\$3,500,000 Army Depot To Be Built At Cobourg

Word from Defence Minister Claxton was that construction will start in two months on the building, which will employ 1,500 persons, mostly civilians. It will be known as the Central Command ordnance depot.

Covering the 125 acres at the north-east end of this town 35 miles east of Oshawa, the depot will serve as assembly and distribution point for army supplies.

Defence Minister Claxton announced today an extensive \$3,500,000 army ordnance supply depot will be at Cobourg and indicated it might be used as an overseas supply point "when the St. Lawrence Seaway is completed."

Construction of the three-building project will start within the next two or three months on the 105-acre tract of land of which 72 acres were turned over by the Town of Cobourg for the nominal sum of \$1.

Mr. Claxton said the decision to build at Cobourg was after an extensive study of a number of places. The decision was finally based on its proximity to both transcontinental rail lines and the existing dock facilities, which opened up "the possibility of trans-oceanic shipping when the St. Lawrence seaway is completed."

This was taken as an indication that when ocean-going ships could dock at Cobourg, the depot would be used to send supplies to Europe.

Halifax was the major supply port in the last war.

Meanwhile, the depot will be used to provide necessary warehousing for general stores and equipment and will house 18,000 different items used in the day-to-day activities of the army, ranging from toothbrushes to uniforms and tents.

The buildings will be of the most modern type. Contracts will be awarded by tender.

Jr. Farmers' Annual Meet

The Durham County Jr. Farmers recently held their annual meeting in the Orono town hall. There was a good representation of juniors from all parts of the county.

Mr. E. A. Summers, introduced the guest speaker, Mr. A. Barr, director of Boys and Girls Clubs. Mr. Barr accompanied four boys to Scotland and England last year. He showed slides pertaining to their trip and gave a commentary along with them.

The delegation sailed on the Empress of Scotland and, like real sailors were not sea sick. While across the pond they stayed at the farm homes, living right with the people, thus learning how the people really live and farm. The four boys and Mr. Barr visited many of the outstanding farms of Scotland and England, and also saw many historical buildings. Some they saw were Westminster Abbey, St. Paul's Cathedral, Buckingham Palace and Balmoral Castle, the Royal residence in Scotland.

Farncomb Legresley thanked Mr. Barr for his splendid address.

Betty McHolm gave a report on the Jr. farmer convention at the O. A. C. last month. Also Hazel White gave a report on her trip to 4 H. Club Congress in Chicago.

Miss Jean Noble explained to the boys the rules and regulations of the Jr. Girls Home making Club.

The election of officers resulted as follows: Past president, Murray Lord; President, Ray Challice; Vice president, Farncomb Legresley; Sec. Treas., Merrill Van-camp.

The regular meeting of the Woman's Institute was held, May 18th in the Council Chamber of the Orono Town Hall. Mrs. O. W. Rolph, the president, presiding.

The meeting opened with the Institute Ode, followed by the Lord's Prayer. The secretary-treasurer's report was given by Mrs. Robinson.

It was decided by the Institute to procure a bus for the members attending the Institute Convention to be held at Maple Grove on May 30th. The most interesting programme of the year was Mrs. Copeland's talk on violets.

Mr. Eustace then installed the officers for the coming year. A social hour followed.

Mrs. Logan and Mrs. C. Cooper were conveners. Mrs. W. Cobbedick led in community singing with Miss Sherwin at the piano.

Mr. Sid Rutherford spoke on Citizenship and Education, emphasizing the need of discipline and the choosing of proper shows for children. The best education does not always come from the largest and most elaborate schools. Good teachers and the co-operation of pupils is very important and creates an atmosphere for clear thinking.

A vote of thanks was given Mr. Rutherford for his thoughtful message.

The meeting closed with God Save the King.

During the program Mrs. James Brown sang Mother my Dear, My Shadow, and The Lord's Prayer. Two Piano solos by June Wood Selections by Rev. Turner, Wedding Feast and a Poem, Bride and Guest. There were 7 girl contestants, Joan Carbury, Gloria Piggott, Doreen White, Elaine Sutcliffe, Beryl Reichrath, Dianne Phassey, Muriel Gibson and four boy contestants, Allan Days, Milton Rainey, Bert Werry.

Muriel Gibson was winner of the Silver Medal for the girls and Clifford Days was winner for the boys.

Rev. Turner presented the medals and spoke very highly of the Contestants. He said they were excellent. Mrs. H. Walsh asked all the contestants to come to the platform and presented each with a book. The program closed by singing God Save the King and Prayer by Rev. Turner.

The Hon. Major John W. Foot, V. C. addressed the Newcastle Lions and their sons at the Father and Son Banquet held on Thursday evening of last week.

The guest speaker was introduced to the gathering of fifty by Lion Keith Aiken who brought to light many interesting facts of the life of Major Foote.

In the address that followed, the speaker, told the youth that Canada was a Country of great opportunity and that we were living in a great age. To-day Canada, he said, is in the same position as the United States was some forty years ago and that a remarkable progress will be witnessed in the future.

Major Foote pointed out the importance of teaching tolerance and strength of character for a more unified country. In Canada are both the French and English speaking class and along this thought the speaker believed that the immigration laws should allow more people access to our country. He pointed out that in the U. S. there are many races, but none are foreigners and all are Americans, this he thought was a remarkable accomplishment by our southern neighbour.

The first German parade seen by the speaker was told to the boys present and it was astounding how Hitler had taught the German youth that material strength was all that counted in the world. Hitler had further imbedded in the minds of the Germans that religion was a sign of weakness. The lack of teaching tolerance and moral character was a big factor, said the speaker, in the breakup of this country. In Canada every village and hamlet has at least a school and a church where the character of youth is moulded. This fact builds into the lives of young Canadians a definite strength of character.

Major Foote said that we should work towards a better Canada and a better British Empire.

To the youngsters at the banquet he said that regardless of the "Good Old Days" of our fathers and grandfathers, it was now the greatest of all times for Canada. Youth is certainly a credit to the country and it is to these citizens that we are looking forward to carry the future burdens and responsibilities of this great and vast Dominion.

Lion Frank McMullen, on behalf of the club, thanked the speaker.

In the business session which followed it was decided to carry on with the field day as in previous years. Also a committee is to look into the possibility of purchasing equipment for the Bowmanville Memorial Hospital.
