Wind, North-west, very light.

HORROCKS COCKS.

The *Globe* announces by cable telegram that Mr Edwards, who went out charged by the Government with the duty of inquiring into the charges preferred against Rev. Horrecks Cocks, "has assumed the chief commissionership for England and Wales; in place of Mr Horrocks Cocks, who appears from the despatch to have resigned that office." And thereby hangs a tale. But what has Horrocks Cocks done to the *Globe* that it only styles him "Mr." Aforetime it gave him the prefix of "Rev." and loudly contended that he was entitled to it, and had done nothing to disgrace the cloth. Why has it dropped the "Rev." and given Horrocks Cocks simply the title of "Mr"? —*Belleville Intelligencer.*

SYNOD OF THE PRESBYTERIAN CHURCH AT MONTREAL.

The Synod of the Presbyterian Church in connection with the Church of Scotland opened this evening, at seven o'clock, in St. Andrew's Church. There was a very good attendance of ministers and elders, although some from Western Ontario will not arrive till to-morrow morning. The retiring Moderator, Rev. Dr. Hogg, of Guelph, conducted the devotional exercises, and preached a very able sermon from the Gospel of St. John, 17 chapter and 20 verse.

The Synod being constituted, the clerk, Professor Mackerras, of Queen's College, read the Synod roll. The retiring Moderator then nominated Rev James Patterson, of Hemmingford, Quebec, as Moderator of the Synod, and on a motion to that effect being made by Rev. Mr Morin, of Pakenham, seconded by Rev. Mr Gordon of Ottawa, Mr Patterson was duly elected. On being conducted to the chair, Rev. Mr Patterson returned thanks for the high honour conferred upon him.

A vote of thanks was next passed in favour of the retiring Moderator for his conduct in the chair, and the able sermon he had just delivered.

A committee was appointed to prepare a memorial as a tribute of respect to those members of the Synod that have been removed by death since the last meeting.

Committees were also appointed on business bills and overtures; in reference to complaints and appeals; to revise Synod and Commission and presbytery records; to draft an address to the Queen and Governor-General; and to report on the application for leave to retire from active ministerial duty.

The following three gentlemen were then elected as trustees of Queen's College for the ensuing year, namely, Rev. Donald Ross, of Chatham; Rev. K. MacLennan, of Peterborough, re-elected; and Rev. Neil McNish, of Cornwall, in the room of Rev. Dr. Barclay.

The Synod then adjourned till eleven o'clock to-morrow.

TERRIBLE ACCIDENT.—On Tuesday morning last as a man named John Kingsbury was oiling a shaft in the Newburgh Paper Mills, his loose shirt sleeve caught in the pulley and dragged his arm around in the shaft, lacerating it in a dreadful manner below the elbow and breaking it between the elbow and the shoulder. It was at once amputated below the elbow, but since it has been found necessary to amputate it above the part broken. The occurrence was purely accidental, and no blame whatever is attached to any of the employees, or to any lack of precaution on the part of the proprietors, Messrs. Rookhidge & Thomson, against accidents. Mr Kingsbury was one of the best workmen in the establishment, and his misfortune creates universal sorrow. We were glad to hear on Wednesday morning that Mr Kingsbury was much better; and although at first it was feared he would not survive he is now doing well.—*Napanee Standard.*

Johnson's Anodyne Liniment may be used to advantage where any Pain Killer is desirable. In cases of severe cramps and pains in the stomach, it is undoubtedly the last article that can be used.—*Adv.*

Office of Evans, Mercer & Co., Wholesale Druggists, Montreal. November, 1871.—Mr James I Fellows. Dear Sir: We have a large and increasing demand for your Compound Syrup of Hypophosphites, and there is no doubt that as its valuable properties become more generally known, its sale will still further increase.

The best proof of the efficiency and high character of the preparation is that medical men are largely prescribing it; and we hear from Dispensing Chemists that prescriptions for Syr: Hypo: C. Fellows are daily on the increase. We are, yours respectfully,

Adv. EVANS, MERCER & Co.

SPECIAL NOTICE.

THE INTRODUCTION OF Dr. WHEELER'S COMPOUND ELIXIR OF PHOSPHATES AND CALISAYA constitutes a new era in popular medicine, as it is seldom that a purely scientific preparation, compounded on physiological principles, is offered to the public. Being composed only of ingredients that enter into the formation of the system, it is perfectly safe under all circumstances, and may be taken with benefit wherever there is nervous prostration and general debility from whatever cause. It immediately augments and sustains the vital forces, imparting vigor to all the organs of the body. It is especially adapted to women prostrate with family cares, and delicate children, being as agreeable to take as the finest liqueur. Sold by all druggists at $1.

E. H. PARKER.

LIEBIG'S
Liquid Extract of Beef
AND TONIC INVIGORATOR.

BESIDES the Condensed Beef prepared from the best parts of the animal, the preparation contains Quinine, Peruvian Bark, and numerous herbs and roots grown for their tonic and health-giving properties.

THIS IS THE ONLY CONDENSED BEEF THAT DOES NOT REQUIRE COOKING OR WARMING. It was especially manufactured under the direction of BARON VON LIEBIG, before the FRANCO-PRUSSIAN WAR, for the German soldiers. Its tonic qualities are much greater than those found in any ordinary Specific or Appetiser, and its nutritive properties are sufficient to sustain the body without the addition of solid food. It is now recommended by the Faculty in preference to anything else as the best remedy for CONSUMPTION, GENERAL DEBILITY, LOSS OF APPETITE, LOWNESS OF SPIRITS, INDIGESTION, DYSPEPSIA, LASSITUDE, &c.

No article has yet been discovered that is so effective in all cases of failing health in the old or weakness in the young. This preparation is not only the best, but it is the cheapest Beef Extract offered to the public: TWO TABLESPOONFUL being sufficient THREE TIMES A DAY.

Great care should be taken in purchasing the LIQUID BEEF EXTRACT. See that the bottle contains the German Label and Certificate from Professor Wagner, of the University of Wurtzburgh, and that it is prepared by the Liebig's German Beef Extract Co., of Hamburg, as other Extract of an inferior quality have been put on the market.

Sold by all Hotel keepers, Grocers, and Druggists throughout Canada.

☞ Price 60 cents per bottle.
