LADY BANK

The most of this winters flurries have fallen in rain. There was a heavy rain-fall Sunday night, a vast change in the weather from a week ago.

The neighbors and young people from the neighborhood met at the home of Mrs. Elizabeth Dobson and presented Mr. and Mrs. Joshua Dobson, recently married, with a great many useful and valuable gifts. All join in wishing the happy couple many prosperous and happy years of wedded life. The evening was spent in dancing and music.

Mr. and Mrs. Alex. Maxwell and family spent Sunday with Mr. and Mrs. Wm. Harbottle and family of East Mountain.

While Mr. and Mrs. Percy Semple were on their way to Kimberley on Sunday the snap on the breeching broke, letting the cutter run on the horse's heels. The horse kicked and upset the cutter, dragging Mr. Semple over the end of a culvert and got away.

The most business part of the meeting consisted of quilting a donated patch work quilt and distributing goods to be made up for sale. The meeting was closed in prayer by Mrs. Jas. McKenzie, after which a dainty lunch was served by the hostess. The next meeting will be held at the home of Mrs. Walter Wilson on March the 8th.

Ontario Apples Only

"As a further indication of the growing demand for graded Ontario-grown apples, J. B. Fairbairn, Deputy Minister of Agriculture, has been advised that still another prominent Toronto fruit distributor will, in future, handle graded apples exclusively.

An inspector of this fruit house intimated to Mr. Fairbairn that his organization had adopted this policy because of the fact that it is now easy to procure almost unlimited supplies of carefully graded apples, grown in Ontario orchards. Another point mentioned was that the public demand for Ontario apples is increasing most noticeably.

REAL BLIZZARD TUESDAY ROAOD KEPT OPEN

Tuesday morning a real blizzard struck this section and before the day had finished about a foot of snow had fallen. The storm, fortunately, was accompaned by mild weather. Tuesday afternoon the government plow went through to clean the road of the many drifts. Since the season is so far advanced the government considers it best to keep the road open for motor traffic.

Rural Brotherliness

The present temper of farmers refusing to buy farm chattels at low prices when an unfortunate neighbor is forced to sell his stock to liquidate some debt contracted when farmers produce had full dollar value was again demonstrated near Watford on Wednesday afternoon when one hundred or more farmers gathered at an advertised farm sale and despite efforts put forth by the auctioneer and bailiff, there were practically no bids made and the officers postponed the sale.

To settle the demand of creditors, and avoid confiscation of the farm goods by the county sheriff, a score or more farmer friends collected a sum of money, totalling a few hundred dollars, to stop the unfortunate affair.—Chesley Enterprise.

EUGENIA

Oh those icy waters of the Hydro Lake.
You'd think our village fellers
wouldn't be fond
Of cutting ice on the Hydro pond.
For they sure did get a thrill
And after that, a chill.
Jack Large was the first to go
While cutting a block of ice,—just so,
Down went one foot in the icy blue,
He thought that would surely do.
Then Charlie Martin was the next,
With two feet down, he was perplexed
He scrambled out—so cold, so vexed.
Then John Parks came next in line,
He thought it everything but fine,
When one foot slipped in the waters cold,
What he did say—I am not told.

Rev. McNeill read as scripture lesson, Psalm 119, verses 89-104, taking as his text verse 99. He also spoke on missions relating us stories of Indian life which were listened to with rapt attention. He intends giving us further talks on missionary work which is an important part of church work.

The Sunday school attendance in the afternoon was 48. It is gradually enlarging. Collection taken $1.40.

The meeting of the Women's Association was held on Thursday, Feb. 16, at the home of Mrs. Morgan. There were nine members and six visitors present. The program, which was provided by Mrs. Alex. Cameron and Mrs. Morgan consisted of readings by, Mrs. Latimer, Mrs. C. Martin and Mrs. Roy McMillan and a duet by Mrs. Morgan and Miss Georgina Smith. The social which was postponed was set for March 15, and to be in the form of a St.Patrick's social to be held in the basement of the church. It was planned to make articles up to 25c from bleached flour sacks and have them ready to sell at the social. It was contemplated to make an autographed quilt. It was decided to hold the next meeting at the home of Mrs. Adam Smith on March 16th, Mrs. Wilfred Magee and Mrs. Chas. Martin having charge of the program and lunch. The collection taken amounted nearly to $1.00. A social half hour was spent over the tea cups, a lunch of sandwich and cake being provided by Mrs. Cameron and Mrs. Morgan, which was heartily enjoyed.

The Valentine social given in aid of the Sunday school of the United church was a decided success. The silver collection taken amounted to $5.50.

One night recently, a fellow from a certain town thought he's motor to Eugenia to visit a lady friend. A short distance from Eugenia, he was handicapped by too much snow to motor further so he got a farmer's horse and cutter. When he was ready to depart, the cutter had disappeared, but after considerable hunting was located. I suppose one of the village sports thought it was Hallowe'en and took the notion to play a prank. I'll bet you—that young fellow is saying, "It's a long lane that has no turning." Advice—Bring an aeroplane next time.

Miss Kathleen Pedlar of Markdale spent the week end at her parental home.

We are pleased to see Mr. Ken Kaitting able to be around the village again in his usual happy mode, after having the nurse's attention for a few days recently.

IN MEMORIAM

TURNER — In ever loving memory of our dear Jamie who entered into eternal rest on Febraury 25th, 1925.

This world may change from year to year,
And friend from day to day,
But never shall the one we loved,
From memory fade away.
The years may wipe out many things
But death may wipe out never
The memory of those happy days,
When we were all together.

—Sadly missed by loved ones.

NEVER SAY DIE

Is a man ever a failure? When Abraham Lincoln was a young man he ran for the legislature of Illinois and was badly swamped. He next entered business, failed, and spent the next 17 years of his life paying up the debts of a worthless partner. He fell in love with a beautiful young woman, to whom he became engaged, then she died. Entering politics he ran for Congress and was badly defeated. He then tried to get an appointment to the United States Land Office but couldn't. He became a candidate for the U. S. senate and was badly defeated. In 1856 he became candidate for the vice presidency and was again defeated. Two years later he was defeated by Douglas. But in the face of all this defeat and discouragement, he eventually achieved the highest success obtainable in life, an undying fame to the end of time. The courage of Lincoln knowns no failure.

Wish Later Thanksgiving

The Canadian Poultrymen's Association have solemnly declared in favor of a later date for Thanksgiving Day definitely fixed for the Sunday (Monday?) nearest November 11. It is held by the hen men that when Thanksgiving is fixed for early fall the poultry is not matured, and the appetite of the public is not sufficiently stimulated to be helpful to this ever advancing industry. The request is reasonable, and a favorable response from the powers that be, would, we feel assured, be generally approved.
