L.O.L. 244, PROTON STATION, ANNUAL CHURCH SERVICE

The annual church service of Victoria L.O.L., 244, Proton Station, was held in Trinity Anglican church in that village on Sunday, June 25, at 7.30 p.m., with a good attendance. The brethren marched from the Lodge room to the church, led by Mr. John Neilson, Master of the Lodge and Wor. Bro. Herb. Corbett. The rector, Rev. M. F. Oldham, conducted the service of evening prayer, taking as the lessons, Judges 10: 23-42 on The Good Samaritan. He preached a very appropriate sermon on Judges 7: 20 "The sword of the Lord and of Gideon." He stressed the fact that this year marks the 243rd anniversary of the Battle of the Boyne. He spoke of the great leadership of Gideon and how he and the 300 men defeated the Midianites and saved Israel from a tyrannous foe. He also related the facts leading up to the coming of William of Orange. He spoke of the Trial of the 7 Bishops in 1688 and its great bearing on Protestantism, the consequent Bill of Rights and James II futile attempts to regain his lost throne in Scotland and Ireland. The Battle of the Boyne marked the great triumph of the Protestant faith, and William and Mary were crowned king and queen of England. The drawing up of the Orange Ritual was performed at Exeter Cathedral not far from where King William landed at Torbay in 1688. The speaker stressed Loyalty to the Bible, the Church, the Lodge, King and Country, the Flag, Sunday Observance and love to our fellow men. If these things are done we will be following the example of Jesus Christ, and also Gideon and King William. A strong plea was made for "The Open Bible in all homes, schools and societies". Miss Alma White presided at the organ. After the service the brethren marched back to the lodge rooms. There was a splendid attendance at the service.

JUDGMENT GIVEN IN CAR ACCTION

A case of interest to all motorists was heard before Judge Morley in Division Court at Meaford when His Honor ruled that ordinary "stop lights" on cars are not approved signals to indicate left hand turns. Thomas Elliot of Euphrasia township was suing Noble Arthur of Meaford for $118.60 while Arthur had entered a counter claim for $120 The case arose out of an accident which occurred south of Collingwood on June 29th of last year. The evidence showed that Arthur had intended to turn left but the only indication he had given of his intention was to slow down, showing his "stop light." Elliot had thought he was going to stop and had attempted to pass him without blowing his horn. A collision resulted. After ascertaining from the Department of Highways that "stop lights" were not approved signals within the meaning of the section of the Highway Traffic Act dealing with left hand turns Judge Morley found Elliott and Arthur equally negligent. He accordingly awarded the plaintiff $59.30 and costs and the defendant $60 and witness fees. W. J. Scott acted for the plaintiff and F. G. McKay for the defendant.—Mirror.

Every once in a while a liquor store is entered and "wet goods" taken therefrom. Possibly by men who believe it is no crime to steal if you are hungry, and that the same maxim applies if you are thirsty.
