VALUABLE MUSICAL WORKS,
RECENTLY PUBLISHED BY
Mason & Law, New York.

The Theory of Musical Composition. By Dr. A.B. Marx. Translated from the German by H. S. Saroni.

AMONG the theorists and critics of Germany, Holland, Denmark, and France, there is but one opinion as to the superiority of this work over any upon the same subject that has ever issued from the press; either with regard to its perspicuity, completeness, or a masterly display of the most profound knowledge of Musical Science. There is scarcely a Music School of any note in Germany in which it is not referred to as a Text Book.

Price of the American edition, $2 50.

The Musical Vade Mecum. By H.S. Saroni.

This is a compedium of information of Musical Subjects which it is difficult to find in any other shape. It is a sort of skeletan treatise, begining at the begining, with the Scale or Tone-system; then Melody; Rhythm; Organology, or the various descriptions of Instruments; Harmony; Modulation; the Æsthetic forms; the Artistic Execution, and finally a condensed History of Music. Price $1 25.

The Academy Vocalist.

A collection of Vocal Music, designed as a Text Book for Academies, Seminaries, High Schools, &c. By George F. Root, with a complete course of Elementary Instructions, Solfeggios, &c. By Lowel Mason. Price 62 cts.

Cantica Laudis.

A very comprehensive and complete collection of Church Music, by the Authors of "Carmina Sacra." The Boston Academy's Collection, &c. This latest work of Lowell Mason and George James Webb, has elicited an amount of approbation from the intelligent musical public, vastly greater than was ever bestowed upon any similar work. It is now two years since its first publication, and those who have used it longest are most enthusiastic in its praise. A distinguished teacher writes of it as follows:

"For my own part, I must say I am more than gratified—I am delighted. I am charmed with it! It is, in my estimation, a most invaluable treasure; every leaf sparkles with gems, every page is radiant with beauty and grace! I find nothing in it which may be styled commonplace; nothing which appears to have been inserted merely for the sake of making up a new collection. Every piece, whether of complicated or more simple structure, whether adorned with artistic ornaments or clad in plainer habiliments, is in itself, according to its proper character and design, a finished specimen of the art. The entire work, indeed, not only bears indubitable testimony to, but is itself a gratifying as it will be an enduring monument of the extensive reading, mature judgment exquisite skill, classic taste, and unflagging industry of its eminent compilers. The great variety of subjects and of styles which it embraces, the beauty and freshness of its melodies, the richness and glowing fervor of its harmonies, the legal precision and yet courtly ease of its modulations, the incomparible grace and exquisite finish, which are so apparent in every part, ought and surely must render it a universal favorite."

Hundreds of teachers of music have expressed of the publishers the opinion that it is "the best collection of Church Music ever published in this country." Price 75 cents.

HOLLOWAY'S PILLS.
THE ROAD TO HEALTH

AN EXTRAORDINARY CURE OF RHEUMATIC FEVER IN VAN DIEMAN'S LAND.

Copy of a Letter inserted in the Hobert Town Courier, of the 1st March, 1851, by Major J. Walch.

Margaret M'Connigan, nineteen years of age, residing at New Town, had been suffering from a violent rheumatic fever for upwards of twelve months, which had entirely deprived her of the use of her limbs; during this period she was under the care of the most eminent medical men in Hobert Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she consented to do, and in an incredible short space of time they effected a perfect cure.

CURE OF A DISORDER 13 YEARS AND BAD DIGEST ON

Copy of a Letter from Mr. R. W Kirkus, Chemist, 7, Prescot Street Liverpool, dated 6th June 1852.

To Professor Holloway,

SIR,—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the virulence of the attack was so alarming, and the inflamation set in so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was induced to try your Pills, and she informs me that after the first and each succeeding dose, she had great relief. She continued to take them, and although she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above from the severity of the attack, and the speedy cure I think speaks more in favour of your astonishing Pills. Signed R. W. KIRKUS.

CURE OF A PAIN AND TIGHTNESS IN THE CHEST AND STOMACH OF A PERSON 84 YEARS OF AGE.

From Messrs. Thew & Son, Proprietors of the Lyn Advertiser, who can vouch for the following statement.—August 2nd, 185

To Professor Holloway,

SIR,—I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach, which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me that I am desirous that others should be made acquainted with their virtues. I am now rendered by their means, comparatively active, and can take exercise without inconvenience or pain, which I could not do before.

AN EXTRAORDINARY CURE OF THE GRAVEL AND A MOST DANGEROUS LIVER COMPLAINT.

Copy of a Letter addressed to J. K. Heydon, Esq, Sydney, New South Wales, dated February 25th, 1851.

SIR,—A Mr. Thomas Clark, a Settler at Lake George, was for a considerable time seriously afflicted with a Complaint of the Liver together with the Gravel His medical attendants, after trying all their skill, candidly told him that his case was hopeless, and any further efforts useless. In this situation, and when expecting every day would terminate his existence, a friend recommended him to try Holloway's Pills, and as a forlorn hope he did so the first dose gave him considerable relief, he therefore persevered in taking them according to the directions, and is now restored to perfect health He will feel great pleasure in confirming this statement, or even make an affidavit to the same effect, should it be required (Signed) WILLIAN JONES

HERE IS YOUR REMEDY.

HOLLOWAY'S OINTMENT,

A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 43 YEARS' SUFFERING.

Extract of a Letter from Mr. William Galpin, of 70 St. Mary's Street, Weymouth, dated May 15th, 1851.

To Professor Holloway,

SIR,—In the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried but without effect; her health suffered severly, and the state of her legs was terrible. I had often read your Advertisements, and advised her to try your Pills and Ointment, and as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and strange to relate, is now in good health. Her legs are painless without scar or tear, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow creature

(Signed) WILLIAM GALPIN.

A PERSON 70 YEARS OF AGE CURED OF A BAD LEG OF THIRTY YEARS' STANDING.

Copy of a Letter from Mr. William Abbs, Builder of Gas Ovens, of Rusheiff, near Huddersfield, dated May 31st, 1851.

To Professor Holloway,

SIR—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by erysipelatic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated yet in opposition to the opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact.

(Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England, Chemist, 13, Market Street Huddersfield.

A DREADFUL BAD BREAST CURED IN ONE MONTH.

Extract of a Letter from Mr. Frederic Turner, Penshurst, Kent, dated December 13th, 1850.

To Professor Holloway,

DEAR SIR,—My wife had suffered from Bad Breasts for more than six months, and during that period had the best medical attendance but all to no use. Having before heard of your valuable Ointment, I determined again to use your Pills and Ointment, and therefore gave them a trial in the case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the health of that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

(Signed) FREDERICK TURNER.

A WONDERFUL CURE OF A DANGEROUS SWELLING OF THE KNEE.

Copy of a Letter from John Forfar, an Agriculturist residing at Newborough, near Hexham dated May 15th, 1850.

To Professor Holloway,

SIR, I was afflicted with a swelling on each side of the leg rather above the knee, for nearly two years, which increased to a great size. I had the advice of three eminent Surgeons here and was an inmate of the Newcastle Infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment I determined to try them, and in less than a month I was completely cured. What is more remarkable I was engaged twelve hours a day in the Hay Harvest, and although I have followed my laborious occupation throughout the winter, I have had no return whatever of my complaint.

(Signed) JOHN FORFAR.

INFLAMMATION IN THE SIDE PERFECTLY CURED

Copy of a letter from Mr Thomas Anet, of Prestonhouse, Lothian Road, Edinburgh, dated April 29th, 1851.

To Professor Holloway.

SIR,—For more than twenty years my had been subject, from time to time, to attacks of inflammation in the side, for which she was bled and blistered to a great extent, still the pain could not be removed. About four years ago she saw in the papers the wonderful cures effected by your Pills and Ointment, and thought she would give them a trial To her great astonishment and delight she got immediate relief from their use, and after persevering for three weeks the pain in her side was completely cured, and she has enjoyed the best of health for the last four years.
