HERE IS YOUR REMEDY.

HOLLOWAY'S OINTMENT!

A WONDERFUL CURE OF A DANGEROUS SWELLING OF THE KNEE.

Copy of a Letter from John Foster, an Agriculturist residing at Newborough, near Hexham dated May 15th 1850.

To Professor HOLLOWAY.

SIR,—I was afflicted with a swelling on each side of the leg, rather below the knee, for nearly two years, which increased to a great size. I took the advice of three eminent Surgeons here, and was an inmate of the Newcastle Infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment I determined to try them, and in less than a month I was completely cured. What is more remarkable I was engaged twelve hours a day in the Hay Harvest, and although I have followed my laborious occupation throughout the winter I have had no return whatever of my complaint.

(Signed) JOHN FOSTER.

HOLLOWAY'S PILLS.

CURE OF A PAIN AND TIGHTNESS IN THE CHEST AND STOMACH OF A PERSON 14 YEARS OF AGE.

From Messrs. Thew & Son, Proprietors of the Lynn Advertiser, who can vouch for the following statement.—August 2nd 1851.

To Professor HOLLOWAY,

SIR,—I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach, which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me that I am desirous that others should be made acquainted with their virtues. I am now rendered by their means, comparatively, and can take exercise without inconvenience or pain, which I could not do before.
