Dundalk Won Opener

The Centre Grey League was opened in Flesherton on Thursday with a barrage of hits that gave Dundalk the game with an 18-7 score. The first six innings were close with Flesherton leading by one run at the commencement of the 7th, but with hard hitting and a number of errors fourteen runs crossed the plate for Dundalk in the last three innings. Jack Park of Eugenia, pitching for Flesherton, struck out twelve batters and did good work, but his support was very erratic. The local club is practically rebuilt with a young battery, Beard receiving, three young outfielders and a young third baseman. With more experience these lads should put up a real battle.

The services in the United church were taken by the Woman's Missionary Society on Sabbath last. As this year is the sixtieth anniversary of the establishment of our work in Japan and the fiftieth of the W.M.S., it was fitting that the subject chosen for the service should be Japan. Those taking part on the platform were officers; viz., Mrs. Cargoe, Mrs. W. Armstrong, Mrs. W. J. Scott and Mrs. W. Thurston. The ladies choir rendered very beautifully, "I'll go where you want me to go, dear Lord." At the evening service, very excellent pictures were shown of our work in Japan.

Grain Straw High

Farm crops have enjoyed wonderful growth this year, having had plenty of rain and sufficient heat. Monday Mr. Donald of Eugenia brought a wheat stalk into The Advance office which measured 4 feet and 7 inches in height, with the head three inches in length. While the specimen is of such length Mr. McDonald tells us that much of the field is nearly the same height. (Mr. McDonald should have an extra heavy yield from this field of wheat.
