PROTON STATION

At an early hour on Mother's Day Mrs. Matilda Park, passed quietly and peacefully away to the spirit world, leaving to mourn her loss a family of three: Ida (Mrs. Peter Pickett) of Bolton, Joseph on the homestead near Proton Station and Miss Lena at home, who has faithfully and lovingly ministered to the needs of her invalid mother for many years. Her husband, the late Wm. Park, predeceased her thirteen years ago and several years before that her eldest daughter died. Mrs. Park was a daughter of the late Mr. and Mrs. Charlie White of Saugeen Jct. She is the last of a family of six and was in her eightieth year. She married the late Mr. Park of the same neighborhood and lived there until her son married and took over the farm, when they retired to Proton Station. For many years Mrs. Park suffered rheumatic pains, until her limbs and hands were twisted out of shape. For the past twenty-two years she has not walked. Her mind was clear and alert until the last, and was interested in everything and everybody. She enjoyed the visits of her numerous friends, never uttering a complaint about herself, and was always solicitous of the welfare of others. She will be greatly missed by everyone.

There is never a way so narrow or short
But the Master's work is there;
There is something to do for His dear sake,
Or something to calmly bear.

Mrs. Park bore her affliction with Christian fortitude. The funeral will take place on Tuesday, May 16, at 2 p.m. from her late home to Flesherton cemetery. The local ministers, Mr. Young and Rev. F. M. Oldham, rector of the Anglican church will officiate.

The sudden death occurred at Proton Station last Friday morning, May 12th, of Mr. William McNalty of Swinton Park, who came Thursday to visit his brother, Mr. John McNalty, who has been ill for several months. Soon after his arrival he was seized with acute pain. A doctor was summoned and everything was done for his relief, but death came in a few hours. Much sympathy is felt for his bereaved family, also for Mr. and Mrs. John McNalty of this place.

Mother's Day services were held in both the churches on Sunday.

Miss Gertrude Lyons and the Misses Acheson were home for Mother's Day.

The special meeting of the ratepayers of School Section No. 7, Osprey, was held in the school room on Monday evening. Mr. Harvey Pedlar, the present Sec.-Treas., was elected a trustee in the place of Mr. Black who resigned. The new School Board as it stands now is Messrs. Howard Short, Ern. Hawton and Harvey Pedlar. They find themselves in rather an embarrassing position re the financing of the school. They have practically no money on hand, the surplus of a year and a half ago having melted away and money will have to be borrowed at the end of this term. Then the ratepayers who had been so strongly assured by the former Sec.-Treas. that the surplus grants would pay the debentures of the new part of the school, erected five years ago, will be called on to pay the remaining ten yearly debentures, which will amount to about $5.50 per thousand dollars of every ratepayer's assessment yearly, and for less assessment in a less proportion. Did it pay to have the new school? This is the question asked, and the answer from a great many ratepayers is NO. The School Board will have to employ two new teachers for the next term also, as the principal, Miss Dempsey, and the public school teacher, Miss Bradley, have resigned.

The annual Mother's Day anniversary was observed in the church here on Sunday. There was a good attendance. Parents and friends joined the children in the special Mother's Day program. Rev. Mr. McNeill read Psalm 33 as Scripture Reading and then in his sermon he dwelt upon the wonder of Mother Love and the way it may be interpreted to comprehend the infiniteness of Divine Love. His address was illustrated wonderfully by pictures by his own pen and from papers. The choir which was composed of mothers rendered a special selection, "Mother's Story." Miss Donalda Sloan acted as organist for the occasion. Flowers were in profusion at the front of the church. Churchgoers wore flowers,: a colored bloom in tribute to living mothers and a white flower in everlasting memory of those departed. The Sunday school occupied the centre pews of the church and each class was present with its teacher.

Canada is to have a representative at the Wheat Conference in Geneva. It would appear to us that any wheat conference without a Canadian delegate would be an empty affair and to no real purpose.
