Hail In July Rare Heavy Fall Sunday

Hail fell on Sunday afternoon in a shower during a heavy rain storm and in a few moments the ground was a sheet of white. In a swath a mile wide north of Orange Valley there was a regular cloud burst of hail, more than at Flesherton, and considerable damage was done to standing crops, more especially wheat which was ready to cut. A field of wheat owned by Mr. W. J. Bowes, a mile and a half south of Markdale, was destroyed to the extent of about 75 per cent. of the entire crop. In this belt many more fields were laid flat and gardens were extensively destroyed, while corn leaves were left in tatters. The fall of hail was so heavy that on Monday morning shovelsful of it could be gathered in sheltered places beside buildings in town.

Previous to a light rainfall on Saturday this district had only enjoyed one heavy fall of rain in five weeks and growth was suffering from the drought. However, it allowed most of the farmers to finish their haying in record time, and all of it was stored in barns in perfect condition. Monday evening another heavy fall of rain was enjoyed and the ground has now received a real soaking. However, if the weather turns hot there is great danger of the oats becoming rusted.

HINCKS—McKECHNIE

A quiet, but pretty wedding took place on Saturday at 4 o'clock p.m., July 15th, at the home of the bride's parents, Mr. and Mrs. John W. McKechnie, Durham, Ont., when their daughter, Islay Waddell, was united in marriage to Mr. Alfred D. Hincks of Toronto, son of Mr. David and the late Mrs. Hincks, Priceville.

The bride entered the living room on the arm of her father to the strains of the wedding chorus, played by Miss Jean Hincks. The marriage was performed by Rev. W. H. Smith of Durham. The bride looked charming in a floor length gown of ivory satin with chenille lace with matching lace cap and orange blossoms and wore the gift of the groom, a white gold necklace, with aquamarine drop and carried a gorgeous bouquet of rose-hill roses and baby's breath. The groom's gift to the pianist was a white gold dinner ring. Following the ceremony a wedding breakfast was served to immediate friends of the bride and groom. The table was beautifully decorated with Sweet Heart roses. The toast master was Rev. W. H. Smith. Toast to the bride proposed by Mr. Joe Crutchley responded to by the groom. Toast to the groom by Mr. Clifford Hincks. After congratulations and good wishes the happy couple left on a trip by motor through Manitoulin Island and Northern Ontario. The bride travelled in a white crepe suit, with matching accessories. On their return they will reside at 363 Glenholme Ave., Toronto.

EFFICIENCY

A new idea in scarecrows was being demonstrated at an agricultural show.

"Efficient?" echoed the demonstrator. "Why, when first we tried it out not only did it scare the crows, but one old black fellow was so frightened that he brought back some corn he had stolen three days before."

A NEW LOW

"Can you imagine!" cried Estelle, the waitress. "That fellow I waited on just now said hogs were five dollars now. Did that mean five dollars each?"

"No," replied Tillie, the cashier, "that's five dollars a hundred, of course."

"Hm-m! No wonder farmers are kicking," sighed Estelle. "Imagine only a nickel a piece for pigs!"

12th In Markdale

Over fifty Lodges took part in the 12th of July celebration in Markdale on Wednesday of last week, when over 1200 Orangemen marched in the parade. Flesherton's two lodges, L.O.L. 2855 and L.O.B.A. 545, marched in the parade, in company with practically every other lodge in East Grey. Mr. Jos. Blakeley of Flesherton, veteran member of Proton Station L.O.L. 244, was seated in the car heading the procession, containing Mr. Thos. Mathews of Markdale, oldest Orangeman in the parade. Flesherton L.O.L. 2855 was the youngest lodge in the parade.

A special race for young horses was staged with Bay Billy, owned by Carman Brown of Meaford, taking first, Teddy Patch, owned by Ed. Seeley of Maxwell second and J. A Crowston's Brino Patch third. Hanover defeated the Owen Sound Millionaires 8-7 in an excellent baseball game.

The 12th in Flesherton was a quiet day, but the morning was livened up by the lodges going through with fife and drum playing. The fine fife and drum band from Durham, containing several members, was a pleasing attraction and the fifers and drummers from Feversham and Flesherton lodges gave rousing music to a fair sized crowd.

Saw Italian Seaplanes

Two Flesherton citizens, C. J. Bellamy and W. E. Turney, had the unexpected pleasure of viewing the Italian flyers as they winged their way over Thornbury on Saturday afternoon. They were flying comparatively low and a fine view of the great machines was secured. Owing to storms around Toronto and over Lake Ontario the flyers were forced to take a more northerly route where clear skies ensured good flying.. The fleet of 24 planes was headed by General Italo Balbo and had left Italy two weeks ago, with the Chicago World's Fair as their destination. Only one accident marred the entire trip of several thousand miles and that was at Amsterdam, Holland, when one of the flying boats turned over and a mechanic was killed.

The 24 flying boats did not travel together as three of them were seen north of Eugenia, while scores throughout this district heard the machines as they flew. They passed over Owen Sound, Kincardine, Goderich and then to Detroit, turning westward at that point for Chicago, where they arrived at about 6 o'clock p.m. General Balbo and his fellow flyers received a great ovation by the people of Chicago and during the past few days have been feted and dined like royalty.

Normal School Results

Congratulations are extended to the following Normal School pupils, who attended the Flesherton High School, on their success at the annual examinations: Misses Marion Bibby and Christina Magee received their Interum First Class certificates, Miss Irene Martin and Mr. Jack McKechnie their Interum Second Class certificates.

Do you think 12 hours of enjoyment for 25c and 10c is a bargain? Then come to the 7th annual Picnic of the United Farmers on August 3rd in Lawrence's Grove, just west of Durham on Highway No. 4. A full line of sports will be presented including a League baseball game between Vandeleur and Flesherton; Softball, Football, Horseshoe Tournament and Races, carrying such valuable prizes as a bag of flour, overalls, groceries, bacon and linen—prizes being donated by merchants—Oh, yes, with cigars for the fat men If you are blue just hear Tom Hamilton, the noted comedian. He would make a Scotch farmer with a mortgage laugh!

Hit Two Home Runs To Win Ball Game

Kimberley emerged as winners of the baseball game with Flesherton in the local park on Thursday afternoon last 9-7. Two home run smashes in the 9th inning by the Haines brothers was the punch that made the game sure for Kimberley. It was the best game the local lads have played this year, as their hitting was fair and their fielding was better than that of Kimberley, making the game more exciting to watch. Bob Phillips pitched his first full game for Fleshton and struck out seven batters and did not issue any walks. He appeared to ease up when Kimberley came to bat in the 9th and the first two to come to bat, Stan and Len Haines, hit for home runs. Bob immediately struck out Dillon and Cecil Fawcett reached first on an error. L. Lawrence fanned and Bates Fawcett was out at first.

Following is the box score:

Kimberley—	AB	R	H	PO	A	E

SPORT REVIEWS

Laurie Lawrence pitched the best game of the year for Kimberley and fanned eleven men. He bore down in the pinches and was very sparing with his hits.

Dundalk kept up their winning streak by defeating the Ravenna squad by a high score that would be a shame to publish as a baseball score. It appeared more as though the boys were playing basket ball.

So far Dundalk has not been defeated in a League game, but they go to Kimberley on Friday at 4.30 p.m., and if the northern club can take a fall out of the leaders they will be tied for first place.

Vandeleur comes to Flesherton for the first meeting between the two teams during the League schedule. It is a case of having to win for Flesherton so the boys will be out to win. Let us see a big crowd out to encourage the team. They still have a chance to have a place in the play-off games. But they need your support to cheer them on, so come on out and put pep into the game with some chatter on the sidelines.

This is the first year that seven out of the nine regular players have ever played baseball and it is difficult for them to absorb the points in the game and play as if they were veterans. It cannot be expected of them, but yet they are playing good ball and before the season is over will give a good account of themselves.

The Flesherton Tennis Club members visited the Durham Club Thursday last for a friendly tournament and the result was a tie with 10 points each. Men's doubles, mixed doubles, men's singles and ladies' singles were played.

On Thursday afternoon, July 27th the Durham club will return and take part in a tournament on the local courts.

The Presbyterian Guild won their fourth straight game of softball in Priceville last Thursday evening by the score of 13-11. It seems as if this team can't be beaten.

Flesherton football team won from Kimberley in the latter's bailliwick on Tuesday evening by the score of 1-0. It is a good thing the football club is winning favorable recognition for Flesherton, when the baseball team is not.

Some 10,000 gallons of road oil have been distributed on the unpayed streets in Fergus.

A Golden Wedding

A very interesting event took place on July 11th, when Mr. and Mrs. James Galbraith of Wolverine, Mich., celebrated their golden wedding. The ceremony took place at the home of Mr. and Mrs. Jay Lake at eleven-thirty a.m., Rev. Mulholland officiating in the presence of about sixty guests. The bride's sister, Frances, who was bridesmaid of fifty years ago was present and again acted as matron of honor, assisted by four charming granddaughters of the bride and groom, Misses Carrie and Helen Deyarmond, gowned in pink organdy, Dora Lake and Marie Galbraith gowned in blue organdy and wearing corsage bouquets of roses and fern. Little Earl Lake acted as ring bearer, carrying the ring on a gold pillow. Mr. Charles Galbraith was the groom's attendant and Jacob Deyarmond played the wedding music.

The bride looked charming in a beige gown of triple crepe and carried bronze roses and baby's breath, the maid of honor was gowned in black crepe and lace and carried yellow roses and fern.

The wedding dinner was served on tables arranged on the lawn and decorated in gold and white. The groom cut the wedding cake and a toast was proposed by the Rev. Mulholland and was heartily drank by all present, the groom responding in a happy manner.

The groom's gift to the bride was a gold and platinum wedding ring, suitably inscribed. The family and relatives presented them with a purse of gold, besides other gifts from friends. Relatives from Canada included: Mrs. Frances Hopps, sister of the bride, Mr. and Mrs. Fred Stafford of Williamsford, Ont.; Mr. and Mrs. W. D. Phillips and two daughters, Mildred and Elda of Hamilton, Ont.

A reception and dance was held in the Nunda Grange hall in the evening to offer congratulations. Glen Hartwick's orchestra supplied the music. The bride and groom are hale and hearty and led off in the grand march which started the young people dancing. This fine old couple are the parents of ten children and twenty-six grand children, all living and who were all present except one son who resides in Chicago.

The groom was a son of the late Mr. and Mrs. John Galbraith, while the bride was Margaret Clark, the youngest daughter of the late Mr. and Mrs. Thos. Clark, both were born and raised near Flesherton, Ont., where many old friends and relatives still reside, who will join in wishing them many more years of happy wedded life.

Seven Eclipses In 1935

In the year 1935, which is not so far in the future, the world is to be treated to a heavenly show which no man now living can recall ever seeing before. From January to December there will be seven eclipses, five of the sun and two of the moon. This is the greatest possible number of eclipses that can happen in any one year, and it is 128 years since the event has occurred. The last time this series of eclipses took place was during 1805, when Lord Nelson won Trafalgar.

As far as Canada is concerned, the interesting thing about the seven 1935 eclipses is that five for certain and possibly six of them will be visible from various portions of the Dominion.

THE WORLD'S LARGEST HOG

Hoping to show the world's biggest hog at the Chicago World's Fair, Walter Chappell, Jackson, Tenn., has been feeding his big Poland-China boar a diet that he hoped would bring him to 3,000 pounds by fair time. A few days ago when the hog tipped the scales at 2,550 pounds, highest weight ever to be known to be attained by a porker, the animal broke a foreleg under the strain of so much poundage and paralysis set in. His owner had to have him killed, which he did with chloroform, then had a taxidermist stuff and mount the monster hog to show the skeptical ones just how big he was.

KIMBERLEY

Many of our people were excited on Saturday, when they saw the Italian seaplanes pass over the end of the valley and bay at Meaford. 12 could be easily seen at one time, then in a few minutes, 8 or 9 more could be counted from here. The roar of the engines could be heard for many miles.

Misses Verda and Merelda Taylor of Oshawa are holidaying with their grandmother, Mrs. Jas. Lawrence.

A pleasant event took place at the home of Mr. and Mrs. D. L. Weber on July 16, when all the families of Mr. John Weber Sr., gathered to celebrate with him his 84th birthday. Over 40 had tea and pleasant chat with him as he is still smart on his feet and retains his fine memory. Those from a distance were: Mr and Mrs. W. Marshall, Mr. and Mrs. Fay Marshall, Miss Geraldine Weber, Mr. A. Wardman, Toronto, along with the sons and daughters and friends. We extend our best wishes for many more happy birthdays to Mr. Weber. Mr. John Weber, Mrs. W. Barnhouse, son and daughter, were not present.

Most people wore a smile when they saw the rainfall Sunday. It was accompanied by a heavy downfall of hail, a good deal of it about an inch square. It could be gathered in places over an hour later. Little damage was done, as there was very little wind.

Mrs. Flavins, Miss Mary and the boys are in rooms of Mr. A. Lawrence for the summer holidays.

Mr. D. Stuart of Flesherton spent a week the guest of the Flavin brothers.

Mrs. McLaughlin and Albert of Hamilton are again occupying the parsonage.

The next meeting of the W. I. will be at the home of Mrs. J. Cornfield. An apron parade will take place, with a prize given.

The berries are just beginning. They are plentiful, but quite small, owing to lack of rain.

The many friends of Mr. and Mrs. Stan Lawrence gathered at the home of Mrs. Jas. Lawrence to wish them happiness and presented them with three lovely gifts.

Mr. and Mrs. L. Fawcett of Smith's Falls visited the home friends here for a week.

Mr. John Reid, a former Kimberley boy, has opened up the blacksmith shop for business. We wish him and his family welcome and success.

Mrs. Reid and son, Ernie of Meaford spent a day with Mr. and Mrs. John Reid here.

Miss Estelle Hammond is spending a few weeks the guest of the Graham sisters.

Tourist: Have you ever lost a tourist in these rapids?

Boatman: Never, Sir—a man was drowned here last week, but we found his body the next day.
