There was a good turn out to the Ladies' Aid Tuesday afternoon at the home of Mrs. Morwood. A quilt was quilted for sale, and a 10c tea served. The copper contest was extended for another month. About $5.00 was taken in. The next meeting will be at the home of Mrs. Myles.

Miss Edith Abercrombie is visiting with her grandmother, Mrs. T. Abercrombie.

Kimberley football team and supporters journeyed to Heathcote Tues. night to take part in the sports program and ice cream social. Kimberley defeated a picked team from Heathcote and district 1-0 in the first of a home and home series. Kimberley gave good value for last nights comfortable win, although Heathcote eleven forced the pace in the early stages. Kimberley was just settling down to the serious game of football when Laurie Lawrence collided with Ed. Bailey of Heathcote. Bailey had to be carried off the field. A substitute was allowed when Bailey was unable to return at half-time. In the second half Kimberley got down to business and no sooner was the ball played when Burrel McConnell got it on his own half back line and dribbled his way right through the entire Heathcote team to score on a lovely shot. H. Fawcett starred often for Kimberley and on two occasions in the first half and three in the second half grazed the cross bar with beautiful shots from the left-wing. Before his accident Ed. Bailey was the most prominent of the Heathcote team, his performance carrying his team mates into Kimberley territory on numerous occasions. Kimberley players and supporters wish Bailey the best of luck and a speedy recovery.

Cow Fell Asleep Broke Man's Limb

(From our Kimberley correspondent)

Mr. Henry Walton met with a serious accident on Thursday night of last week. As he was milking a quiet cow which was contentedly chewing her cud the animal fell on him, breaking his leg a few inches above the ankle. It is supposed by some that the bossy fell asleep. The fracture was reduced and Mr. Walton is resting as comfortably as he could under such circumstances.

MEETING HELD AT PRICEVILLE

A meeting in connection with the Bible Society was held on Friday evening last in St. Columba church, when Mr. W. Kadlang of Toronto gave an interesting address on the Bible quoting tha many languages in which it is translated, and the eagerness of some of the aborigines to secure a copy. The progress of the distribution and the number of copies of the Bible printed by the British and Foreign Bible society is remarkable, of which the Upper Canada Bible Society is a branch. Collect solicitors were again appointed and officers re-elected with Mrs. (Rev.) Shtherland, secretary.
