Kingston, Jan. 6, 1853.

THE PHYSICIANS USE Wistar's Balsam of Wild Cherry.

So says the Morning Chronicle, Quebec, July 22, 1848.

It is but an act of common justice to the discoverer of this invaluable remedy, to make known the popularity it has acquired in Quebec, and its neighbourhood. On inquiry of the Agent, we learn that his sales of this medicine are almost daily on the increase, and that its virtues in the cure of Coughs and Colds are known and appreciated, as extensively recommended by the most eminent medical practitioners of Quebec, in their own families as well amongst their patients. We are aware that a large portion of the community regard with suspicion, and in many instances justly so, anything in the shape of a 'puff,' whether it be of patent medicines or of any other commodity; and if there be one class more than another that views with disapprobation the extolling of quack nostrums, it is the faculty themselves. Indeed, the public have a right to look to them for information on the subject, in their characters of conservators of the public health. The high opinion of the profession in Quebec, as already stated, may therefore be taken by Dr. Wistar as no all compliment, and to the public it may serve as a valuable guarantee of the efficacy of the medicine.

BEWARE OF IMPOSITION.

Remember, the original and only genuine **Wistar's Balsam of Wild Cherry,** always bears the written signature of **I. BUTTS** on the outside wrapper.

This genuine and original article, which has been proved so long, was originally put up by Williams & Co., Philadelphia, and is now prepared and sold Wholesale and Retail, by Seth W. Fowle, Boston, Mass.; and is for sale by his Agents, throughout the United States, Canadas and British Provinces.

For Sale by E. W. Palmer, Druggist, Market Square, Kingston.

REMOVAL.

W. J. GOODEVE has removed to his new shop in King Street, second door from Princess Street, where he would call the attention of his friends and customers to his large and varied Stock.

W. J. Goodeve would take this opportunity of tendering his thanks for the liberal patronage extended him since his commencement, and pledges himself that no effort on his part shall be wanting to merit its continuance.

He is daily expecting the first arrivals (via. Boston and New York) of his Spring Stock; consequently has reduced the prices of many articles to make room for them.

An extensive sett of Tables has been computed for Assurance on Joint Lives, the Survivor of two or more lives, and for Contingent Assurances; also for Reversionary Annuities, Endowments for Widows and Children, and for every possible contingency affecting human life, against which it may be prudent or expedient to provide.

The great success of this Institution in Europe, and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated by those who feel the necessity of making some provision for their families, or securing the amount of debts due by them to them in case of premature death.

The rates of the Britannia are the lowest which can be offered consistently with security to the Assured.

The income of the Company, independently of the large subscribed Capital, is about Eighty Thousand Pounds, Sterling, per Annum, and of this a great part is continually accumulating for the payment of losses.

A party effecting an Assurance with this Company, may do so for a fixed sum, payable at his or her death, without participating in the profits, and thereby secure an immediate Bonus by not paying more than is absolutely required to provide for the risk.

All claims payable within three months after proof of Death.

No proof of Birth is required at the time a claim is made; the Age of the Assured being, in every case, admitted in the Policy, cannot, under any circumstances, be afterwards called in question.

Policies effected by Parties on their own lives are not rendered void in case of death by Duelling or the hands of Justice. In the event of suicide, if the Policy be assigned, to a bona fide Creditor, the sum assured will be paid without deduction. If the Policy be not assigned, the full amount of Premiums received thereon will be returned to the family of the Assured.

The necessary forms, and every requisite information as to the mode of effecting Assurances may be obtained either by letter or personal application o
