accidents occurred, some from swimming and others by boating. "Care, Courtesy and Common Sense" should be used by everybody at all times and fewer accidents would result.

Soon the shores of the Georgian Bay will have various cities of intense interest to tourists. At Penetang an attempt is being made to salvage the Tigress and Scorpion, two of the boats which were prominent during the war of 1812. Together with the Nancy at Wasaga Beach, these two boats will be valuable additions to the historical landmarks of Ontario.

Millions of cubic feet of natural gas has been going to waste in the Alberta oil fields every day of the year and efforts are being made to conserve the supply. However, the operators are not carrying out orders meekly, but are fighting the conservators at every step. It would appear from the action of the operators as though the oil and gas supply was unlimited, but some day, if conservation is not practiced they may find there are dry wells on their hands.

Two more newspapers have felt the stress of the times and have amalgamated. These are the Collingwood Enterprise and the Bulletin and the change takes place this week. Our good friend, Mr. David Williams, will be the editor of the new paper. The Enterprise has been in the hands of the Hogg family ever since it was commenced in 1857 by the late John Hogg. W. A. Hogg will be president of the Enterprise—Bulletin and C. L. Hogg advertising manager, while David Williams will be secretary-treasurer and editor. Our best wishes are extended to the new paper for a continuance of the good work conducted by these papers in the best interests of Collingwood.

Summer Sports In Town Under Way

Despite the threatening weather, a large crowd turned out last Friday morning to take part in the official opening of the Pond, and the activities of which it is to be the centre.

Rev. W. J. Scott, the originator and foremost promoter of this project was chairman and first speaker of the day. He explained very carefully and well, the general outline of a program for the summer. Ted Poole was then called upon to say a few words. Then in turn, Mr. McCauley, Mr. Wolstencroft, Mr. Hickling and lastly Mr. Bennett, all of whom were loudly applauded. All those in attendance seemed very much in favor of the plans for the summer and the project in general and consequently we are looking forward to a fine and worthwhile summer season.

On Monday the first definite activities were begun, first with the younger boys playing a softball game in the park. These two groups which played, England was successful. All the groups, both boys and girls, represent a country.

From seven till eight in the evening the girls teams, France and United States engaged in a similar game and France outpointed the States. Better luck next time United States.

The points will be counted up at the end of each week and the winning team will be awarded a pennant, in whose possession it will remain until another team is successful over them.

We have now completed the bath houses and they even have seats in them. Yesterday, also a wharf for the convenience of swimmers and for docking the Pond steamers was finished. There is only one more big job, namely the erection of the diving tower, four poles have been procured and it remains only to sink them, we are hoping to procure a bee for the job Thursday afternoon, before the tennis tournament. We intend filling in a part on the far side of the pond with gravel and fencing this area in, making a safe paddling area for kiddies.

We are anticipating great things and many good times ahead of us, one of which is to be the campfire for everyone, this Thursday night at 9 o'clock, come along and help us out. It will take place in the park.

P. Johnston Drowned

Peter Johnson of Worwick, a former teacher at Priceville, was drowned in the Rainy River on Friday last when a motorboat, in which he and three companions were travelling, capsized. Ray Cathcart attempted to save Johnson, who was unable to swim, but was also drowned.

ENGAGEMENT

The engagement is announced of Lavina Flora, youngest daughter of Mr. and Mrs. Otto Lonold, to Mr. Alexander Stonecouse, eldest son of Mr. and Mrs. Alex. Stonecouse of Priceville, the marriage to take place early in July.

The kidnapping racketeers started to abduct a broadcasting crooner in New York but his bleat softened their hearts.

Littlejohns, teacher, had 9 pupils try the Entrance exams, seven of whom passed, as follows: Sherman Piper, Harvey Archibald, Mable Haw, Marge Collinson, Olive Marshall, Nellie Genoe, Billy Cairns, the first two taking honors. Teacher and pupils are to be congratulated upon their success. Miss Margaret Sinclair, who teaches at the 8th line, is also receiving congratulations, four of her pupils trying and all passing.

Mr. and Mrs. Bernel Graham and family of Schomberg, Mr. and Mrs. Rabt. Rutledge and family of Holland Centre were week end visitors with Mr. and Mrs. Marshall. Miss Stella Marshall, who spent the past few weeks with her aunt, returnel home.

Our Sabbath school joined with the Flesherton United church Sabbath school in the Flesherton park on Thursday afternoon, when all had a most enjoyable time.

The June meeting of the Ladies' Aid was held at the home of Mrs Archie Fisher, and an excellent program given. Mrs. H. Piper tendered an invitation for the July meeting to be held at her home.

PALMERSTON SPECTATOR MOVING TO GUELPH

In its last week's issue the proprietor of the Palmerston Spectator announced that, since the patronage of the business men of the town and district was not going to the local plant, it would be necessary to move the equipment to Guelph, where there is a large field for job-printing. The paper, however, will continue to be published, an office for news and advertising purposes being maintained in Palmerston, while the actual printing will be done elsewhere. Such an arrangement will quite likely be found rather awkward, although it is a circumstance caused only through lack of support to the local institution by those who stood to profit greatest by keeping it in Palmerston.

LEGGE—WILSON

Miss Jewell Marie Wilson, daughter of Mr. and Mrs. C. B. Wilson and Mrs. Edward Henry Legge, son of Mrs. and the late Walter Legge, were quietly married in St. Andrew's Presbyterian church, Thorold, at 3 o'clock on Saturday afternoon, June 25. The bride wore a very smart suit of powder blue wool crepe with hat and shoes to match and carried a bouquet of deep pink roses and syringa. She was attended by her sister, Miss Pearl Wilson, who wore pink dotted organdie with hat and shoes to match and carried roses. Mr. James A. Whyte was the groomsman. The Rev. H. C. Feast officiated. The service was followed by a wedding breakfast at the home of the bride's parents on Lake St. The bride and groom attended the reception held by Mr. and Mrs. Wilson on Sunday in honor of the twenty-fifth anniversary of their wedding day and afterwards left for a honeymoon in Western and Northern Ontario.

U. F. O. Picnic

A large crowd attended the sixth annual U. F. O. picnic at Lever's Grove on Dominion Day. Threatening weather and a scarcity of cash kept many away, but the several thousand who did attend had a most enjoyable time.

The afternoon program was extensive and enjoyed by all. T. K. Slack, M.P.P. for Dufferin acted as chairman for the program given by Tom Hamilton's amusement troupe of Toronto. Miss Macphail, M. P. and F. R. Oliver, M. P. P., both gave addresses and spoke on the coming Imperial Conference and preferential trade with Britain.

In the sports Williamsford Men's softball squad won from Flesherton 17-11, while the Durham girls trimmed Dundalk in a close game 6 to 5. A soccer game between Strathavon and Holstein resulted in a 3-1 win for the latter.

A beauty contest was a new feature this year and created much interest, Miss Agnes Irwin of Flesherton taking first prize with Mrs. Royden Mcdonald of Flesherton second and Miss Almeda Hincks of Ceylon third. Another new feature was the baby show and the judges, Dr. J. E. Milne of Flesherton and Dr. Carr-Harris of Maxwell, had a difficult time awarding prizes. They were assisted by nurses McMaster and Moore. The judges awarded first place to the babies of Mrs. Rutledge and Mrs. McCartney of Holland Centre and Miss Macphail generously donated two 1st prizes. Second place went to the baby of Mrs. W. Johnson of Vandeleur and Mrs. Hawton of Feversham was the mother of the third prize baby and fourth place went to the baby of Mrs. J. Proctor of Melanethon.

The concert at night had just commenced when rain began to fall, after threatening all day and consequently the dance was not held. It was a big undertaking for the South-East Grey U.F.O. Political Association to stage such a big picnic this year and their efforts in giving fine entertainment at a lower price than other years was appreciated by the large crowd.

EXCESSIVE REDUCTIONS IN TEACHERS' SALARIES MAY PROVE BOOMERANG

Though farmers may have a great deal of justification for lowering the salaries of rural school teachers, extreme reductions may actually hit the ratepayers, as pointed out by the Mildmay Gazette: "Many rural school trustee boards in Carrick are indulging in a salary slashing campaign this summer and in some cases the wages of teachers have been cut as much as 25 to 30%. Trustee boards should take the trouble to post themselves on how these salary reductions will affect their grants, for in many instances the reductions result in a loss to the section. In one section we learn that a teacher is being pressed to accept $700, whereas the section would be just as far ahead to pay $760 The money for these grants does not come out of the taxpayers of the province but is derived, it is understood, from the sale of mining rights in crown lands in Northern Ontario."
