Samuel Brownridge Died At Feversham

Was 87 Years of Age—Came To Osprey Township With His Parents

On Thursday, January 19th, 1933 death called another of Osprey's early settlers in the person of Mr. Samuel Brownridge at the good old age of 87 years. After a few days' illness following the flu, pneumonia set in and he passed away on Thursday night. Mr. Brownridge came to Osprey with his father, brothers and sisters from Markham at the age of nine years and has been a resident of this part ever since. He was of a quiet disposition and was highly respected. About sixty years ago he was married to Miss Agnes Connor, a neighbor girl and she passed away about nine years ago. Shortly after they left the farm on the eighth line and came to live in this village. For some years he had been the only surviving member of this Brownridge family. There survives to mourn the loss of a kind father, two sons and four daughters: Robt. of Vanguard, Sask., and Ernest at home; Mrs. Rich Ottewell (Lou) of Arcola, Sask., Mrs Frank Whewell (Annie) of Windsor, Ont., Mrs. John Fenwick (Ida) of Maxwell and Mrs. Sherman Ottewell (Gertrude) living on the eighth line of Osprey. The sympathy of the entire neighborhood goes out to the bereaved family. The funeral was held on Saturday afternoon to the United church at Maxwell. The service was conducted by the Rev. Mr. Shannon and the remains were laid to rest in the Maxwell cemetery beside his late wife.

People from a distance attending the funeral were Mr. and Mrs. Frank Whewell of Winona, Mr. Harold Whewell and wife of Hamilton, Mr. Morris Whewell of Vineland, Mr. A Brownridge and daughter and Mr. F. Hawton of Stayner.

The pallbearers were Messrs. Chas Weldrick, Wm. Osborne, Chris. Thomson, E. Robinson, Joseph Barber and George Burk.

Another old resident of Osprey and this locality, Mrs. Wm. Brown Sr., died on Sunday night at the home of her daughter, Mrs. Annie Wright, on the 10th line, near here, at the age of 82.

Mrs. F. Hawton of Stayner visited with her mother, Mrs. Wm. Brown Sr., on Saturday last.

A number of people are suffering from the flu here at present. Mrs. R. J. Colquette, who has been ill for several weeks, is recovering nicely now.

Well the Beaver River, south of this village, is coming back true to its name. A young man has built up a Beaver ranch and has seven or eight of these wise animals desporting themselves in their new houses and in the sparkling waters of the old Beaver River.

Miss Grace Horton of Long Branch, Ont. has returned to her home, after spending a couple of months with her grandparents, Mr. and Mrs. Colquette here.

Mr. and Mrs. Eby were week end visitors with their son, James, and family in Collngwood.

PRICEVILLE

A number of people in and around the village have been laid up with the "flu". Mr. and Mrs. Fred Karstedt and Jane have been ill. Mrs McCallum of Flesherton was in attendance, but glad to know they are on the mend.

A number from here attended the Priceville Old Boys' and Girls' reunion in Toronto Fri. night. Messrs. Earl McLean and Dan L. McArthur took a truck load each and all enjoyed themselves.

CARD OF THANKS

We wish to thank the friends and neighbors for sympathy extended during the illness and death of our daughter and sister and also for floral tributes.

—Mr. and Mrs. W. J. Chard and Family.

CARD OF THANKS

Mrs. J. W. Lyons and family wish to thank their many friends and neighbors for many kindnesses shown and sympathy extended during the illness and death of their husband and father.

ROCK MILLS

There passed away at the Toronto hospital for sick children on Wednesday, January 18th, 1933, Helen Margaret, infant daughter of Mr. and Mrs. W. J. Chard, aged 7 months and 2 days.

The little one had been suffering for several months from politis. Five weeks ago she was taken to the hospital and though everything that loving hands and medical skill could do was done to save the young life, but to no avail, and she passed away to be with Jesus.

Besides the sorrowing parents there are left to mourn two sisters and two brothers, Lorna, Marie, Clarence and Cecil, all at home.

The funeral which was largely attended took place on Friday afternoon to Flesherton cemetery, Rev. M. F. Oldham, Rector of St. Mary's church, Maxwell, officiating. Many and beautiful were the floral tributes of love and sympathy. The pallbearers were: Leslie Seeley, Tom Bemrose, Jack Monaghan and Lawrence Phillips. The sympathy of the whole community is extended to the parents, sisters and brothers in the loss they have sustained.

Mrs. Lewis Pedlar, visited the past week with friends in Flesherton.

Our sincere sympathy is extended to Mrs. Lyons and family in their hour of sorrow by the death of their husband and father.

Mr. and Mrs. Robt. Meldrum of Portlaw were recent visitors with the Pedlar families here.

PROTON STATION

This correspondent is sorry that the following item which was sent to me a couple of weeks ago was overlooked: Mr. A. Stewart wishes to thank the ladies of the Anglican Guild for the nice treat of fruit they sent him in recognition of services cheerfully performed. He wishes them all a happy new year.

Mrs. Ramsay who has been ill for some months at her home here has so far recovered as to accompany her nephew, Mr. M. Acton, to his home in Hanover, where she will remain indefinitely.

Mr. Joseph Hemphill was thrown from a wagon when his team ran away and sustained minor injuries.

Mr. Herbert Corbett and daughter, Miss Ina, and Mr. Dalton Corbett are spending a few days in Toronto.

Mr. Lloyd Wauchope is on the sick list.

Mr. G. Littlejohn spent the week end at his home near Markdale.

(Intended for Last Week)

Messrs. A. Sherson, S. Batchelor and R. G. Acheson went to Toronto this (Monday) morning.

Mr. and Mrs. George Clark and little son, Roy, of Toronto were visitors on Saturday and Sunday with Mrs. Park and Miss Tena Clark.

Mrs. A. McKee of Dundalk and her daughter, Mrs. Reid are guests at the home of Mrs. McKee's daughter, Mrs. Herbert Corbett.

Mr. and Mrs. M. Acton of Hanover visited their aunt, Mrs. Ramsay recently. Mrs. Ramsay has been seriously ill and is very slowly regaining health and strength.

EARNS NO WAGES— DOES SHE WORK?

There is one in every home and she contributes to the family wealth, but it does not count.

She never earned any money. She lives on an Ontario farm, but she lives on every other farm. She is Somebody's Mother, maybe your own. She has earned nothing. No, but she has served 439,983 meals, has made 1,123 garments, 32,000 loaves of bread, 5,399 cakes, 7,932 pies; she has grown 1,432 bushels of vegetbles, has raised 79,660 chickens, churned 5,430 pounds of butter, put up 3,625 jars of preserves, scrubbed 177,825 articles of laundry and she has put in 35,839 hours of sweeping and washing and scrubbing. At accepted price for this work it is worth $115,480.50. She can't retire on her savings—she has kept on. Not earning? No. How do you define the ordinary woman's contribution to the family wealth?

CARD OF THANKS

We wish to thank our friends and neighbors for many acts of kindness and sympathy shown through illness and death of mother and grandmother

—Mr. and Mrs. L. H. Sheardown and Family.

Ceylon Church Meeting

Members of Board of Stewards Increased to 8—Other Officers Elected

The congregational meeting of the church was held on Monday evening, when quite a number were present. After the opening exercises, the minutes of 1932 were read and adopted. Report of sessions were given by Mr. G. Arrowsmith, report of Ladies' Aid by Mrs. Gilchrist, and Mrs. Hunt the Sunday school report, report of M. and M. by Mrs. Gibson, Board of Stewards by Mr. Haw, treasurers report by Mrs. Gibson. A motion that Board of Stewards be increased to eight, carried. Board of Stewards appointed for 1933 were: Messrs. A. Sinclair, Wm. Gibson, T. McWilliams, A. E. Haw, Thos. Genoe, T. Gilchrist, W. H. Patterson and Earl McLeod; recording sec., Thos. Gilchrist; treas., Mrs. Gibson; organist, M. Cook. The auditors report was read and adopted and a hearty vote of thanks was then tendered M. Cook for her faithful activities as organist for church and work in the Sabbath school. A vote of thanks was also given to the ladies for their assistance in carrying on the work, also to Rev. Mr. Scott for his leadership and hearty co-operation with the work here. Then a hearty vote of thanks was tendered to each officer, also sympathy of the church to Mr. Gilchrist in his illness The meeting was closed with prayer after which a dainty lunch was served.

Mr. Roy Piper motored to Toronto and spent a day there the past week.

Miss Blanche Genoe, who has been visiting at her home here, returned to her position in Owen Sound.

Mrs. Woods of Chatsworth visited with Mrs. Marshall and family the past week.

Mrs. Coleman of Owen Sound spent the past week visiting with her daughter, Mrs. F. J. Collinson and family.

Mrs. F. D. Cairns has returned home from visiting friends at Port Dalhousie and Dundas.

Mrs. A. C. Muir motored to Toronto the past week.

Miss Agnes Macphail, M.P., returned home Monday from her trip to Calgary.

Those who attended the dance given in Toronto the past week were: Messrs. Russel Purdy, Brady Irwin I. B. Whittaker and William Seeley

The young people held their weekly meeting on Thursday night, when 14 members were present. Mr. Isaac Snell had charge of the program The meeting opened with a hymn and was followed by the reading of a psalm in unison, after which Jas. McCormack and Ernest Mathewson each gave a reading. Master Goldwyn Kennedy was organist for the evening. The meeting closed with a contest and the benediction. The meeting for this week will be in charge of Miss Olive Marshall, literary and recreational convenor.

CLEAN NESTS, CLEAN EGGS

It takes less time to place clean straw in the nests than it takes to clean eggs. Some eggs will become dirty in spite of the best of care, but the egg cleaning work is greatly reduced if the nests are cleaned at egg gathering time when dirt is noticed and a little clean straw is added once or twice each week. This is a good early morning job before the hens start using the nests. If you have no straw stack, keep a bale of straw in each laying house so that a measure of the loose straw can be worked up and added by handfuls to any nests where the boards are becoming bear or the straw is soiled.

A TREASURED CLOCK

Peter W. Currie, Fifth Line, Caledon, West, has a clock which he treasures highly. Mr. Currie's grandfather, an old sailor, received the clock in exchange for a watch from the Captain of the sailing vessel "Fairy Queen" on which he sailed from Toronto to Rochester in 1837. As the new owner walked north to his new farm in Caledon, carrying the clock, he was arrested at Brampton as a spy, and as he spoke only Gaelic he had considerable trouble clearing himself. The clock was taken from him and he did not recover it until three years later. The clock, with a 30-hour weight, keeps excellent time and has been owned by three generations of the Currie family.—Orangeville Banner.

EUGENIA

The January meeting of the W. A. met in the basement of the United church on Thursday, Jan. 19, at 2.30 o'clock p.m. Mrs. John Campbell, the president, was in the chair. The 33rd Psalm was read, followed by prayer by Rev. McNeill. The minutes of the annual meeting were read and adopted. It was decided to answer the roll call at each meeting by some Biblical verse, memory gem etc. The February roll call will be answered by your most beautiful verse in the Bible. It was moved and seconded that the fee be reduced to 50c and a collection taken at each meeting. It was decided to have a Valentine social in the basement of the church on Tuesday evening, Feb 14. Mrs. Alex. Cameron and Mrs. Jake Williams were appointed to provide lunch, also a couple of items of the program for the February meeting. The meeting closed in prayer by Rev. McNeill.

Messrs. Clarence and Ernie Williams of Toronto visited over the week end with their parents, Mr. and Mrs. Joe Williams.

Miss Josie Falconer of Flesherton visited over the week end with friends in the village.

Mrs. Jake Williams is spending a few days in Toronto.

Mr. Wes. Plantt of 4th line, accompanied by his father, Mr. Robt Plantt, in the village visited on Saturday last in Kimberley.

In publishing the item re Mr Shortt's robe there were some errors It was Mrs. Thos. Fenwick that made the presentation and Mr. Kilbourne Hawkins, 8th line, that supplied the music.

The minister, Rev. Mr. McNeill preached a very interesting sermon as usual, on Sunday last. He took his text from 7th Chapter of Judges, verse 19, especially emprasizing the latter part of the verse. He referred to the pitchers to be broken, ere the victory could be won as 1. the pitcher of idolatry; 2. material necessity and 3. unbelief.

Sunday school was re-organized and opened again last Sunday afternoon Mr. Leonard Latimer held the office of superintendent; Mrs. C. Martin had the Bible class; Mr. Jack Large a class of boys; Mrs. Bert Graham the tiny tots and Miss Georgina Smith the small girls. Miss Dorothy Jamieson was appointed Secretary-Treasurer and Evelyn Campbell Asist. Sec.-Treas Mrs. Morgan was appointed organist. Owing to the absence of Mrs. Cameron her class of girls were included in the Bible class. We hope for a larger attendance in all classes.

TOO MUCH SILAGE

Authorities claim that silage is an extra good feed if it is not abused Two kinds of abuse are to feed too much and to let the surplus accumulate in the mangers. It should not be forgotten that silage is largely water. If the cows are encouraged to cram themselves with silage at the expense of grain and hay they will not be getting enough nutrients to sustain their bodies and a profitable flow of milk. Preferably the grains should be fed on top of the silage so that it will be eaten first and then not more silage than will be eaten readily. If there is a surplus it is well to clean this out of the mangers daily.

IN MEMORIAM

VAUSE — In loving memory of James H. Vause, who passed away January 28th, 1932.

A loving one from us is gone,
That voice we loved is still.
A place is vacant in our home,
That never can be filled.

—Sadly missed by Wife and Son.

DIED

BROWN — In Osprey township on Sunday, January 22nd, 1933, Mrs. Hannah Brown, aged 82 years, 4 months, 17 days. The funeral is taking place this Wednesday afternoon with service at her late residence, Lot 15, Con. 11, at 2 p.m. Interment will take place in Bethel cemetery.

A School Difficulty

Difficult For Power House Children To Reach School Owing To Hills

Mr. S. S. Burritt met the Artemesia Council on Monday with a view of coming to some arrangement in regard to having the Power House children attend the Kimberley school. It is difficult for them to go to either Eugenia of Vandeleur schools on account of the hills and distance. The matter of their school has been an unsettled affair since August 1931, although only recently brought to the notice of the sections involved. The Kimberley section is willing for the children to attend, while Artemesia is the township where they should attend. It is the distance to Kimberley and the hills in the home township. We feel encouraged to think that an early settlement of the difficulty may be arranged. The question is: who should provide for the transportation of the pupils.

Mr. Stan Lawrence of the H.E.P.C. at St. Marys, spent the week end with his mother, Mrs. Jas. Lawrence.

The flu is slowly disappearing. During the past week Mr. Elmer Ellis's family were quite ill, but are slowly recovering.

The Flesherton Dramatic Club gave their play "Apple Blossom Time" on Friday night. There was a fair attendance, yet it was worthy of a much larger crowd. It was a good play and well-given and the comments were favorable and generous. We wish it success if given again.

Mr. Harold Thompson spent the week end with his friend, Mr. Norman Burritt.

STEWART'S DISEASE OF CORN

Agricultural authorities are becoming concerned about Stewart's Disease of Corn. This disease, so far, is most serious in the Southern States, though it has penetrated as far north as Ontario. Damage of one million dollars annually has been reported from Ohio. Last season the disease made its appearance in Norfolk, Essex and Kent counties. Sweet corn and the early-planted field varieties seem to be the most susceptible. Once established it will live for at least three years in the soil, depending on weather conditions. Mild winters favor the disease.

A field may be attacked any time between germination and tasseling and a badly damaged plant wilts, turns yellowish, becomes stunted and either there are no cobs or these are shrivelled. The whole field has the appearance of being hit by frost or a severe drought and is often confused with these weather conditions.

PROVINCIAL PLOWING MATCH MAY BE HELD IN GREY COUNTY

T. Stewart Cooper, Agricultural Representative of Grey County and Secretary of the committee which is working to bring the Provincial Plowing Match to Grey County this year, has sent a circular letter to the members of the Municipal Councils outlining the conditions and regulations which would exist if this plowing match was held in Grey County this coming fall. Much interesting information is contained in ths letter and a summary of this information follows:

Control of the match would be divided between the central committee which is the executive of the Plowmen's Association, and a committee which would have charge of various local matters. Three members of the committee would be added to the directorate of the Plowmen's Association to attend all meetings previous to, during and after the plowing match

The combined county and Owen Sound grant should be $1,500 and in addition the city would have to provide a banquet. The Dominion Government grant to the plowing match would be $300 and the Provincial Government grant $500. In addition $50 will be given by the province to the local plowing matches, of which there are six in Grey County, making another $300 in grants. Grey County competitors would get the $300 granted to local plowing matches, since the match would be confined to Grey County competitors during the first day, or possibly to Grey and Bruce competitors.

The plowing match would be free to everybody but there would be a 25 cent charge for parking cars. The money collected in this manner would go to the committee. This money, together with private donations and the regular provincial grants to the township plowing matches would be used by the local committee to defray expenses incidental to the match. All grants and entry fees would be collected by the provincial executive for distribution as prizes, etc. The farms on which the plowing is done must be given free of charge and 100 teams would have to be loaned free of charge, but from $300 to $500 would be distributed as prizes for farmers' teams, these prizes going to the owners of the horses, not the drivers. In addition, all team owners would be given a free ticket to the banquet.

Shelburne Council has arranged to receive advance payments on 1933 taxes in accordance with a schedule drawn up. Five per cent. per annum is allowed on all such payments.
