S. S. Concert

The auditorium of St. John's United church was well filled for the annual Sunday school entertainment on Monday evening. A fine program was given by the scholars. The program consisted of recitations, musical numbers and several drills and dialogues. The Piper brothers gave several violin trios and Allan Chapple gave a mouth organ solo and was heartily applauded. Dr. E. C. Murray, Superintendent, gave his report and showed the Sunday school in a flourishing condition. The proceeds of the admission fee to the entertainment amounted to $46.00. A splendid supper was served by the ladies of the congregation prior to the program.

Mrs. Ernie Stinson Dies In Toronto

Mrs. Ernest Stinson of Victoria Corners passed away in the Toronto General Hospital on Tuesday, after an operation to remove a tumor or abscess from her head. The patient died under the anaesthetic. This was the second death to occur in the Victoria Coirners vicinity in three days. The late Mrs. Stinson was formerly Miss Bessie Richardson, a daughter of Mr. and Mrs. E. Richardson of Laurel, and was 28 years of age. Besides her sorrowing husband she leaves two daughters, besides her parents, a sister and two brothers. Much sympathy is expressed to Mr. Stinson from his many friends in Flesherton.

Figure This Out

A travelling salesman passed over to a hotel man a $100 bill to hold until he called for it. The hotel man needed this amount to pay his garage rental and so used it. The garage man then paid it to the lrocer; the grocer bought some clothes with it; the clothing man paid it to a hardware firm, and the hardware merchant, owing the hotel man, paid the same $100 bill back into the latter's possession just before the salesman arrived on the scene to reclaim it. It then developed that the bill was counterfeit, whereupon the salesman lighted a cigar with the bad bill.

Hockey Season To Open Thursday

Junior hockey gets away for a start in Flesherton this Thursday evening when the Durham team trots over the boards in an N. H. L. fixture. This should be a real game as both teams are of exceptional strength and the wise ones figure that the group championship will come to either of these two teams. The other clubs in the group are Hanover and Walkerton. Flesherton juniors are being strengthened with the addition of Bob and Tuck Berry and Bob Dundas of Markdale, the latter as goalie, and Mel McFarland, brother of E. McFarland, well known in hockey circles in Flesherton. The local players are Bill Patton, George Boyd, Harold Best, Fred Gorrell, Bob Phillips and Mervyn Johnson, and a real fast team should result when they get working together. The boys have been practising faithfully and should be in good condition.

Nothing gives greater value than your telephone — it costs so little and is worth so much.

"Dad will be at the store now"

Dad had left for Northampton an hour or so before with quite a list of the family's requirements.

When Peg, suddenly recalling the knitting party at the Brown's that evening, realized she was short six balls of wool.

Quickly she reached for the telephone. "He'll be at the store now and if he isn't, Mr. Coyle will have it ready for him".

An incident typical of the value of your telephone in the daily routine or in big or little emergencies. It smooths life's path at trifling cost. You NEED your telephone.
