The Car You Buy Must Live in the Same Town With You

WHEN a man buys an automobile he must consider the town he lives in as well as the car he buys. The measure of strictly local responsibility back of the car, the local facilities for service, the interest of the local dealer in the welfare of the owner—these are some reasons why we are selling satisfaction with every new or used car we deliver.

Saturday morning last, May 13, citizens came to wakefulness by "How do! How do, folks! Here we are again." This from the silvery throat of Sir Baltimore Oriole, who had just arrived from his winter's sojourn in the South.

Quite a number of our citizens motored through the Niagara peninsula on Sunday and enjoyed the bloom of the cherry and peach blossoms, which were at their height of color. It is an impressive sight to view the large orchards with the trees loaded with blossoms.

We notice by St. Thomas papers that Ruth Crossley, the 10-year-old daughter of Mr. and Mrs. Will. Crossley of that city, had won the gold medal for elocution in a contest comprising all of Elgin county. Mr. and Mrs. Will. Crossley of town are justly proud of their granddaughter's accomplishment.

Mrs. Oscar Phillip's name was on the lucky ticket and she secured a lovely quilt, which she prizes highly.

Baseball Chatter

It looks very much as if there will be a Centre Grey League this year, as already Clarksburg, Kimberley and Vandeleur have signified their intention of joining and an attempt is being made to have Dundalk and Markdale put in entries. A meeting has been called for Thursday evening in Kimberley for the purpose of discussing the organization of the League. If it goes through there should be plenty of baseball here this summer.

Practice is being held for the Flesherton team on Monday, Wednesday and Friday nights. On Monday night a large squad was out and for an hour and a half were given a real work-out.

A. C. Muir of Ceylon was out and put extra pep in the infield at short while Cecil McTavish was performing as of old at second base.

There are plenty of good fielder available and it will be quite a job selecting the best from the many trying for the various positions.

One can notice considerable improvement in the squad after only a few practices and they should come rapidly into shape.

Bob Phillips suffered a painful accident at practice Monday evening when he was struck on the mouth by a ball and sustained a broken front tooth and a cut lip.

Strange as it may seem, no young fellow wants to meet a girl jhst because she was the winner of an oratorial contest.

Softball Team Won

Softball is in full swing again and it looks as if Flesherton is going to have a snappy team. On Thursday evening the mixed team of the Presbyterian Guild played an exhibition game of softball with Priceville on the latter's field and gave them a real trimming to the tune of 25-5. Priceville's team lacked practice and that is the main cause of their big defeat, but since then they have been out to practice every night and on the return game next Thursday evening to be played at the high school at 6.30 p.m. they hope to win back their laurels with a reverse score. G. McMaster pitched a real game of ball and was the main cog of the Flesherton team, while H. Best was the batting ace, making four home runs. Don't miss the game on Thursday night.

Flesherton — Catcher, H. Best; pitcher, G. McMaster; 1st., Mary Wilson; 2nd., Ella McRae; 3rd., Marion Stafford; s. s., D. Smith; c. f., M. Stuart; l. f., G. Boyd; r. f., D. McRae. Umpire — F. Shackleton.
