Dougald Clark Dies After Lengthy Illness

After suffering for the past six months Mr. Dougald Clark died at his residence on the Collingwood gravel, east of Flesherton on Saturday morning, at the age of 56 years and 8 months.

He was the son of the late J. D. and Jemima Clark of Aberdeen and was born on the 2nd concession of Bentinck township. For five years he worked with the Durham Furniture Company and then took up farming at Aberdeen and on the 4th of Glenelg and 14 years ago purchased the Rocky Saugeen chopping mill which he operated until he moved to Flesherton 11 months ago. In 1906 he married Miss Agnes Isabelle Vessie of the Rocky Saugeen, who survives him, together with a family of three children, Rena, 16 years of age, Bryson 11 years and Elmer 7 years, all at home. He is also survived by his mother residing at Aberdeen. One sister, Mary, (Mrs. W. J. Lawrence) of Durham, two brothers, Walter Clark of Desboro and Lorne, on the old home, survive.

In religion the late Mr. Clark was Presbyterian and was a member of the I.O.O.F.

The funeral was held on Monday afternoon with service at his late residence at 2 p.m., Rev. B. D. Armstrong of Durham, officiating. Interment took place in the Durham cemetery.

The pallbearers were Messrs. Roy Lamb, Jim McLauchlin, Fletcher McLean, Don Stewart, Peter McQuarrie, Bert Ritchie, Malcolm McKechnie and Jas. Dargavel.

Friends from a distance who attended were: Mrs. Clark's brother, Mr. John Vessie and Mrs. Vessie and daughter of St. Marys, Mrs. Jas. Buchan and two daughters of Clifton Springs, N. Y., sister of Mrs. Clark, besides many old friends and neighbors from Durham and the Rocky Saugeen.

The casket was banked with a bower of beautiful flowers given by friends and relatives, besides a spray from the Women's Association of Chalmer's church, Flesherton.

HOME TOWN NEWS

The importance of home town news in the small town paper has been emphasized by a large gathering of editors of the smaller American newspapers in New York. Local needs and little personal items, it was shown, possessed the strongest appeal for their readers. The dwellers in a small town are undoubtedly more interested in what is going on immediately around him than he is in plans, say, for the development of wheat-growing in Siberia. It is what most immediately concerns us that is of the greatest personal interest to us. That does not mean that a man in a small town has no interest in world affairs. In many instances, however, indeed, it will be found that the editors of small town newspapers are exceptionally well-informed upon world affairs. But they wisely judge that their readers will find more delectable material for debate in the developments and happenings of the town in which they live than in what is going on in Tibet or Timbuctoo. There is in this nothing of narrowness, nothing of prejudice, nothing of small vision. It is just plain horse sense.

FISHER—BOYCE

At the Baptist parsonage, Flesherton, on Saturday, July 1st, the marriage took place of Miss Mildred Boyce, daughter of Mr. and Mrs. J. J. Boyce, 4th line, Artemesia, to Mr. Lewis Eldon Fisher, son of Mr. and Mrs. Robt. Fisher, also of the 4th line, Rev. W. J. Wolstencroft officiating. Miss Clara Boyce, sister of the bride, was bridesmaid and Mr. Harold Parker of Meaford acted as groomsman. After the ceremony a reception was held at the bride's home, when best wishes were extended to the happy couple.

Engagement

Mr. and Mrs. J. W. Boyd, Markdale, announce the engagement of their eldest daughter, Edith Reta, to Wilfred David, second son of Mr. and Mrs. E. Davenport, Kemble, the marriage to take place in July.

PACKING PLANT OPENS

The pork-packing plant of the Co-operative Packers of Ontario Limited re-opened last week. The plant has been closed since April, 1932, and the re-opening was made possible through a $25,000 loan from the Ontario Government for working capital. One of the conditions of the loan was that a $50,000 mortgage held by the London Life Insurance Company be retired. Shareholders throughout this district are quite optimistic as to the future operations of the plant.

Taxpayers Save Money

As a result of the action of Grey County Council last week in reducing the tax rate from 9 to 7½ mills there will be a saving in the twenty-six municipalities in the county of $51,877, which is quite a considerable sum and will be appreciated by the taxpayers.

The following is a list of the municipalities in the county, with the amount to be paid this year and the amount paid last year:

SPORT REVIEWS

Flesherton lost their third game of the season in Dundalk on Thursday last by another lop-sided score 18-7. The main fault with the local squad was their inability to peg to the bags and some loose fielding. Beard had an off day behind the bat and stolen bases were numerous.

The lads improved in their batting in this game and if they could only hold down their wildness would make the game closer for their opponents.

Kimberley won from Ravenna on Friday 14-11. Some heavy batting seems to be the rule this year, as all games have been high scoring affairs.

Ravenna and Flesherton at present are fighting it out for the cellar position, both having lost three games without any wins.

Owen Sound juniors are coming to town Thursday evening, the game to commence at 5.30 p.m.

Flesherton defeated Eugenia 1-0 in a football game here Tuesday evening.

Priceville juniors lost at Mildmay on Monday evening 3-2. Bob Phillips, Jim McFadden, Geo. McMaster and Laverne Piper of Flesherton played for Priceville.

FLESHERTON WON FOOT BALL

Flesherton football team won an exhibition game from Feversham 2-1 in town on Friday evening. Following were the players on both teams:

Feversham — Goal, Kerton; defence, McKenzie and Thomson; halves, Osborne, Beatty, Conn; forwards, Davidson, McMullen, Henderson, Hudson and Davidson.

Flesherton — Goal, Phillips; defence, Alexander and Betts; halves, McFadden, Alexander and Smith; forwards, Stewart Alexander, Brackenbury, McMaster and Dargavel.

Referee — Frank Betts.

The doctor of a country village had two children, the prettiest little girls in the district. While they were out walking one day they happened to pass two small boys, one of whom was a visitor in the village. Said the latter to his friend: "Who are those pretty little girls?" The village boy replied: "They are the doctor's children. He always keeps the best ones.

Two Car Accidents Over The Holiday

Two motor accidents occurred in this district over the week end, the first serious one this year. Mr. Allan McInnis of Priceville, a teacher at Palgrave, was travelling south in his car and at the Proton Station sideroad, 5 miles south of Flesherton was struck by a car driven by Wm. Wilson of Holstein, when he approached from the east. The McInnis car went into the ditch and turned over and was damaged considerably, while the Wilson car was soon repaired. Mr. McInnis had his back wrenched, but was able to proceed to his home near Priceville.

The other accident occurred near Markdale Saturday afternoon when a tire blew out on a large Buick coach owned by Harry Craig of Palmerston and went into the ditch, landing on its top. The car was driven by Stanley Eagles of Southampton and the other occupants were his wife, mother-in-law, sister-in-law and two small children, none of whom were injured. The car took fire while they were escaping and was totally destroyed.

Vandeleur ball team play a league game with Dundalk in the park here on Thursday afternoon.

WARLING — Born to Mr. and Mrs. Elmer Warling on Saturday, July 1st a son.

The Markdale Division of the Sons of Temperance held a most successful picnic and strawberry festival in the community park here on Wednesday afternoon of last week. There was a softball match and games and contests of various kinds, under the direction of Miss Patterson and Mr. Hare. A good supper was served by the ladies, the strawberries being very abundant. Following this a short program was given in the school house. H. I. Graham, G. W. P. for Ontario, occupied the chair. Addresses were given by Rev. H. S. Warren and Mr. W. L. Young of Markdale.

The annual picnic of Vandeleur Sunday school was held in the Community Park on Saturday afternoon July 1. The attendance was good and an enjoyable time was had by all. Two ball games were played. There was also a fine program of races, games, contests, etc., under the direction of Mr. H. F. Ready. A good supper was served by the ladies at the close of the program.

Ontario supplied one half of the 1932 commercial production of strawberries in Canada, which totalled 20,601,000 quarts.

New Church Opening At Priceville

Large crowds attended the dedication ceremonies of the new St. Andrew's Presbyterian church at Priceville on Sunday. The prayer of dedication was made by Dr. A. S. Grant of Toronto, who also preached the sermon. A splendid solo at the morning service was given by Mr. T. Mean of Toronto with "Open the Gates of the Temple," and another solo by Mr. Gordon Brown of Toronto with "Stranger of Galilee." In the afternoon service Rev. J. T. Strachan of Owen Sound preached and special music was supplied by the Owen Sound quartette. At the evening service Dr. Grant again spoke and Mrs. McFadden and Miss Harding of Durham rendered solos, besides music from the Owen Sound quartette.

On Monday evening a splendid supper was served by the ladies of the congregation and a splendid musical program was afterwards given by the Owen Sound quartette. Their repertoir was extensive and the program was enthusiastically received by the large audience. Greetings were brought by the following neighboring ministers: Rev. Moir, pastor of St. Columba United Church, Priceville, Rev. J. B. Snider of Dundalk, Rev. B. W. Armstrong o Durham, Rev. W. H. McCracken of Walkerton, Rev. R. G. Stewart of Merriton, a former pastor of the church, and Mr. Knoland of Glamis, a student. Miss A. C. Macphail, M.P., also gave a brief address.

The proceeds on Monday evening amounted to $95.25, while for the two days the amount received totalled $295.00.

320 FAIRS TO BE HELD

Of the Agricultural Societies in Ontario, some 320 plan to hold fairs this year, according to J. A. Carroll, superintendent, Agricultural Societies Branch.

"In certain quarters," said Mr. Carroll, "there was a feeling that government and municipal cuts in grants would tend to disrupt the plans of many of these organizations. However, from the impression gained at the District Fair Association meetings I have attended throughout the province, I feel that the directors are determined by increased energy and enterprise to maintain the standards of the organizations, many of which have been in existence for almost a century."

HONEY RETARDS DISEASE

To prevent the false impression being formed that because bees are subject to disease, some honeys might not be used for food, it is important to draw attention to the fact that what affects bees produces absolutely no effect on human beings. So far as bee disease is concerned, all honeys are perfectly safe for food. Further it may be noted that honey, instead of promoting disease, tends to retard it, because most of the disease organisms that attack man can not live in honey. Honey draws the water of their construction from the organisms and kills them.

O. M. B. REPORTS SYRUP GOING TO WEST INDIES

The Ontario Marketing Board reports that in the near future, several hundred gallons of maple syrup will go from Montreal to Jamaica, Trinidad, Bermuda, British Guiana and other points in that region.

Figures show that practically no Canadian maple syrup has reached the 2,000,000 population of the British West Indies, and very little from any other source.

The skunks are not all to be found in "Skunk's Misery." Consider the money hoarder and his unpaid bills.
