Rain Urgently Needed

This district has practically been without rain for three weeks and the effects of it is seen in garden growth and roots, and the grain crops also need moisture. Haying is just commencing and reports are that it is an excellent crop, and the dry weather will aid in curing it properly. The local strawberry crop has just come on the market, but will not likely be very heavy unless rain comes soon.

CARE WILL SAVE MONEY

Farmers sustain enormous losses, each year, through careless methods of shipping livestock by train and truck. Experienced shippers recommend that all cattle be dehorned, that each class of stock be separated by partitions, that loading-chutes be used, and that all spikes, and slivers etc., be removed from all cars and trucks.

INTEREST IN SMALLER CHEESES REGISTERED IN GREAT BRITAIN

British cheesemakers are recognizing the need for small cheeses to meet popular demand according to the Ontario Marketing Board.

At the recent annual meeting of the Cheshire Dairy Farmers' Association it was suggested that makers should consider the production of cheeses weighing two, three, four or five pounds. This item is of interest because it gives direct evidence of a trade not being solicited by Ontario cheese patrons, despite the fact that Canada is one of the world's largest cheese exporting countries.

John A. Hogarth Dies Suddenly At Jarvis

Word has just been received in town this morning of the sudden death of Mr. John Hogarth at his home in Jarvis, Ont., after an illness suffered for the past three years. He took worse on Monday and his son, Melville, of the O. D. R. was called to his bedside, but as his father appeared brighter Tuesday afternoon returned. He received word this Wednesday morning that his father had passed away about five a.m. from heart trouble.

The late Mr. Hogarth was for a number of years prominent in Artemesia township affairs and was in the Council for a considerable time, also serving as Deputy-Reeve and Reeve for a number of years. He was a member of the Loyal Orange Association and was a Past Master of Flesherton L.O.L. No. 2855.

Two years ago Mr. Hogarth sold his farm on the west backline, Artemesia, near Saugeen Jct., owing to ill health, and moved to New Toronto, later going to Jarvis. He was highly regarded by all who knew him and his passing is a distinct shock to all his friends in this township. No details of funeral arrangements have been received at the time we go to press.
