Leg Broken While Playing Baseball

Jack Dow, shortstop for the Flesherton Baseball Club in the Centre Grey League, suffered a fracture of his leg in the game at Kimberley last Thursday afternoon, that will lay him up for three months. Jack reached first base with a walk and as he was taking a lead-off on a pitched ball, slipped on the wet ground as he attempted to return to the bag when the ball was thrown to Myles, the first baseman. As he was caught away from the bag Jack decided that the next best thing to do was to light out for second. Myles took after him and when a few feet from second was caught and called out. At the same time he slid along the ground, his foot catching in the second base bag, at the same time falling. The wrench broke the bone in his leg below the knee and the two bones, which join at the ankle were split in two parts. He was taken to the Markdale hospital where an x-ray examination was made and the leg bandaged. He is at present resting at the home of his mother in town and would be pleased to receive callers at any time. Jack was a valuable member of the team and his absence from the line-up will be keenly felt.

This accident calls to mind a similar one which befell Dr. Preston Beatty of Toronto, who was doing the receiving for Flesherton in 1921, when he slid into second in a game at Flesherton and also received a fracture of his leg.

Caught Two Fine Trout

Two large brook trout from one small hole is a record that Mr. Everett Graham of the Valley Road is justly proud of. One of the trout measured 17 inches in length and weighed two pounds, seven ounces, while the other was 14 inches in length and weighed an even pound. These fine members of the finny tribe were caught Thursday evening in a four-foot trout hole in the Beaver River which runs through Mr. Graham's property. While trout as large and larger have been landed in the Hydro Lake it is the first one as large that we have heard of being taken from a small river.

Skippen—Fiegehen

Grace United Church, Thornbury, was the scene of a very pretty wedding, when Florence Mildred, daughter of Mr. Luther Fiegehen and the late Mrs. Fiegehen was united in marriage to Jonathan Bruce Skippen, son of Mr. and Mrs. William Skippen, Thornbury. The ceremony was performed by Rev. S. E. Annis, on Wednesday, June 14.

The bride was prettily gowned in a grey wool crepe suit, with platinum vicuna fox fur. Her accessories were grey and she carried a bouquet of June flowers and maidenhair fern. Miss Spray Skippen was bridesmaid and wore a dress of peach flat crepe, white hat and shoes and accessories. She also carried June flowers and maidenhair fern. Mr. Victor Fiegehen, brother of the bride, supported the groom.

The groom's gift to the bride was a white gold pendant, to the bridesmaid a bracelet of brilliants and to the groomsman silver cuff links with engraved initials. After the ceremony the happy couple left amid showers of confetti and congratulations for Toronto, Niagara Falls and other points. On their return they will reside on the groom's farm, three miles south of Flesherton, on No. 10 Highway.

Second Death In Past Three Weeks

Mrs. D. Levins Passes At Her Home In The West

A telegram was received last week by Mrs. John Pedlar of town, announcing the death of her sister, Mrs. D. Levins, at Armstrong, British Columbia, June 13, 1933.

The deceased maiden name was Rebecka McNally, she being the eldest daughter of the late Mr. and Mrs. Jas. McNally of Artemesia.

Fifty-one years ago she married David Levins and together made their home for several years at Owen Sound. About thirty-four years ago they went to Armstrong, British Columbia, where they have since resided.

Besides her husband she leaves two sisters and three brothers, namely: Mrs. John Pedlar of Flesherton, Mrs. Mary Towell of Detroit, W. H. McNally of Portlaw, George and Sam of Toronto.

We join in extending our sympathy, this being the second death in the family in about three weeks.

IN MEMORIAM

SMITH — In loving memory of the late Burton Smith, son of the late Mr. Harold Smith and Mrs. Jas. Mckenzie, who was accidentally killed on June 22, 1929.

We think of you, dear Burton,
But not with outward show
For the hearts that mourn sincerely
Mourn silently and low.
The silent grief that's in the soul,
No human life can trace,
For many an aching heart is hid
Behind a smiling face.
In his grave he's calmly sleeping,
His spirit shines above;
Safe in the Saviour's keeping
Waiting for those he loves.

—Sadly missed by his Mother, Wife and Family and his grandparents, Mr and Mrs. John Parson.

CHEVROLET GM GENERAL MOTORS PRODUCTS

with the car that leadership built!

A GALLON of gasoline will take you farther in a Chevrolet than in any other full-size car. So will a quart of oil. Because of this economy, many people are finding it less expensive to buy *new* Chevrolets—with Fisher No-Draft Ventilation and other ultra-modern features—than to pay for the upkeep of their *old* cars. Visit our showrooms and see the new addition to the Chevrolet line—the Standard Six—offered at the lowest price ever placed on a full-size, six-cylinder closed car!
