Dominion of Canada.

People at Yorkville, Toronto, have to drink water into which rat offal and other nice animals had been thrown. The *Mail* thinks that this is very reprehensible.

J. Manley, of Toronto, has been spreading poison in his back yard to kill rats. J. W. Coleman's pigeons made a raid upon the poison, and quickly turned up their toes. Coleman now sues Manley and alleges "malice."

Mr E. Parent, for very many years connected with the Government service, retires on superannuation allowance. He has been the parent of many good things, and is entitled to his kudos.

Hon. George Brown is off to England, but promises to return in time to be questioned as to that $50,000 of stock in the Pacific Railway.

Among the members of the Orange Order present at the celebration in Carleton Place on Saturday, was a gentleman from Lodge 505 in the city of Dublin; he wore the regalia of the Order, and it contrasted somewhat favourably with that worn by some of the Canadian brethren, the latter in many cases being tawdry in the extreme.

The usual celebration of the Orange body took place at Newburgh village on the 12th. There was quite a large turn out. The day was very fine, and, with a few exceptions, passed off quietly.

The Right Hon. Sir John A. Macdonald, K.C.B., and family, left on Monday for River du Loup. Sir John has been persuaded by his colleagues to take a few days of much needed recreation. Since the session his duties have been very arduous, and he has worked both early and late without even showing signs of fatigue. But there must be a time for rest, and we are glad that Sir John has consented to take a couple of weeks to enjoy the cool sea breeze of the Lower St. Lawrence.—*Ottawa Times.*

The anniversary of the Battle of the Boyne was celebrated at Belleville with considerable *eclat* by the Orangemen and Young Britons of that town. At nine o'clock the brethren marched through the principal streets of the town, accompanied by two bands of music, and made a good display. The streets were crowded during the passage of the procession. The steamer Norfolk brought a large number of passengers from ports on the bay to swell the number of sight-seers in town. A picnic, which was largely attended, was held on Massassagua Point. The celebration was general through the district. Meetings were held at Moira, Shannonville and Stirling. Mr Bowell, Grand Master, was at the Moira demonstration. The weather was all that could be desired.

SPECIAL NOTICE.

IT IS NOT WHAT YOU EAT BUT WHAT you digest that makes you strong. Unless the food taken is perfectly dissolved, assimilated and converted into pure blood, general nervous and physical prostration inevitably result; the whole system is impoverished; degeneration of the organ and tissues follows, and if there be hereditary predisposition to scrofula or consumption it will surely be developed and the constitution gradually broken down. The foundation of good health and a sound mind is a vigorous stomach and perfect nutrition. Dr. Wheeler's Compound Elixir of Phosphates and Calisaya is Nature's own remedy for derangements of the digestive organs, purely physiological, harmless, and positively certain to restore nervous and muscular force.

LIEBIG'S Liquid Extract of Beef AND TONIC INVIGORATOR.

BESIDES the Condensed Beef prepared from the best parts of the animal, the preparation contains Quinine, Peruvian Bark, and numerous herbs and roots grown for their tonic and health-giving properties.

THIS IS THE ONLY CONDENSED BEEF THAT DOES NOT REQUIRE COOKING OR WARMING. It was especially manufactured under the direction of BARON VON LIEBIG, before the FRANCO-PRUSSIAN WAR, for the German soldiers. Its tonic qualities are much greater than those found in any ordinary Specific or Appetiser, and its nutritive properties are sufficient to sustain the body without the addition of solid food. It is now recommended by the Faculty in preference to anything else as the best remedy for CONSUMPTION, GENERAL DEBILITY, LOSS OF APPETITE, LOWNESS OF SPIRITS, INDIGESTION, DYSPEPSIA, LASSITUDE, &c.

No article has yet been discovered that is so effective in all cases of failing health in the old or weakness in the young. This preparation is not only the best, but it is the cheapest Beef Extract offered to the public: TWO TABLESPOONFUL being sufficient THREE TIMES A DAY.

Great care should be taken in purchasing the LIQUID BEEF EXTRACT. See that the bottle contains the German label and Certificate from Professor Wagner, of the University of Wurtzburgh, and that it is prepared by the Liebig's German Beef Extract Co., of Hamburg, as other Extract of an inferior quality have been put on the market.

Sold by all Hotel keepers, Grocers, and Druggists throughout Canada.

Price 60 cents per bottle.
