Light Hurts Some Eyes

Light hurts some eyes! Some eyes are sensitive to light, in many cases that is the only variation from normal; for such patients we supply special lenses that prevent the harmful rays of light from entering the eyes and comfort is assured you. If the movies or bright lights bother you let us supply you with a pair of those lenses. Consult J. G. Russell Eyesight specialist, of Hamilton at Armstrong's Jewellery store, Flesherton, October 3, 4, 5, — 9 a. m. to 9 p. m.

Farmers in some districts are complaining of potato rot. The outlook is for considerably higher prices than for the crop of 1931. Many lost money on their "murphies" last season.

Durham lacrosse team came over to Flesherton on Friday evening last and administered another defeat to the local gladiators by the score of 9-5. With each game played the boys are learning more about the game and are improving in their combination and shooting.

The old town hall was finally brought to its resting place on Thursday morning last by Mr. Dave White of Owen Sound, who had the contract of moving. It was quite a large building to move through the main street and took considerable time to place it on the property provided for it on the station road.

The paving on Highway No. 10 is now past 260 sideroad at Corbetton. Contractors say they would make more speed if the Department of Highways at Toronto did not prevent them from working more than five days a week. There is still a detour at Melancthon one concession west and to the back line till Dundalk is reached.

An appeal was entered by Miss Marion Bibby on the result of her Upper School examination in Latin to the Department of Education. As her marks in all other subjects written were quite high it was decided to allow the appeal. Marion is now attending the Toronto Normal school and will be able to secure her first class teacher's certificate.

Farmers in this district have been delayed in harvesting their buckwheat and in plowing by the numerous heavy showers of rain, but on the whole are pretty well advanced on the fall work. Most of the country folks will winter well if they can get fair prices for their products. There has been some improvements.

The forms for the foundation of the new Fraternity Hall are nearly completed and the pouring of cement is to start at once. Wet weather has kept the work considerably behind, but it is expected the building will be ready by the first of the year.

Sabbath last was Rally Day for St. John's United church Sunday school, when the service was taken by Rev. W. C. Almack of Durham. Dr. E. C. Murray acted as chairman. The theme was, "Following Jesus today." The two theme stories were given by Miss Helen Heard and Mr. Herb Akins and the whole service was of a very interesting nature, and much enjoyed by those present.

In a hardwood bush close to Flesherton we noticed the other day several large trees completely girdled for several feet up the trunks. It looks like the work of jack-rabbits, which are growing very numerous in this district. The hunters, though, do their best in the fall to eradicate these pests, but their numbers are continually increasing.
