## Arctic Seas Calm For Miss C. Hind

The Winnipeg Free Press, Saturday, published this despatch from E. Cora Hind, its agricultural editor, aboard the S.S. Juventus, for the United Kingdom with a cargo of grain shipped from Churchill by the Hudson Bay route.

"We are through Hudson Straits and well across the Atlantic, with as little trouble as if we were cruising Lake Winnipeg. We did not check our normal ten-knot speed for 920 mlies. The passage through the Straits was uneventful. There was a little fog on Friday, and a little snow, the temperature running about 35 degrees. We sighted two icebergs Friday afternoon and two more on Saturday. The sea is smooth. Our captain, who has now completed his first voyage through the Straits and back, is well satisfied with the new route and its conditions."

Miss Hind is the first woman to travel to Europe by the new Hudson Bay route. She arrived in Churchill just too late to ship on the ill-fated "Bright Fan," which struck an iceberg and sank on October 1st.

Tokio has taken in its suburbs, and this Japanese city is now the third largest in the world. It has a population of 5,312,000.

"I'll see if Ella can come"

The very day visitors were coming, Bob Emery's wife caught a bad chill. She tried to keep going, but it was obvious that she would have to go to bed.

"Now don't worry," Bob said, "Ella's only 30 miles away. I'll just get her on the telephone and see if she can't come and help us out."

A few minutes later they had Ella's cheery promise. Once more, in an emergency, Long Distance had proved quick, dependable — and surprisingly inexpensive.

## Grey County Fourth At Ottawa Plowing

Last Tuesday, October 11th, T. Stewart Cooper, Agricultural Representative, took four boys, Henry Cook, Stewart Barber, Arnold Shaw of Derby Township and Earl Weppler, Sullivan Township, to the Provincial Plowing Match at the Central Experimental Farms, Ottawa. The latter three boys all under 20 years of age represented the County on the Plowing Team. In a competition on Friday of 17 county teams of 3 boys each they stood fourth. It was a most creditable showing.

On Wednesday, Henry Cook, plowing in a class of 37 men, who had previous experience at the Provincial Match and who were over 20 years of age, stood 8th for which he received $6.00. On Wednesday Arnold Shaw, plowing in a class of 21 competitors under 18 years of age, won second which gave him a silver rose bowl valued at $20.00 and $5.00 in cash.

On Friday, Earl Weppler and Stewart Barber won 7th and 12th place in the Team Competition winning $11. and $6. each. The total prizes won therefore were $48.00.

The boys' success was due entirely to the efforts of Mr. Vernon Barber, Derby Township, who worked exceptionally hard and sacrificed his time and money to bring Grey County to the top. A debt of gratitude is due him.

Derby and Sullivan Plowing Matches will see the boys in competition again. A good account of themselves is sure to be given. It is also hoped that one or two of them will be able to put on a demonstration at Ayton next Monday afternoon.

### DANCE AT MAXWELL

A dance will be held in the hall at Maxwell on Tuesday, October 25th, in aid of John Beatty, a member of the Feversham Football Club, who was injured in a game at Feversham at the Feversham fair. Good music round and square dancing. Admission 25 cents.

## To Our Subscribers

The Advance subscription list was corrected on Saturday for all payments made up to that time. If your subscription has not been changed kindly advise us at once in order to correct the error now. To all those in arrears we would kindly request them to remit at once. While each individual amount may not be large, when spread over several hundred subscriptions it soon amounts to a considerable amount. We rely on our job work and subscription accounts to keep our plant running as monthly bills have to be met when due. Help us out at this difficult time by renewing your subscription promptly.

### COMPLAINING OF GRUB LEAVES THE GREY REFUGE

The story of a man "who fell out with Mr. Toil when he was a young man and never made up with the old taskmaster" is told by the Chesley Enterprise: "When Samuel White ran away the first time from the Grey house of refuge at Markdale he was apprehended after a few hours at the home of an old acquaintance, Mr. Boyd, who lives near Berkeley, Holland township. On Thursday, September 29, Samuel made a getaway by following the railway track north till he came to a road that he knew would not be much travelled and then, after a short rest with a Sullivan friend, he hiked across country to the home of Wm. Elder on the 8th concession Elderslie, thence to his late brother's home in Sullivan and then to the Elderslie brother, where the keeper of the house of refuge and a Markdale constable located him and took the runaway back to his old companions. In conversation with a Chesley man Sam says he gets poor grub at the expense of the Grey ratepayers and, according to his way of thinking, it is not equal to prison fare."

## Alvin Sornberger Dies

Alvey Sornberger, well known resident of Osprey township passed away in his sixty-seventy year, death occurring on Wednesday, October 12th, at his home near Singhampton, due to a heart attack which lasted only a few minutes. The deceased was born in Mariposa on October 29th, 1865, and moved to Osprey with his parents, the late Mr. and Mrs. Hiram Sornberger, when only a boy twelve years of age and since then he has always been a resident of Osprey township and was also a member of the Orange Association.

In the year 1892 he married Sophia Elliott and to them were born two sons and two daughters, the oldest being a son who predeceased him when only an infant. He leaves to mourn the loss of a kind and loving husband and father, his wife, one son, and two daughters, namely: Myrtle, Mrs. Morton Sayers of Feversham, Basil of Maxwell and Pearl at home. There are also three sisters (Ettie) Mrs. L. Cameron of Newberry, Mich., (Lizzie) Mrs. Geo. Spencer and (Hattie) Mrs. D. Cameron of Osprey, also nine grandchildren.

The funeral was held on Saturday afternoon at his home at 2 p.m. The service was held in the United church, Maxwell, being conducted by Rev. McNeill, assisted by Rev. Dean of Feversham. Interment took place in Maxwell union cemetery, when the Orange brethren took charge, and was largely attended by friends and neighbors.

The floral tributes were many and besides those of the family and a host of friends there was a spray from L.O.L. 1085. These were carried by members of the Lodge, namely: Will and Mansell Conn, Percy Winters and Elmer Neill.

The pallbearers were: Bros. W. L. Taylor, Thos. Beatty, Fred Brown, Harry Thornbury and Frank and Wm. Seeley.

Friends from a distance who attended the funeral were Mr. and Mrs. Wm. Elliott, Mr. and Mrs. Herb Clark and Mr. and Mrs. Chester Cameron of Collingwood, Lawrence Cameron of Stayner, Mr. and Mrs. Will Cameron of Gibraltar, Mr. Milo Payne and son, Roy, Mr. and Mrs. T. E. Foley, Will Brown, Mrs. Harry Wilkinson and Mrs. John Ferguson of Collingwood, Messrs. John and Dan McDonald of Toronto, Mr. and Mrs. Lewis Genoe and Mr. and Mrs. Will. Kaitting of Eugenia.

## Horses Took Prizes

Dr. J. E. Milne has had real success at the fall fairs he has patronized this year with his horses. He has showed a brood mare, yearling and two spring colts and at seven fairs annexed 21 first prizes, 8 second prizes and two thirds. The three colts were bred by W. W. Trimble's standard bred horse, William W. Belwin. The fairs where the horses were shown are Durham, Priceville, Flesherton, Rocklyn, Owen Sound, Markdale and Feversham. The four animals were taken to Chatsworth last week, but owing to the misunderstanding as to time of showing all the classes had been judged except the yearling cold, which took first place in a large field.

## The Worst Depression

One gentleman in town the other day said that this was the worst of the many depressions he had been in. Other times he only ued oe paid of trousers during the time, but during this one he had used three and they are so thin on the seat that if he sat on a dime he could tell whether it was head or tail.

## HEALTH

by Frederick Tennyson M.D.

A HEALTH SERVICE OF THE CANADIAN MEDICAL ASSOCIATION AND LIFE INSURANCE COMPANIES IN CANADA

### HEART TROUBLE

Not a few people are worried because they think they have heart trouble, when, as a matter of fact, there is nothing wrong with the heart at all. Sensations of pain around the heart, shortness of breath and palpitations are not by any means always due to heart trouble. What is commonly called indigestion may be responsible for such symptoms.

It is rather remarkable that a great many people take upon themselves the responsibility of deciding that their heart is diseased. Some go even further and attempt to treat themselves. There are others who do not want to know what is wrong; they act as though their ignorance would in some way protect them.

There is every reason why we should find out the cause of pain or other physical discomfort. Pain is a sign that something is wrong; the sooner the condition receives attention, the better will be the chance of a quick and complete return to health.

If, for one reason or another, the heart becomes damaged, it is most important that the fact should be known early. If the capacity of the damaged heart is not exceeded, there is every reason to expect that life will not be interfered with.

The person with heart trouble who simply shuts his eyes to the condition, and refuses to accept advice as to how to live without overtaxing his heart, is headed straight for disaster; he may endure years of invalidism, and certainly his life will be greatly shortened. If you have heart trouble you will have to learn to live a life which will not place any sudden or extra work upon your heart.

The heart, as one part of the body, benefits from the condition of the whole body; so the general health should be cared for. The heart gets most rest when we sleep; and as rest is essential for health, we commend the habit of long hours of sleep in a well-ventilated room to those who have a heart that needs extra care.

Heart trouble does not make the sufferer an invalid. Exercise, within limitations, is usually desirable. The limits of play and work will have to be approved by the doctor who observes the effects of such efforts. Shortness of breath in any case means that the limit has been reached.

There are so many different forms of heart trouble, and these occur in such varying degrees of severity, that each case must be donsidered individually after medical examination.

### BORN

BETTS — In Artemesia on Saturday, October 15th, 1932, to Mr. and Mrs. Cecil Betts, a daughter.

FOSTER — In Artemesia, on Wednesday, October 5th, 1932, to Mr. and Mrs. Russell Foster, a son.—Donald Murray.

### FOWL SUPPER

Rock Mills Ladies' Aid will hold a fowl supper and concert at the Baptist church, on Tuesday, November 1, 1932. Admission 35 and 20 cents.

### YARD AND SELLING FEES TOO HIGH AT TORONTO

A Proton farmer shipped by truck to Toronto market seven lambs and one hog. He received 5c per pound for 5 lambs weighing under 100 lbs., but only 4c on two which went exactly 100 pounds. He expected all would shrink under the 100-pound limit but the two did not and he lost $2. The hog was select and he received one dollar extra for that. The yardage fees and market commission were over $2, nearly as much as the trucker charged for haulage.

The complaint is made that the market regulations and fees are excessive when the low price of farm stock is taken into consideration, and this would appear to be well founded. —Dundalk Herald.
