Cop Had Real Chase

On Saturday last a New York car started to burn up the highway north of Durham and was covering the miles so quickly that Traffic Officer Hood, who took after him at the north end of town, had to run to Chatsworth before he was able to overhaul him. The machine, a Packard 12, is said to have gone through Dornoch at 80 miles an hour and pulled through Chatsworth at a mere 65 miles an hour. Despite the dust in its wake Officer Hood made the 20 miles from Durham to the northern village in something less than 14 minutes, finally overhauling his man and asessing him $25 for his escapade. For some time the officer was doubtful if he could catch him. The owner of the car, a Buffalo doctor, paid the assessment. A day or so later the same car came back through Durham and was trailed south by the traffic officer, but when stopped said he was cured of speeding and was doing exactly 35 miles an hour to the border —and home.—Mt. Forest Confederate.

Palmerston ratepayers voted in favor of a by-law to take over the Palmerston rink. The by-law carried by a majority of 114.

Large Crowd At Rock Mills Garden Party

A splendid crowd attended the Rock Mills garden party on Friday evening and enjoyed a fine supper, sports and evening program presented under the auspices of the Ladies' Aid of Rock Mills Baptist church. A game of football was played in Geo. Johnston's field between Flesherton and Eugenia teams and resulted in a win for Flesherton by the score 2-0. The evening concert in the church shed was featured by a play "All in the Family" by the Dundalk Anglican young people and much favorable comment was heard. Prof. Kyle's orchestra from Maple Valley provided excellent music between acts and Mr. Geo. Akitt rendered an excellent solo. Rev. W. J. Scott of Flesherton presided in the absence of Rev. J. R. Wolstencroft, the pastor, who is ill. The proceeds of the garden party amounted to $69.89.

The next meeting of the Ladies' Aid will be held at the home of Mrs. Richard Allen on Wednesday, July 19th.

It is not recorded who first said "A little nonsense now and then is relished by the best of men." But whoever it was, he might with equal accuracy have observed that a great deal of nonsense is relished at any time by most men. In business or pleasure, a laugh is as hungrily sought as anything else that may be on the program. The business of living is involved in so many hardships and worries that the most trivial nonsense helps to make life brighter and better. It has been said that a sense of humor is a saving grace; but no two people seem to have the same sense of humor. Perhaps the best is that which enables one to see enough of the funny side of the experiences of life; tragic as some of them are, to laugh his way through difficulties and to perceive the laughable side of the thing when fate drives him through the briar patches. —Moncton Transcript.

Mr. an Mrs. Robt. Bellamy of Coldwater are visiting the former's parents at present.

The matter of the wheat acreage limitation for the next year is being discussed by those countries which raise large quantities of this commodity. There is doubt whether a smaller acreage would have the result of better prices.

Local and Personal

Mr. Howard Ferris of Toronto visited in town last week.

Mr. and Mrs. W. G. Ross of Georgetown are visiting in town.

Next Sunday morning Mr. Boyer of West China will occupy the pulpit in St. John's United church and tell the interesting story of the Press, one of the big factors in the evangelization of western China. Hear him.

Dr. R. L. Gauld, wife and family of Toronto is taking the practice of Dr. J. E. Milne while he and his family are holidaying at Sauble Falls. Dr. Gauld formerly practised at Maxwell and his many friends were pleased to see him again.

The annual picnic of St. John's United Sunday school was held in Memorial Park on Thursday afternoon. Ceylon Sunday school also joined in with the picnic and a splendid time was enjoyed by the large crowd present.

The W. M. S. of the United church, Flesherton, will celebrate the fortieth anniversary on Friday, July 21st. Invitations are being sent to all former members whose addresses can be secured. It is hoped that all adherents and members of the church will be present at 3 p.m.

Mr. and Mrs. Russell Leeson and little son, Mr. Jas. White and Miss Dorothy Peneo of Sparta, near St. Thomas, spent a few days last week with Mr. and Mrs. Ben White, west backline, Artemesia, and called on Mr. and Mrs. F. J. Thurston on Saturday.

The thirteenth annual Arnott reunion was held at the home of Samuel Arnott, Wareham, on July 8th. It was attended by fifty-eight members of the family, a smaller number than in previous years, nevertheless the prevailing spirits of those attending made up for any deficiency in numbers. Next year's celebration is to be held at the home of Mr. Arnott McClure, Brampton.

"The telephone saved my corn"

Early in the season, Fred Bennett noticed a strange blight on his young corn. It began to spread very rapidly. He had to do something at once if he wanted a crop.

Fred was enterprising. He called the government Experimental Farm by Long Distance telephone. The farm recognized the blight from Fred's description, told him what to do, and in a week the corn was safe.

Long Distance is quick, dependable, easy to use — and *profitable.*

For 30 cents you can telephone about **100 miles** by making an "any-one" call (station-to-station) after 8.30 p.m. See list of rates in front of directory.

THE BELL TELEPHONE COMPANY OF CANADA

Long Distance **is surprisingly inexpensive**

The Fergus News-Record points out that the formation of the new riding of North Wellington, as constituted by the redistribution bill, restores the boundary of Wellington as it was fifty-five years ago before Dufferin County was formed.

The British Veterinary History of the Great War is authority for the statement that over 16,000,000 animals played some part in the long conflict. Horses, dogs, mules, oxen, camels, elephants, cats, goats, even geese were employed.
