Hill Climbing Record Won Near Kimberley

Three gruelling hill climbing records were established near Flesherton over the week end when Chet Miller, noted United States speed racer, holidaying in the Georgian Bay country, consented to try the well-known hill climbs in this area at the invitation of the Canadian Automobile Association. These established Canadian records.

The first feat was the Bowles Hill climb, a 1.07 mile stretch of rough gravel road with three sharp elbow turns and three steep pitches. Situated immediately west of the Eugenia Falls hydro plant and having an approximate grade of 15 per cent, the flying start time run was completed by Miller in his Terraplane Six in 1 minute, 48 seconds. The hill was then successfully negotiated in high gear from a standing start, a feat never before accomplished on this mountain climb. No time was recorded on this.

Miller then swung across to the west slope of the Kimberley Mountains. The average grade of this mountain road is 17 per cent., the difficulties being enhanced by the rough gravel surface, an S-turn and a sharp elbow turn with a 22 per cent. slope. The distance is nine-tenths of a mile. From a standing start at the bridge which crosses the west branch of the Beaver River Miller completed a high gear climb to the summit in 1 minute, 59-3-5 seconds.

Miller then tackled the east slope of the Kimberley Mountains, the most difficult and hazardous of the three climbs of the day. This is a 1.02 mile stretch with an approximate 16 per cent. grade, a dirt road with stretches of baked clay, gravel and outcropping rock formations that are dangerous. To add to the difficulty of negotiating this steep mountain climb, there are three sharp elbow turns. The high gear climb from a standing start at the bridge at the foot of the mountain was completed in 2 minutes 50 seconds flat.

SEMPLE—LAWRENCE

A wedding of interest took place at 6 o'clock Saturday evening in St. John's Anglican church, Weston, when Lillian Amelia Lawrence, second daughter of Mr. and Mrs. Charles B. Lawrence, Harding Avenue, North York, was married to Alfred Alexander Semple, son of Mr. and Mrs. Wm. Semple of Eugenia Falls, Rev. W. E. Mackey officiating. The bride was charming in a gown of white satin, made on long lines, and wore a lace veil with orange blossoms, and carried roses and lily-of-the-valley. Miss Laura Wigmore of Mount Dennis, the bridesmaid, was in blue crepe with matching accessories, and also carried roses and lily-of-the-valley. Mr. James Lawrence was groomsman, and Mr. George Lawrence and Mr. Jack Hales, ushers. Miss Olive Huff played and Miss J. Davidson sang. Following the ceremony a reception was held in the Hardington Anglican Mission. Mr. and Mrs. Semple left on a short motor trip to points in Western Ontario, the bride travelling in a grey serge suit with accessories to match. On their return they will reside at 296 Indian Road Crescent. Mrs. Semple has the distinction of being the first bride to have her marriage banns called in the Hardington Mission. The groom was known in this vicinity as Fred Semple; we wish the happy couple a long and happy journey through life.

Camp Ends At Holstein

A leader's camp, held at Holstein July 14 to 16, although rather a new venture in this district, was most successful. It was planned for leaders of young people, Sunday school workers, and anyone interested in such work.

The camp was organized to a large extent through the efforts of Alex. Sim, Premier of 1933 Boys Parliament.

Under the direction of Rev. A. E. Duffield of Toronto a program of very profitable discussions, addresses, worship services, campfire sessions and recreation was carried out. A group from Hamilton and Dundas most capably supervised the recreational activities of camp.

A series of meetings is being planned for the fall, in various centres of this district. It is hoped that these will be well-attended by young people and leaders of young people.

Mr. Hepburn says he is going to put a Toronto Liberal in his cabinet. He may if the Toronto conservatives [illegible] to elect a Liberal.

A Big Salmon Trout

The town of Meaford gives three prizes each year to the party who catches the largest salmon trout during the season. Up until Saturday last the record was held for a fish weighing 28 pounds, when Roy H. Ritzhaunt of Niagara Falls, N. Y., stepped into the ring with a fish weighing 30 lbs. The Advance had the pleasure of seeing this monster. The fish was not a handsome specimen being coarse looking and "pot bellied." It was a foot in diameter and must have been an ancient.

An Abino Groundhog

Wm. Plester of Lot 8, Con. 9, Proton, is the proud possessor of a pair of albino groundhogs. He found the two in his field. One of them trekked for his home hole, while the other stood its ground and allowed itself to be picked up. Mr. Plester then went for his trenching tools and dug the animal out. They are pure white—as white as any white rabbit—and half grown. The animals are male and female. It is most unusual to find such pure white albinos in the animal world. When this condition does occur the subject is mostly of a dirty white. Mr. Plester is quite proud of his capture. It will be interesting to learn if this pair would breed more white groundhogs.

Showing At Exhibition

Flesherton will be represented in the competitive classes of Handicrafts at the Canadian National Exhibition this year. Mrs. H. A. McCauley has made her entry which will be displayed in the Women's Building between August 25 and September 9.

The Canadian National Exhibition reports that this year's entries in the Women's Work and Handicraft Divisions are the greatest in the history of the Exhibition. To date they number well in excess of five thousand individual entries comprised of needlework, handicrafts and cookery done by men and women from all parts of Canada.

W. M. S. Meeting

The regular monthly meeting of the W.M.S. was held in St. John's United church on Friday, 18th inst. Mrs. G. Mitchell presided. "Jesus, thou joy of Loving Heart's" was sung, 12th Chap. of Romans was sung and all engaged in silent prayer, which was followed by the Lord's prayer in unison. The latter part of the chapter dealing with the W.M.S. in His Dominion of Canada was taken by Mrs. Thurston. The devotional leaflet, "The Woman of Great Faith," was read by Mrs. W. Boyd. "Jesus calls us o'er the Tumult" was sung and Mrs. J. Thompson led in prayer.

Mrs. W. I. Henry, 2nd V.P., took the chair in the absence of the President; minutes were read by Mrs. Cargo. A letter was read from Mrs. J. H. Packham, Presbyterial Sec. of the Kingdom of God movement calling upon the members to set a part of each day aside for Prayer and Bible study. Miss Lottie Armstrong of Toronto was present and told of the result of Prayer in reaching their allocation. Collection was taken, the roll was called and 16 responded.

Flesherton Made Sure Of Play-off Berth

Flesherton closed the Centre Grey Baseball League schedule Saturday afternoon with a decided win over Ravenna by a score of 12-7. This win leaves Flesherton in third place and in a play-off berth, providing that Vandeleur loses to Dundalk in their postponed game, the locals having finished the season with four straight wins after four defeats.

The first inning Ravenna threw a scare into the Flesherton ranks by five men flashing over the pan with runs, while Flesherton collected one. Eleven men faced Phillips in this inning and when the smoke from six hits and a walk cleared away there were still three men on bases when the third man was out. After this disastrous inning Phillips tightened up and allowed only two runs in the next eight innings. He had excellent support in the field, Jack McLeod at short stop being especially brilliant at making catches and picking up grounders.

Following is the box score:

Summary — Runs batted in: McLeod and Sled 3; Best, McTavish and Gardner and Huctwith 2; Pearen Teed, Walters, Betts and Jenkins 1. 3-base hits: McTavish, Huctwith. 2 base hits: Pearin, Best, McTavish, Dargavel. Sacrifice hit, Huctwith. Struck out by Pearen 8; by Phillips 6. Walks: Pearen 4; Phillips 3. Double plays: Jenkins to Teed. Left on bases, Flesherton 9, Ravenna 9. Hit by pitcher Pearin: (Dargavel). Umpire, Dundas.

McLeod, Best and Sled had a splendid afternoon with the willow, the former two slamming three hits on five trips and the latter three hits from four tries. Gardner was the best for Ravenna with three hits from five times at bat.

Graham Beard caught a great game for Flesherton, but was woefully weak at the bat, striking out each of his five trips to the plate. At Ravenna on August 10th he secured three hits on five times at bat, one of them being a home run to centre field. In the same game Phillips hit the longest home run of the season, a clean blow over the centre field fence at Ravenna. Flesherton won this game 17-12.

Pearen pitched a very good game for Ravenna, allowing four walks and hitting one batter, at the same time striking out eight batters. Phillips struck out six and gave three walks. He tightened up after the first inning and was practically invincible. Nine men were left on bases by each team.

Why Dundalk did not have one of their postponed games played last week is a mystery to us, as the only game scheduled was the one in Flesherton. Dundalk has games with both Vandeleur and Kimberley and they are important ones too. The Leadue head should have seen that one of these games were played, or else have both of them held in one week.

Bob Dargavel was in his second game of the season and his one hit at three times to bat was a slashing double and scored on Huctwith's triple. Ken Betts covered first base in his usual style and Cecil McTavish held down second equally as well.

George and Wilfred McMaster, Clarence Alexander and Jack Brackenbury played football with Priceville on Saturday evening in Markdale against the Blue Mountain Rangers. The game resulted in a 1-1 tie, with Jack Brackenbury scoring the Priceville goal on a pass for a clear shot.

Collingwood tennis players were in Flesherton on August 10th for a tournament, which resulted in a tie. Clarksburg came to town last Thursday afternoon, but rain interferred with the tournament. This Thursday the Flesherton players will be in Collingwood for a tournament, and the following week at Clarksburg.

Regiment Returns

"D" Company of the Grey Regiment returned on Friday last from the annual camp at Victoria Park, Owen Sound. All report the camp the best one in experience, the surroundings congenial and the food the best that could be expected. The city of Owen Sound has gone to great expense in fitting up this park as an entertainment area and have the entire grounds in excellent condition. In each of the tents in the lines of the officers and men electric lights were installed, which added considerably to the convenience of the men. Wash stands for the men were built and showers erected, which were enjoyed by all who used them. We heard many comments from the men on the excellent facilities provided for them and they hoped that the camp would again be taken to Owen Sound.

The Flesherton Company had a pleasant visit during the week from four old members of No. 6 company, 31st Regiment, in the persons of W. J. Bellamy, John Weber, John Wright and Jos. Field, two of whom, Mr. Weber and Mr. Field, possess the medal for long service in the volunteer forces. The average combined ages of the men is about 78 years and all first went to camp with the 31st Regiment from 53 to 62 years ago. It was a pleasure for the officers and men of the company to have these highly regarded citizens visit the camp and notice the many changes that have taken place in regimental camp life since they first attended.

Osprey Barn Burned

During the severe electric storm which passed over this district on Saturday evening the large barn on the L. O. Moore & Sons homestead on the Centre Line of Osprey, two miles west of Badjeros, was struck by lightning and completely destroyed by fire. The alarm was given by Sid Priddle who with his family occupy the house on the property. The barn contained twenty-five tons of hay, ten tons of straw and some grain of last year's crop. Mr. Lauder St. John of Hopeville who was visiting with the Priddle's over the week end and had his horse tied in the stable, was able to get it out safely and also drive out five head of cattle which were lying in the stable at the time the bolt struck. The fact that a heavy rain fell while the fire raged saved the house and also the barn on the adjoining property owned by Wesley Macklem. The loss was partly covered by insurance. The house was ablaze three times but in each instance the blaze was extinguished by willing helpers. It is the intention to start re-building at once.—Dundalk Herald.
