Holdfast U.F.W.O. Club

The Holdfast U.F.W.O. Club met at the Park House, Flesnerton, on Feb. 8th, with 19 members and 3 visitors present, Mrs. Ben MacKenzie being the hostess. After singing the club song and repeating the creed the roll call was answered by a Valentine verse. When the usual part of the business had been attended to, an excellent program took place. Mrs. Henry Tucker told the story of St. Valentine. Mrs. Robt. Best gave a paper on an old time barn raising. Mr. Parish a representative from the Toronto creamery, addressed the meeting on cream grading and testing etc.

The meeting closed by singing the National Anthem. Lunch was served and a social half hour spent. The March meeting will be held at the home of Mrs. John Nichol at 2 p.m.

It is queer how unfailingly the neighbors find you out, and how seldom the bill collector does.

County Crown Attorney Speaks About Fees

Claims Statement Of Funds Is Misleading To Public Only Received $5,164.88

Both the councils of the county of Grey and the city of Owen Sound have attacked the remuneration of $10,000 received by Mr. W. D. Henry, K. C. of Markdale, County Crown Attorney, for the year 1932. In a letter to the Owen Sound Sun-Times Mr. Henry defends his acceptance of the money on account of the increase of court cases and inquests since the time that the late T. H. Dyre, former Crown Attorney, who received $3,200 for his services. Mr. Henry's reply, in part, is as follows:

Mr. Henry pointed out that during the year 1932 he received in his capacity as County Crown Attorney and Clerk of the Peace the sum of $9,821.62. From this amount is deducted $2,275.38 as his expenses, which includes office help, telephone, travelling and hotel expenses. There is also a statutory remittance to the Government of $2,480.36, making a total of $4,655.74, all of which comes out of the total of $9,821.62, leaving a net balance of $5,164.88. Mr. Henry also states that the Government refunds to the county the sum of $2,989.00 due to a working arrangement between the county and the province.

Referring to the statement that the late Mr. Dyre had received a total of $3,200 Mr. Henry stated that in 1923 Mr. Dyre commuted his fees for both of the offices he held and that in that year he received $3,010 for his services as County Crown Attorney, $1,500 for his services as Clerk of the Peace, and $100 for expenses, making a total of $4,610.00. Since that time the criminal business of the county has doubled and tripled, claims Mr. Henry. He gave figures to bear out his contention in this regard and pointed out that in 1930 the Crown Attorney attended 131 cases in police court in the city and county, three cases were prosecuted at the General Sessions of the Peace and eight cases in the County Judge's criminal court. In 1932 there were 357 cases in police court in Owen Sound and county, 1 case before the General Sessions and 7 cases in the County Judge's criminal court.

Mr. Henry also referred to the number of inquests which he was called upon to attend. He states that in 1930 the late Mr. Dyre attended 9 inquests, and there were but 6 of these in 1932, but he points out that since June 10, 1931, when he assumed office he has had 14 inquests, and there were 202 police court cases from June 10 to December 31, 1931, and 143 police court cases from January 1 to June 10 the same year, prior to his taking office. In 1932 there were 98 liquor control cases as compared to 55 in 1930, showing an increase in the duties of the Crown Attorney.

Second Game Won On The Dundalk Rink This Year

Displaying aggressiveness and combination on their attack and maintaining a strong defence throughout the Flesherton seniors out-played the Dundalk seniors in the latter's rink on Tuesday night of this week to the tune of 7-8.

McCutcheon sent the locals off to a good start by scoring in the first few minutes of play on an assist from Best. Dundalk scored on a scramble and this was followed by Boyd shooting one that trickled through Patton's pads. Before the period ended Dundalk scored again tieing the score 2-2.

In the second frame Sled Scored 2, while Boyd, Johnson and Best scored one each, Dundalk scoring 3, making the score 7-5. In the first few minutes of play Mel. Thompson received an injury to his knee when he ran into McCutcheon, which kept him from playing the rest of the game.

In the third period Dundalk came out strong in a final effort to come out on top and scored two goals before McCutcheon netted one for Flesherton. This ended the scoring, but Gibson was kept busy to keep out the shots that were whizzed at him in the last few minutes of play.

The game was clean throughout, with no penalties being handed out by referee Murcar, who kept the play well in hand.

Flesherton — Goal, Gibson; defence, E. Johnson, M. Johnson; centre, H. Best; wings, H. McCutcheon, B. Patton; alternates, G. Boyd, G. Sled.

Dundalk — Goal, R. Patton; defence, C. Thompson, M. Thompson; centre, Meldorf; wings, Bill Claridge, R. Livermore.

HEALTHY PIGS

In an address at the outset of the Swine Demonstration Train, Dr. L. Stevenson, provincial zoologist, emphasized the importance of health in growing pigs. Healthy pigs, if properly fed, should be ready for the market at from six to seven months old. Pigs that did not reach the market weight at this age were either improperly fed or were not healthy. Internal parasites were one of the common causes of unthrifty hogs, and the farmer should always be on the lookout for possible infection from internal parasites. Sanitation and cleanliness were essential in the hog industry. Common treatments were recommended which may be secured by writing the provincial zoologist Dr. Lionel Stevenson, Ontario Veterinary College, Guelph, Ont.

She leaves to mourn four sons and one daughter, Ross and Wellington of Markdale, Leonard and Clarence at home, Delbert residing south of the home and Stella (Mrs. Wes. Smith) of Rock Mills.

LOCAL ITEMS

Mr. Norman Stoddart visited the past week end with his parents, Mr. and Mrs. Wm. Stoddart and family of Markdale.

When he fell on the icy sidewalk in front of the Park Hotel, Tuesday morning, Mr. John MacMillan of town suffered a broken arm.

Last week a gentleman in town was busy filling a cigar lighter when the gasoline overflowed and soaked the gloves he was wearing. When the lighter was lit fire took hold of the spilled gasoline and in a few seconds his arm was in flames. Before any burns were sustained he plunged his arm in a pail of water and the fire was extinguished.
