Receives Appointment

Dr. E. K. Richardson of Toronto, a former Flesherton boy, has been appointed Medical Superintendent of the Carls-Rite hotel in Toronto, at the corner of Front and Simcoe Streets in that city. This institution combines many of the uses of a first class hospital, with those of a modern, quiet hotel, omitting the undesirable features and is intending to supply for Toronto and the neighboring states something resembling what Lord Dawson of Penn, the King's physician, referred to in an address of a few months ago. He seems to recognize the need in every large centre of population, where people of impaired health not needing restrictive regulations of a hospital, may receive attention by their own doctors facing physio-therapy, massage, diet and other aids to restore health under medical supervision.

The Advance and all Advance readers are invited to attend the reception on Tuesday, November 29th from 4 to 12 p.m. Experts from New York will give interesting talks on suitable subjects.

Won Oratory Contest

Miss Verlet Hockridge of S. S. No. 9, Proton, was the winner of the public speaking contest held at Guelph on Saturday afternoon. She had previously won the award at Markdale on Friday afternoon from ten contestants from Grey county. Miss Hockridge attends the Cedarville public school By winning the district championship she will represent the northwestern section of this province at the annual meeting of the Trustees' and Ratepayers' Association at Convocation Hall, Toronto, during the Easter holidays.

Presentation To Bride

The Rock Mills Baptist Ladies' Aid held their November meeting at the Baptist parsonage on Wednesday November 16th. Mrs. Albert Blackburn, vice-president, took charge of the meeting. The minutes of the last meeting were read and adopted. The roll call was answered by 13 members and one visitor. An interesting item on the program was the presentation of a box of silverware to Mrs. H. Patton (nee Mrs. Croft). The remainder of the afternoon was spent in a social way, after which lunch was served by the hostess.

Local and Personal

Mrs. W. D. Bryce and little son are visiting in Sarnia.

Mr. and Mrs. R. C. Walker of Goderich spent the week end in town.

Mr. and Mrs. H. A. McCauley were in Toronto Saturday.

Deer are so tame in this district that they even come into town two blocks from the main corner.

Misses Marguertie Kennedy, Maud Alexander and Nettie Moffatt, teachers at Teeswater, spent the week end with Mr. and Mrs. W. G. Kennedy.

During the past week we have had a mixture of sleighing, wheeling and wagoning, with motoring predominating.

Mrs. M. Wilson left on Saturday for Detroit where she will visit her daughter, Mrs. Ross Thibaudeau for a few weeks.

The progressive euchre and dance, which was to have been held Thursday evening, has been postponed indefinitely.

A rooster, owned by a farmer near town, died from heart failure the other day after winning a fight with another cock in the same flock.

The deer hunters arrived home on Thursday and Saturday morning last with their full complement of deer. They enjoyed excellent weather, although with more snow the hunting would have been better.

The first meeting of the high school Literary Society will be held at 4 p.m. Thursday, Nov. 24th. The program will be in charge of the Upper School. All visitors are welcome. Come and enjoy the program, of which the most interesting features are two playlets "Mr. Poulter's Sword" and "Une Lecon de Cuisine," and the reading of the school paper.

SHOOTING MATCH

The shooting match advertised for Hallowe'en, which had to be postponed on account of bad weather, will take place on Thursday afternoon of this week, November 24 for ducks and geese; 1½ miles east of Flesherton. —SAMUEL CROFT

A number of farmers in the vicinity of Speedside, Eramosa Township have organized to protect several deer that have recently appeared in the neighborhood. Feeling that hunters or strangers in the vicinity may harm the animals, the area has been placarded with signs warning against hunting or trespassing in the bush in which they have taken up their abode. There are about eight deer in the three-mile stretch of woodland, and they are believed to have come down from the Luther marsh.—Elora Express.
