CANADA
LIFE ASSURANCE COMPANY.
ESTABLISHED 1847.
THE UNPRECEDENTED SUCCESS of this Company may be seen by the following comparison of the new transactions of each year:

1868, 447 new policies for	$ 567,894
1869, 831 "	1,156,855
1870, 1,063 "	1,584,456
1871, about 1,550 do. for -	2,350,000

While this extraordinary and gratifying increase of public support and confidence is due in some measure, to the large profits the Company was lately able to divide among its policy holders, it is doubtless also to be attributed to the fact that this is a strictly Canadian institution, charging low rates of premium, and offering every reasonable advantage which prudence and safety can suggest.

MENTION HONORABLE GENERAL EXCELLENCY
Alkabasar
THIS elegant Turkish Tonic is one of the most salutary and delicate preparations ever submitted for public approval in this hemisphere, and asserts its pretensions to patronage on the following grounds:
That it is a preparation of one of the most eminent Purveyors to the Ottoman Court.
It prevents acidity of the stomach.
It relieves lowness of spirits.
It is a mild and invigorating tonic, and a most efficient but innocuous stimulant.
It renders the breath sweet and agreeable.
It stimulates the appetite if taken before meals.
It promotes digestion if taken after meals.
It neutralizes the propensity for strong liquors.
It renders the intellect bright and clear.
If taken habitually it imparts vitality and energy to all the bodily organs.
By its use a man of 70 will become, as it were, restored to the elasticity of 30; and to persons of delicate constitutions it is strongly recommended.
It is an especial favourite with Oriental ladies.
Secure, then, health, longevity and vital energy by the habitual use of the
ALKABASAR TURKISH TONIC.
Kept in stock by the principal Druggists and Grocers in the Dominion.

Batchelor's Hair Dye.

This splendid Hair Dye is the best in the world; the only true and perfect Dye. Harmless—reliable—instantaneous—no disappointment—no ridiculous tints—"does not contain lead or any vitalic poison to injure the hair or system." Invigorates the hair and leaves it soft and beautiful; black or brown. Sold by all druggists and dealers. Applied at the Factory, 16 Bond Street, New York.

Coughs and Colds.

Sudden changes of climate are sources of Pulmonary, Bronchial and Asthmatic affections. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should at once be had to Brown's Bronchial Troches, or Lozenges. Few are aware of the importance of checking a cough or "common cold," in the first stage. That which in the beginning would yield to a mild emedy, if neglected, soon attacks the lungs, Brown's Bronchial Troches, or Cough Lozenges allay irritation which induces coughing, having a direct influence on the affected parts. As there are imitations, be sure to obtain the genuine.

Sold by all dealers in medicines at 25 cents a box.

Mothers! Mothers!! Mothers!!!

There is not a mother on earth who has ever used it who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States.

Price 25 cents. Sold everywhere.
