Flesherton Public School

SENIOR ROOM

4th Class — Hon. — Audrey McCracken, George Loucks.

Pass — Ella McRae, Roberta Leavell, Marguerite Croft, Fred McTavish, Ethel Dargavel, Burton Bellamy and Robin Goldsborough equal, Charlie Thompson, Betty McDonald, Ben Leavell (spelling.)

Sr. 3rd — Hon. — Fred Gibson, Donald Scott, Doris Taylor, Bob Stuart.

Pass—Tom Banks, Norman Loucks, Athol McKillop.

Jr. 3rd — Hon. — Bryson Clark, Oly McDonald, Clifford Littlejohns, Marion Wickens, Wesley McCracken, Gordon Semple, Evelyn Leavell.

Pass — Jack Loucks, Ben Bellamy, Dorothy Welton (spelling), Bill Henry, Fred Thompson, Thelma Miller, George Watson (spelling.)

JUNIOR ROOM

Sr. Second — Alice Thompson, Bernard Thistlethwaite, Edna Croft, Dorothy Patton, Stewart McRae, Donald Graham, Joe Banks, Lily Flynn, Annie Flynn.

Jr. 2nd — Iva Brown, Eldon Fisher, Allan Chapple, Ruth Turney, Bernice Leavell, Florence Newell, Jim Thurston, Marjorie Thistlethwaite, Harold Graham.

Sr. 1st — Margaret Thompson, Bob Banks, Evison Wilson, Ethel Taylor.

Jr. 1st — Jack Kennedy, Jean Duncan, Jean McTavish, Doris Loucks, Marjorie Newell, Arlene Taylor, Chas. Meggit.

Primer — Colleen Thibaudeau, Jean Loucks, Diana Goldsborough, Teddy McCracken, Earle Thurston, Ruth Leavell, Carman Loucks, Rob Meggit.

A Class — Ken Henry, Mary Banks, Jack McDonald, Gordon Dungey, Norman Dungey.

BORN

ACHESON — At Victoria Corners on Monday, Jan. 23rd, 1933, to Mr. and Mrs. Renfred Acheson, a daughter.

Man in Chicago offered to pay a taxidriver with a couple of gold teeth, but the taxi man did not bite.

25 Less Members In Ontario House

ELECTORAL UNIT 50,000 FOR THE CITIES AND 25,000 IN RURAL RIDINGS

The redistribution bill to be introduced at the session of the legislature next month plans a reduction of 25 seats from the present 112, according to the draft drawn by the committee on redistribution. First reports placed the reduction at 20 seats.

Basis of representation will be 50,000 for city ridings (reducing Toronto's representation from 15 to 13, or possibly 12 seats) and 25,000 for rural ridings, some of which are now as low as 15,000. In the last redistribution, the basis generally was 20,000.

While the reduction will mostly affect rural ridings, the four Yorks will gain one seat. Toronto ridings mentioned for abolition and absorption with others are Dovercourt, St. Patrick and Woodbine.

One of the Wentworth's, probably north, represented by A. L. Shaver, Conservative, may be joined with a Hamilton riding. In London, where there are two seats, one of the two Middlesex seats may be taken into the city. Windsor and the two Essex ridings, and Ottawa,, where there are three seats, each will probably suffer a reduction of one seat. All these ridings are represented by Conservatives.

650 TONS OF APPLES

The Clarksburk evaporator, owned and operated by Mr. Wm. Haines, closed down recently after a continuous run from the last week in September. During that time it handled 650 tons of cull apples, which produced about six carloads of manufactured products, with about 40 tons of waste, which has been disposed of. There were 25 hands employed during the period of running.

The dollars go further these days. Ours have gone so far that we've lost track of them completely.

WATCH REPAIRING

We are now prepared to give a steady and good service on watch and clock repairing.

For an advertising feature for the remainder of January we will have special prices on same.

A special cash discount will be given on any reliable watch, clock or rings ordered through us.

H. SIMS

FLESHERTON

Among The Curlers

A curling rink came down from Markdale on Saturday evening for a friendly game, but the local rink was victorious 10-7. The game was tied at the eighth end and Flesherton made two points at the ninth and one at the tenth end. The rinks were composed of: Markdale—H. Knott, Harold Beard, Dr. McArthur and H. H. Lucas. Flesherton—J. Wright, M. Wilson, J. O. Dargavel and G. B. Welton.

On Monday evening two rinks visited at Owen Sound but lost both games played. The rinks were: F. H. W. Hickling, G. McTavish, J. O. Dargavel and G. B. Welton, skip: Roy Piper, C. N. Richardson, J. R Richards and G. Brackenbury, skip.

Articles Widely Read

Articles which appeared in The Advance at various times have been copied by papers practically over the whole Dominion. Among them are: Stratford Beacon Herald, Galt Reporter, London Free Press, Toronto Star, Chatham News, Ottawa Journal Ottawa Farm Journal, Sault Ste. Marie Star, London Advertiser, Sarnia Canadian Observer, Saskatoon, Sask., Star-Phoenix, St. Thomas Times-Journal, The Broadcaster, St. John, N.B.; Owen Sound Sun-Times, Lethbridge, Alta., Herald; Brockville Recorder and Times.

A FORTUNATE FIND

Tattered Old Policy Discovered in Trunk Proves Valuable Document

The late Mr. A. B. Jamieson of California, a former Walkertonian, who recently passed away in the Sunset State, discovered some time ago a tattered document that had been forgotten for over fifty years in an old leather trunk in the attic of his home in Berkley.

The document was a life insurance policy written with Canada Life on October 8, 1878, in Walkerton shortly before Mr. Jamieson went west to the gold camps. By sending back gold dust to Canada by the famous old Wells-Fargo Express, he kept deposits on the policy for a few years. However, he kept moving from place to place in California and the company had no means of keeping in touch with him. After sight payments he neglected to make further remittances and finally mislaid the policy.

It was therefore, an agreeable surprise for him when he learned that this forgotten policy was worth $982 and that it was unnecessary for him to make payments on the unpaid premiums.—Walkerton Herald.

FOWL SUPPER AND DANCE

A fowl supper and dance will be held on Wednesday, Feb. 8th, 1933, at Thos. E. Fenwick's, Eugenia. Supper served from 6 to 8. Admission: 20 and 35 cents.

A young deer, of dark brown color, was seen by John Kaufman, well-known Inglewood merchant, when driving down the Centre Road, just north of Westervelts Corners.

Annual Meeting Of St. John's Church

Board of Stewards Reduced To Nine Members—Deficit On Year's Work

The annual meeting of St. John's United church was held on Thursday evening of last week, when there was a fairly large attendance of members and adherents. The financial statement was presented, as also were reports from the various societies of the church. Receipts for the year amounted to $2119.12 with expenditures of $2091.88, leaving a balance on hand of $18.24. Against this there are liabilities of $596.63. The M. & M. fund contributions amounted to $507.72. Expenditures by the Trustee Board from the Building Fund were $182.05, leaving a balance on hand of $310.82.

The Woman's Missionary Society raised $262.64 and the Ladies' Aid $267.09, both societies being considerably below the amount raised last year.

The Board of Stewards, on a motion, was reduced from twelve members to nine and was elected as follows: G. Cairns, Chairman; A. Gilchrist, Dr. Bryce, A. Down, E. Best, W. A. Hawken, A. E. Sparks, C. J. Bellamy and Jas. A. Stewart.

On account of it being difficult to secure prominent ministers for anniversary Sunday it was decided to change the date from the first Sunday in July to the third Sunday in September.

Mr. T. R. McKenzie, clerk of the Session, moved, seconded by Dr. Murray, that a vote of thanks be tendered to Rev. Scott, the pastor, and he be invited to remain for another year. The motion was carried. Rev. Scott thanked the congregation for their vote of confidence, but would consider the invitation to remain.

Experimental Work

At the recent 54th annual meeting of the Ontario Agricultural and Experimental Union at the O. A. C. Guelph, W. J. Squirrell, professor of Field Husbandry and Secretary of the Union, announced that 2,500 regulated co-operative experiments, involving the distribution of 10,000 lots of seeds, were conducted throughout Ontario in 1932, and the percentage of good results received was the highest in the history of the Association. "The distribution and the propagation of the best seed of the most suitable varieties is fundamental to successful agriculture," Prof. Squirrell declared. "No livestock or markets improvement program can reach ultimate success unless we not only maintain but continue to improve the yield per acre and the quality of crops we grow." Dr. R. Harcourt, Professor of Chemistry at O. A. C., briefly outlined some experimental work with fertilizers which has been conducted over the last four years, during which time nearly a thousand farmers have co-operated and demonstration tests have been conducted on nearly 4,000 blocks of land. Prof. W. J. Bell then dealt in detail with the results of experimental tests with 15 leading crops. One of the chief points established was that high phosphate, high potash fertilizers have given best results on alfalfa on both light and heavy soils. With potatoes the average increase from fertilizers for the past four years has been 51.3 bushels per acre. In 1932 a 4-8-10 fertilizer, at a cost of $7.82 an acre, gave an increase of 57.8 bushels. The next highest increase was made with an 0-12-10 fertilizer. Gains with turnips were made at a cost from 3 to 4½ cents per bushel. Interesting data was also given concerning mangels, corn and other crops.

Ordained In Hamilton

In Christ church cathedral, Hamilton, on January 25th, Rev. Dean L. B. Broughall was ordained Bishop of Niagara Diocese of the Anglican church. There were 11 Bishops present and over 150 clergy in procession from Huron, Algoma, Niagara, Toronto, Ontario, Ottawa and Montreal Dioceses. Rev. M. F. Oldham, rector of St. Mary's church, Maxwell, was present. The service was in charge of the Senior Bishop Right Rev. J. C. Roper of Ottawa. On the same day the House of Bishops convened in Hamilton and elected Bishop J. C. Roper of Ottawa as Archbishop and head of the Anglican church in the province of Ontario.

North York decided that a person driving a car should not receive relief. Probably that's right enough, but we dare say he might need it.

Japan is not in the mood just at present to listen to any demands made upon her by the League of Nations or anybody else. She has set her objective and will endeavor to attain it.

Grey County Council Had Busy Session With Many Appointments

Reeve McCauley of Flesherton on Roads Committee—R. C. McKnight Appointed Roads Superintendent—New Old Age Pension Board—Surplus on Road Account—Want Investigation on Stock Yards

Emerson Brown of Collingwood was elected to the County Roads Committee on the third ballot. Others contesting for the position were Reeves Howard McCauley of Flesherton, Chas. Holm of Normanby and John McEachern of Proton. Reeve McCauley of Flesherton was elected to fill the unexpired term of H. H. Thompson, who had one year to serve.

Grey County enjoyed a surplus of $27,306.08 this year,, according to assistant treasurer E. D. Bonnell, in his report to County Council. A deficit of $10,000 had existed at the end of 1931. The surplus was mainly made up out of the county road account, which showed $20,558.32 on hand.

Apparently the County Council members were unanimous in their efforts to bring the Provincial Plowing Match to Grey County this fall. A grant of $750 was made to supplement a $750 grant by Owen Sound The city of Owen Sound will also stand the expense of a banquet at that time.

Alex. Stewart of Markdale, a former Deputy-Reeve of Holland, was appointed an auditor of the county to succeed the late Walter Hastie of Holstein. W. R. Cole is the other auditor.

R. C. McKnight of Owen Sound, county engineer for the past eleven years, was appointed county roads superintendent, to succeed Mr. John Johnston. He was the choice out of 44 applicants for the position. His salary will be $2,000 per annum. Mr. McKnight will also retain the position of superintendent of the Suburban Area Commission at a salary of $675, which includes all expenses.

The Grey County Board of Old Age Pensions for 1933 consists of F. H. Rutherford, clerk, reeve John Heighes of Holland, Reeve J. C. Mercer of Markdale, Reeve John McEachern of Proton and Reeve Colin Spence of Sydenham.

George Mitchell of Flesherton was re-appointed trustee of Artemesia High School for a three year term. Neil Norman was appointed for Dundalk and Dr. L. E. Turner for Markdale.

A total of $80,000 was appropriated for expenditure on the highways in Grey County for 1933. Of this $50,000 will go towards maintenance work and $30,000 for construction. $28,000 was set aside for the suburban roads, which is 2,000 less than last year. Of this amount the province pays half, Owen Sound one quarter and Grey County one quarter.

License fees for all auctioneers were set at $20.00, a reduction of $5.

A communication from Dufferin County Council was read in which an investigation was asked into the commission charges for marketing cattle at the Toronto stockyards. Dufferin Council stated that the prices for farm produce, including cattle, were too low. In view of this fact they decided to petition the livestock commission department at Ottawa to investigate the commissions charged at Toronto and take steps to have these commissions reduced. On motion by Reeve W. L. Taylor of Osprey Township and Deputy Reeve Thomas Ramage of Sydenham the Grey County Council endorsed Dufferin County Council's stand.

It was decided on a motion to request the Department of Highways to enact legislation which would give the municipalities some control over the loads of trucks during the months of December, January and February. Such control is now exercised during March and April.

Reeve W. L. Taylor of Osprey will represent the county at the convention of the Ontario Agricultural Council in February.

A grant of $250 was given Mr. T. S. Cooper, agricultural representative, to be spent in a general way for defraying expenses. Mr. Cooper addressed the Council and stated that shortly a swine exhibition train would stop at Ayton, Owen Sound and Flesherton to demonstrate methods of improving the quality of swine.

The education committee recommended that a number of accounts for maintenance of Grey County pupils attending the several collegiate institutes, high and vocational schools be passed and paid, and that the clerk notify all boards receiving county grants that the practice of making refunds on salaries be discontinued, otherwise county grants will be adjusted accordingly. Accounts follow: Hanover High school, $3485.58; Dundalk High school, $3112.53; Durham high school, $5095.10; Meaford high school, $7,734.79; Thornbury continuation school, $3132.43; Flesherton high school, $3739.80; Markdale high school $2995.37; Chesley high school, $1327.55; Collingwood collegiate institute, $1163.52; Chatsworth school, $756.76; Feversham continuation school, $401.86; Singhampton continuation school $383.35; Clifford continuation school, $296.64; Hepworth continuation school $1382.04; Alliston $43.10.

The following grants were recommended: Children's Aid Society $2,100; Salvation Army Rescue Home in London, $300; Canadian Institute for the Blind, $50; South, West and East Grey Women's Institutes, $10 each; hospitals of Grey county in Durham, Hanover and Owen Sound, $500 each. No action was taken in regard to a request for a grant to the Hospital for Sick Children in Toronto.

County Committees

Reeve Davis of Artemesia Is Chairman of County Property

Following is a list of the members of the standing committees of Grey County Council for 1933 with the first named in each case being the chairman,

Finance and Assessment—Messrs. Field, Allan, Brigham, Brodie, Davis, Dawn, Dolphin, Hastie, Heighes, Himmler, Hewitson, Holm, W. H. Hunter, W. S. Hunter, Hutcheson, Kingston, Mercer, McCauley, McColeman, McEachern, McNeil, Riley, Spence and Taylor.

County Property—Messrs. Davis, Allan, Aitcheson, Dolphin, Hastie, Himmler, W. S. Hunter, Kingston, Magwood, Mercer, McEachern, Randle, Ridley and Holm.

Education—Messrs. Brodie, Allan, Aitken, Brigham, Field, Heighes, Hewitson, W. S. Hunter, W. H. Hunter, McCauley, McColeman, Price, Riley, Kingston and Spence.

Printing—Messrs. Aitken, Dawn, Brown, Dolphin, Hastie, Hewitson, Ramage and Taylor.

Agriculture—Messsrs. Taylor, Ballard, Brigham, Brodie, Brown, Davis, Himmler, W. H. Hunter, Mercer, Ramage, Ridley and Riley.

Communications and Memorials — Messrs. Dawn, Aitcheson, Ballard, Brown, Field, Heighes, Holm, Hutcheson, Magwood, Meldrum, McColeman, McNeil, Philip, Randle and Spence.

House of Refuge—Deputy Reeve Thos. Ramage of Sydenham, Warden D. J. MacDonald and Mayor T. W. Thompson of Owen Sound.

Warden's Committee—Messrs. Holm and Davis.

Mrs. Chas. Napier Passes

News has been received by Osprey township friends of the death at Coalwood, Montana, of Mrs. Charles NaPier, a former resident of the 3rd line, Osprey. Mrs. NaPier, who was 72 years old, was a victim of pneumonia. Mr. and Mrs. NaPier left this district about 20 years ago, the former passing away 10 years ago.

The surviving family is comprised of three daughters, Mrs. McLean in Montana; Mrs. Walter Gore, Quebec, and Mrs. A. Blakey, Osprey.
