Funeral of Mrs. F. Cairns Held Friday

The funeral of the late Mrs. Frank Cairns was held from her late residence on Friday afternoon of last week. Rev. W. J. Scott, pastor of St. John's United church, gave a very comforting message to the bereaved members of the family and was assisted by Rev. M. M. Bennett. Interment was made in Flesherton cemetery. The pallbearers were all old friends and neighbors: Messrs. T. R McKenzie, Frank Chard, A. Gilchrist W. J. Stewart, Geo. Mitchell and Jas McMullen.

The late Mrs. Cairns, whose maiden name was Nancy McLeod, was 75 years of age and was born on the west backline, Artemesia, and was a daughter of the late Donald and Flora McLeod. She was married to Mr. Frank Cairns on January 25th, 1881, on the homestead now occupied by her brother, Mr. Donald McLeod. Until they moved into Flesherton 15 years ago last spring they had always resided in Artemesia township. The union was blessed by three sons and one daughter, Geo. H. and F. D. of Artemesia, J. A. of Barrie and Pearl (Mrs. Alex. McDonald) of Weston all of whom were home for the funeral service. There were also seven grandchildren. Besides her husband and family she is survived by two sisters and three brothers, Mrs. D McMillan of Priceville, Mrs. M. Mitchell of Toronto, John D. and Ronald of Artemesia and Roderick in Colorada, U.S.A. On January 25th, 1931, Mr. and Mrs. Cairns celebrated the 50th anniversary of their wedding at the home of their daughter in Weston.

The late Mrs. Cairns has been a sufferer for the past year with heart trouble and for a few weeks this fall she was seriously ill, but recovered considerably. Two weeks before her death on Tuesday, December 6th she was forced to take to bed and while her passing was not unexpected it came as a great shock to her family, who mourn the loss of a devoted wife and mother.

The casket was surrounded by a beautiful bower of floral tokens of remembrance and were from a wide circle of friends and relatives. Amongst them were sprays from the officers and members of Mt. Dennis Chapter O.E.S., Matron and Patron of Clovelly Chapter O.E.S., Weston; Neighbors of Weston; Matrons and Patrons club 1932, O.E.S., Artemesia District and Ceylon L.O.L.; and neighbors of Flesherton.

Prior to the remains being brought to Flesherton on Thursday afternoon a short service was held ta the home of Mr. and Mrs. Alex. McDonald, Weston, Rev. Forbes of Westminster church, Weston, officiating. Quite a large number of Toronto friends were present at the service. Those from a distance who attended the funeral in Flesherton were Mrs. Ruthven Sr and son, Frank, and Mr. Camplin of Clarksburg and Mrs. M. Mitchell of Toronto.

A Seal On Display

A seal in Flesherton! Such is the case. However it hapepns to be a stuffed one sent to Mr. C. N. Richardson of town last week by Mr. George Richardson of Botwood, Newfoundland. It is of the fur seal variety, about two feet long, perfectly white and is said to have been only three days old when captured. As it grows older its coat would change and become brown. George secured it from a fisherman who had caught it off the coast of Labrador during the annual sealing operations and then had it mounted.

HAD BEER BUT WERE NOT THE BURGLARS

The so far successful get-away of two armed men who last week entered the Flesherton branch of the Bank of Commerce, held up the staff, locked them in the vault and helped themselves to all the available cash, has cost that institution about $6,000. Indirectly, it was responsible for two men being called upon to contribute a small fine and cost about $30 in all in the Palmerston Police Court to Ontario's decreasing revenues. Members of the Provincial Police were on the Kincardine highway west of Arthur with their eyes open for burglars in a blue car. They commenced following the Toronto machine, whose occupants decided they would hurry along, and that is where they made their mistake. Suspicion was aroused that they were the men who had cleaned up the Flesherton thousands. The police gave pursuit and the Toronto car soon left the slippery road and crashed into a telephone pole. The suspected burglars were arrested but it was soon evident that they were not hold up men but quite respectable citizens. Just to make assurance doubly sure however, the officers searched their car and made the find of two perfectly good bottles of beer. The beer occasioned a charge of having liquor where it should not be and the inevitable fine and costs were duly collected.—Arthur Enterprise.

Another good mental test is to figure out what becomes of the money you save since living costs became cheaper.

Escaped Serious Injury

Mr. W. McNally of Portlaw had a nasty experience down at the Little Mill on Monday where he went to get a grist ground. He had backed his wagon into the shed and was in the act of stepping down on the doubltree to alight when the team jumped and crashed against a post Mr. McNally says he heard a crash and knew nothing more about it. The team rushed across the road and across the mill stream below the bridge and out on the other side. When found Mr. McNally was soaked from head to foot and evidently had been thoroughly dipped in the water. He had to be clothed in a dry outfit, but otherwise was uninjured. It is fortunate that he had not been killed or badly injured. The horses were caught at Beecroft's hill, a mile and a half from where they started.
