EDITORIAL NOTES

Next public holiday will be Thanksgiving—likely Monday, October 10.

* * *

The harvest is now about over. Let us all wish for good prices for the generous yields. Let us be thankful anyway.

* * *

Farmers, take good care of your live stock. Cattle stealers are getting their work in some parts of the province.

* * *

The Toronto Telegram concludes that this is a free country, except for income tax, sales tax, property tax, gasoline tax, succession tax, fishing licenses and liquor permits. There is also the recently imposed tax on railway tickets (if you sleep).

* * *

Fifty years ago, this month, a Wellington county man advertised that he had twenty years' experience in treating cancer, and never lost a case! The gentleman must be dead by this time, or he would have an opportunity if he told the truth, to be a millionaire many times over.

* * *

Canadian telegraph companies are trying reduction of rates to aid their funds. The public will approve. Special 'phone rates, which have for some time been in force, probably led to the change. Competition sometimes helps the public while promoting business.

* * *

Another government commission is about to report, and it is learned that it will recommend various retrenchments on the National Railway cessation of unnecessary competition between the National and C.P.R. at rival points. We trust that business will so improve that it will be possible to avoid further curtailment of employment on the lines. There will be no amalgamation of the two systems. The public would not stand for that, and the politicians dare not suggest that such a suggestion of healthy competition should be attempted.

WON SILVER MEDAL

George E. Haw, Proton township's old time fiddler, captured the silver medal at the Canadian National Exhibition with his rendering of "Speed up The Plough." As a pusher of the bow he has won medals for four consecutive years. The winner of the gold medal was D. Targwell of Arkell, York County.

Another Makes Good

Another Flesherton boy has risen to an important position in the automotive world. Mr. Wm. Wilson, son of Mrs. A. Wilson of town, is superintendent of the combined Hudson Essex motors and the Canadian Top and Body Co. Limited, of Tilbury, Ont. Will had considerable experience with the Studebaker people in Walkerville and also worked in Toronto. He has been in Tilbury for the past couple of years and has advanced rapidly with his firm there and this year was appointed superintendent of the two plants mentioned above. We are pleased to know of Will's success and wish him a continuance of the same.

Presentation

One evenng recently a shower was given an ex-Flesherton boy who had recently crossed the border of the State of Matrimony, and now resides therein, in the person of Mr. "Ted" McDonald of Pickering, son of Mrs. Malcolm McDonald of this village. The event took place at his mother's residence, while the newly married couple were visiting his parental home. A number of citizens were present. Mrs. E. C. Murray read an appreciative address and presented the following articles: bridge lamp, blanket, silver casserole, silver bread board and silver meat platter. Mr. McDonald was taken completely by surprise and found difficulty in adequately expressing his appreciation of the gifts. Ted is an ex-member of The Advance staff and is now employed by the Printers' Guild of Pickering. The Advance, along with many friends, join in wishing the young couple many years of happy married life.

CHAMPIONS OF GROUP NO. 1

Flesherton won the third and deciding game on Thursday from Dundalk and now head this group of the mixed softball league in connection with the Owen Sound Presbytery of the United church. The score was 15 to 7 in seven innings of play, with the local team having the game well in hand from the second innings when three runs were scored while Dundalk secured one, in the first frame. The remainder of the runs made by Flesherton were one each in the third and fourth, six in the fifth and four in seventh. Dundalk counted their runs with one each in the first, fourth and sixth and four in the seventh. The local team secured five home runs in their total. Flesherton's next games will be played in Markdale at some future date and they will meet the winners of three other groups of the Presbytery in the final playoff for the silver cup.

Mr. and Mrs. Harry Quigg and Mrs. Brooks of Harriston, Mr. C. J. Crossley and Mr. W. A. Bentham of Toronto visited with Mr. and Mrs. W. P. Crossley over the week end.

Two Brothers Died

ROBT. BEECROFT OF DUNTROON AND BENJAMIN BEECROFT OF VANCOUVER, B.C.

Benjamin Franklin Beecroft, aged 59 years of 52 East Twentieth Ave., Vancouver, who died Sunday, August 7th at his residence, was buried in Mountain View Cemetery. The funeral services were conducted by Rev. Andrew Grieve in G. W. Hamilton's chapel.

Mr. Beecroft was born in Ontario and went to Vancouver 25 years ago. Prior to going to the coast he had resided in Brandon, Man. He also spent several years in Kelowna, B.C., where he was well known in fraternal organizations.

He was the youngest son of the late Edward Beecroft of Flesherton and is survived by his wife, four daughters, Mrs. L. Morgan, Mrs. A. Diebel, Mrs. C. Drew and Mrs. E. Erickson and a son, Hayden. He also leaves five brothers, George of Owen Sound, James of Fort William, Thos. of Collingwood, John at the Soo and Robert of Duntroon.

Nottawasaga township lost a pioneer son on Monday evening by the passing of Robert Beecroft. His death followed ill health for the past two years and occurred on the eve of his 64th birthday. He was a son of the late Mr. and Mrs. Edward Beecroft, pioneer parents on the Green Bush Farm on which he lived all his life.

On July 5th, 1911, he married Sarah Ann McCullough, who now survives, together with three daughters, Mrs. Ring, Elizabeth and Margaret, also one son, Edward. He is also survived by four brothers, George of Owen Sound, James of Fort William, Thos. of Collingwood and John at the Soo.

The deceased was a Liberal in politics and attended the United Church of Glen Huron. He was a quiet retiring man and never took part in public affairs, but, at the same time, kept in touch with current events. He was a member of the Orange Order for many years, always a kind husband and a good neighbor. His honorable straight-forward dealing with his fellow men won for him the highest respect of his community.

The funeral service was conducted at the home on Thursday the 18th inst., by his minister, Rev. P. Tiller, assisted by Rev. Birnie, Duntroon, and a former pastor, Rev. S. McAusland. A large number of old friends and neighbors attended as a final tribute of respect. Interment was made in the Batteau Hill Cemetery Duntroon.

The pallbearers were six neighbors John Ferguson, Alf. Leach, Joe Hamilton, John Campbell, D. McNoble and Wm. Moore.

VANDELEUR

Mrs. J. H. Halley has returned home after a very enjoyable visit with friends in Toronto and Schomberg.

Miss Hazel Wyville is staying for a time with the Cutting children in Markdale.

Mr. and Mrs. H. Garner and daughter, Irene, of Toronto were week end visitors at the home of Mr. and Mrs. Samuel Gilbert. Mrs. Gilbert, who had spent a few weeks with her daughter, Mrs. Garner, returned with them.

Miss M. K. Graham left on Monday of this week to resume her millinery business at Listowel.

Miss May Graham accompanied Mr. and Mrs. W. R. Graham and family of Markdale to Toronto on Friday of last week and spent the day at the Exhibition.

While passing through Flesherton one day recently we noticed the town flower bed had been removed. As this, if we can remember rightly was a gift from the Women's Institute we began to wonder if the good old members of the Institute were all dead or had moved away. Green grass is all right in a way but when it takes the place of a beauty spot it is not noticed so much by the passer-by.

Street Lighting Cost

The cost of power for Flesherton has been raised by the Ontario Commission from $43 to $45 per horse power. This move was made, as stated by them, on account of the high rate of exchange on Canadian bonds on the N. Y. market. However, this will not make a change to the rate charged the consumers of power in the village, which remain the same. The cost of street lighting throughout town will be raised $1 per light for 100 watt bulbs, which will mean that the entire cost will amount to about $180 in the year. We are fortunate in having only this small raise, which will be spread over the property holders in town, instead of having our residence and commercial rates raised.

Henry Howard Dies

Henry Howard, an old resident of Flesherton, died at his home here on Wednesday evening of last week at the age of 60 years. He has been ailing for the past six months or so, but the end came very suddenly. His sister, Miss Annie Howard, of Toronto has been attending him for the past several months.

The funeral took place on Friday afternoon, service being held in St. John's United Church of which deceased was a member. His pastor, Rev. W. J. Scott, preached a very comforting sermon from John 19:30, "It is finished." Interment was made in the family plot in Flesherton cemetery.

The pallbearers were Chas. Stewart, A. Sparks, F. W. Duncan, Jos. Field, G. B. Welton and John Freeburn.

The late Mr. Howard was a son of the late Mr. and Mrs. John Howard, early residents of Flesherton. He is survived by one brother, Mr. Wm. Howard, of Markdale, and one sister, Miss Annie Howard, of Toronto.

Many floral tributes of sympathy covered the casket at the home and church. The deceased was of a quiet nature and spent his entire life residing and working in this community, and spending his winters of late years with his sister in Toronto.

Late R. A. Morrison

Particulars of the death of R. A. Morrison at Regina, Sask., intimate that he was trapped in the garage at his home and died before he could reach the door from the effects of monoxide gas.

Deceased was a son of Mrs. and the late Robert Morrison of Markdale and was born at Maxwell on December 21st, 1889. He attended Meaford High and Model schools and taught for a term at Priceville and also at S. S. Nos. 5 and 9 in Osprey. Besides his wife and three children he is survived by his mother, four brothers and one sister. E. H. Morrison of Regina, E. H. of McCord, Sask., J. A. and W. J. Morrison of Markdale and Mrs. J. W. Gamey of Strathclair, Man.

The late Mr. Morrison went west in 1910 and in 1915 joined the Sterling Securities Corporation and at the time of his death was assistant manager of that firm. He was a member of the Siberian Expeditionary Force and served overseas. He was a member of the Canadian Club and the I. O. O. F. in Regina.

Interment was made in the Regina cemetery with Odd Fellows' rites.

High School Crowded

Both the High and Public schools in Flesherton opened on Thursday of last week, the former having a considerable increase in attendance, taxing the capacity of the school. In the four class rooms 120 pupils are registered, 68 of them taking third, fourth and fifth form work. Fifteen new seats have been ordered, but the problem will be to find room for them, as both third and fifth form rooms are filled at present. The present enrolment is the largest in the history of the school.

Three new teachers are members of the high school staff and are Mr. Howard L. Eubank of Cayuga, Miss S. E. McDonald of Douglas and Miss Jean Dewer of Toronto. A complete change was made in the public school staff with Mr. Clarence Chapple of Meaford as principal and Miss Hazel Inkster assistant.

Ken Lucas Drowned

G. Kendall Lucas, son of Hon. I. B. Lucas of Toronto, was drowned at Pointe Au Baril, Ont., when he rescued his three-year-old daughter from drowning. The little girl was with her parents in a launch on the Georgian Bay and lost her balance, falling overboard. Her father, who was a strong swimmer, plunged overboard and caught her as she was going down. Mrs. Lucas screamed and attracted help from a boat close by and the assisting boat was soon at the scene. The little girl was taken from the father's arms and upon turning to assist Mr. Lucas into the boat he had vanished from sight. A search was immediately made and on Tuesday afternoon the body was recovered.

The late Mr. Lucas was 35 years of age and was well known in Flesherton, being a grandson of the late Mr. and Mrs. M. K. Richardson, and attended high school here for a time. He attended Toronto University and Osgoode Law School and was a member of the firm of Bain, Bicknell, White and Bristol. He was married to Miss Greta Hunter of Brampton, who survives along with three small children. He was a member of the Royal Air Force and distinguished himself on the Italian front, where most of his service was spent.

His many friends in Flesherton are shocked at the sudden fatality and much sympathy is expressed to the sorrowing family.

The funeral will take place Thursday afternoon, September 8th. Service in Christ Church, Markdale, at 2 p.m., interment to take place in the Markdale cemetery.

Tied Lacrosse Game

Durham brought a box lacrosse team to town in Thursday evening last and held the Flesherton septette to a four all tie. It was a real good game and both teams entered into the fray in a strenuous manner with hard checking, although only three penalties were handed out by referee N. Becker of Durham, Flesherton taking two of them. The locals had the better of the play the first three periods, but in the fourth Durham injected into the game one of their best senior players, F. Murdock and allowed Durham to tie the score after Flesherton had been leading 4 goals to 2.

Flesherton started the scoring near the end of the first period when Best received a pass and on a nice play fooled the net minder. Durham evened the score two minutes afterwards when Lawrence took a pass from Lauder.

The second period had only five seconds to go when Phillips put Flesherton one up and in the third period Ed. Patton added another. Defeat was staring Durham in the face at this time and going into a huddle the management sent in F. Murdock, who immediately made his presence felt by giving Lawrence a neat pass to score and left the score 3 to 2 when the period ended. Les. Ferris grabbed the ball from a face-off near the Durham goal and slipped one in, ending the scoring for Flesherton. Durham came back strong, rushed the Flesherton goal and added two more with F. Murdock being the spark plug of their attack and the game ended four all. It was a real game and a credit to the ability of the locals, only one player having experience in lacrosse. There are three players on the team not eligible for junior company. It is expected that a team from Orangeville will be the next opponents that Flesherton players will meet at the local arena.

Durham—Goal, E. McKechnie; defence, M. McDonald and J. D. Murdock; centre, J. Lauder; home, Goodchild and Lawrence; rover, W. Snyder; subs, E. Snyder, F. Kearns, J. Bolger, and F. Murdock.

Flesherton—Goal, E. Ferris; defence, E. Alexander and K. Betts; centre, H. Best; home, Phillips and E. Patton; rover, L. Ferris; subs, H. McCutcheon, Akitt, M. Sled.

HOLLANDIA'S WORLD-FAMED

FLOWER BULBS

Order your Bulbs direct from Holland's best Bulb Farm

Encouraged by numerous orders lately received from your country we have decided to expand our business and maintain a permanent market for our world-famed collections of Dutch Flower Bulbs for home and garden.

We are therefore making the following attractive offer of a new selection of varieties, made with special regard to suitability to your climatic conditions by professional experts. The collection will be found to be unique for its skilful combination of rich colorings with delightful scents.

By taking advantage of this supreme "HOLLANDIA" collection, you can make your home and garden a Flower-Paradise for $6.

In view of the large number of orders which come in daily, we kindly advise you to order early. Please write your name and address clearly on every order. All correspondence, orders, etc. must be strictly addessed to:

HARRY BRUHL, Managing Director of the
BULB - NURSERIES "HOLLANDIA"
VOORHOUT by HILLEGOM — HOLLAND — EUROPE
