ENTERING HIGH SCHOOL

Thousands of young men and young women (they aren't boys and girls after they get out of the grades) will enter high school this year, and if they are the right kind of young people they will get the right kind of thrill from this experience.

Entering high school is an epochal event in the life of anyone who is blessed with the opportunity. Most students never get beyond the graduation period in the high schools. After that they either go to work or loaf or do a little of each.

A great many young people who enter high school never graduate, and that is a very sad mistake for them to make, and a still graver mistake on the part of the parents, providing the latter deliberately gave their consent to a child leaving high school without graduating, when it is not necessary.

The first day in high school marks the beginning of an important event in the life of the young man or young woman who enjoys the privilege of acquiring this important education.

There will come a time in the history of this country (and it is approaching rapidly nowadays) when a young person without a high school diploma is going to find things pretty hard in this life. For education is the stepping stone to success and independence and without it all is slavish labor and, interminable discouragement. Those who entered upon high school life today are to be congratulated. They are marching over a royal road and paving their own life's highway so that progress will be smooth and sure.

MOORE—PATTON

An arch of garden flowers formed an effective setting in the home of Mr. and Mrs. J. W. Patton of Ogden, Alta., on Wed., July 26, at 3 o'clock, when the wedding was solemnized of their younger daughter, Olive Eleanor, and Mr. Harvey Powell Moore, of Springbank, Calgary.

Rev. A. R. Aldridge officiated at the ceremony.

The bride, who was given in marriage by her father, wore a gown of mauve organdie. She carried a shower bouquet of Johanna Hill roses and mauve sweet peas.

Miss Lina Patton, sister of the bride, acted as bridesmaid. Her pretty dress was of flowered chiffon in pastel shades. Her bouquet consisted of sunshine carnations and sweet peas.

Mr. Harold E. Patton was groomsman.

Following the wedding a reception was held in rooms decorated with a profusion of summer flowers. The bride's table was centred with a three-tiered wedding cake.

Mrs. J. Patton, mother of the bride, who received with the wedding party, wore a gown of black pique velvet and corsage of butterfly roses.

About forty guests attended the wedding, including immediate friends and relatives.

Mr. and Mrs. Moore left on a motor trip to the coast and upon returning will reside at Springbank.

HOLDFAST U. F. W. O.

The August meeting of Holdfast U.F.W.O. club was held at the home of Mrs. Archie Stewart, with 20 members and 12 visitors present. The meeting opened by singing the club song and repeating the creed. The roll call was answered by a cent for every year of the club's age. After the usual business an excellent program took place: Mrs. John MacWilliams sang two solos, "Mother Machree" and "The Wee House Among the Heather." Miss Agnes Macphail spoke a few words to introduce Miss Henderson and then Miss Nora Frances Henderson of Hamilton addressed the meeting. Miss Dora Stewart gave a couple of piano selections. The meeting closed by singing the National Anthem, followed by lunch and a social half hour was then spent. The next meeting will be held at the home of Mrs. Geo. Campbell.

Despite the Scotchman's objections the modern Chicago version is "The Fliers are coming, ho, ho, ho, ho."
