D. McTavish & Son

Goodyear Distributors FLESHERTON

If it's worth buying, it's worth advertising.

Man in Boston suggests that unemployment be relieved by shooting all men over 45 years of age. Just how old is the gentleman in Boston who makes the suggestion.

Marconi says he can eliminate static from radio. With some programs it wouldn't make much difference.

It sounds an awful lot more soothing to talk about the last rose of summer than the first trip of the coal man.

Feversham Wins Again

The Feversham Maple Leafs defeated a picked team from Eugenia, including three Flesherton players on Saturday evening on Feversham grounds. The play was fast and clean throughout. Again the heavy kicking of Feversham defence and their light footed forwards won the game to the tune of 2-0.

Henderson for the Leafs scored the first goal on a corner kick with a nice flip of his head, driving it through the goal and scoring in the first five minutes of play. The second goal was scored in the first part of the last period on another corner kick when Campbell, goalie for Eugenia, was crowded through the goal ball and all.

This is Eugenia's first year at football and they are real sports and good clean players. A good crowd attended the game showing the interest in this very popular sport. Following is the line up:

Eugenia — Goal, Campbell; full backs, Parks, Alexander; half backs, Williams, Genoe, Pedlar; forwards, Kaitting, Alexander, Brackenbury, Crow, Campbell.

Feversham — Goal, Thomson; full backs, Kerton, Whalenn; half backs Shortt, Beatty, Conn; forwards, Hudson, Moore, Henderson, McMullen McKenzie.

Referees — Kaitting and Davidson.

YOU DO SOMETHING

Charles Edison, president of Thos. A. Edison, Inc., and the son of the world-famous inventor, recently sent the following message to his own organization:

"Buy something—buy anything — anywhere! Paint your kitchen. Send a telegram. Give a party. Get a car. Pay a bill—rent a flat. Fix your roof—get a hair cut. See a show—build a house. Take a trip.—sing a song. Get married. It doesn't matter what you do—only get going. This old world is starting to move!"

If we all take Mr. Edison's advice our country will be a busy, happy prosperous place in a few months.

They were settling a number of preliminary details, as young people will before they embark upon the seas of matrimony.

"Do you believe in allowances for married women?" she asked.

"Certainly," he replied. "I think a husband should make allowances for a lot of things."

Local and Personal

Mrs. J. C. Adams is spending a couple of weeks in Toronto.

Mr. and Mrs. E. A. Preston are holidaying with relatives in Mount Hope and Hamilton.

Mr. Herbert Akins of Toronto spent a few days with his parents, Mr. and Mrs. C. Akins.

Mrs. McCallum returned to her home at Calgary, Alta., after spending several weeks with her brother, Mr. W. J. Caswell.

Mrs. Geo. McKee and daughter, Kathleen, of Toronto spent the week end with their cousin, Mrs. F. J. Thurston.

Mr. and Mrs. J. A. Richards of town and Master Howard York of Markdale visited on Sunday at the former's parental home at Lucknow.

Miss Alice Armstrong of Meaford ford has commenced clerking in the store of her uncle, Mr. F. H. W. Hickling.

Mr. T. J. Fisher intends to move his barber shop at the end of this month to a new position in F. W. Duncan's new building.

Miss Kathleen McDonald and friend Mr. Thauburn, of Toronto spent the week end at the home of Mr. John McDonald.

Messrs. Jas. Stewart and Ed. Seeley brought their horses home from Sauble Beach on Thursday, after conducting a successful riding school there during the summer.

W. A. Blackwell, Opt. D., the well-known eye specialist, will be at the Park Hotel, Flesherton, on Wednesday, September 20th. Please phone for appointment.

Mr. Jack Dow is able to move around now without the aid of crutches. He had his leg broken in the first baseball game at Kimberley on June 15th.

Mr. W. W. Ramage of Priceville has a fine large peach tree on which at the present time, are about a dozen peaches. It is a rare thing to see peach trees bear fruit in this locality.

Rev. J. R. Wilkinson of Temple Hill will occupy the pulpit in the United church, Sabbath a.m., while Rev. W. J. Scott will take Mr. Wilkinson's work.

This Friday the annual Artemesia Rural School Fair is being held in Flesherton, when it is expected that a large number of schools will be entered in the various competitions.

Mr. Harold Allen, son of Mr. and Mrs. R. Allen of Springhill, underwent a serious operation in the Oakwood Clinic, Toronto. His parents were to see him on Sunday and reported his condition as critical.

Mr. Steve Sutton of town has taken over the Brackenbury garage on Collingwood street to operate. Messrs. Gibson and White who have operated the garage the past three week's returned to Collingwood last week.

The duck hunting season opens in this district on Friday of this week Observers state that at present there are very few ducks on the Eugenia Lake, so the pickings of hunters on Friday will be scarce at that point.

Mrs. H. A. McCauley had excellent success in showing fancy work at the Canadian National Exhibition Seven pieces were exhibited and under heavy competition took a first prize, three second prizes and one third prize.

Mrs. J. G. Coleridge of Kingsville visited her parents, Mr. and Mrs. D. McTavish last week. Miss Mary McTavish, Mrs. Cecil McTavish and Miss Aleda Mitchell accompanied Mrs. Coleridge to Wasaga Beach, where they will spend the week.

Mr. and Mrs. W. G. Kennedy spent the past week in Toronto, where the former's father underwent a serious operation in the Private Patients Pavillion of the General Hospital They returned home on Sunday and Mr. Jack Kennedy went down to be with his father this week.

Mr. and Mrs. S. J. Stauffer and little daughter of Toronto moved last week to the Stewart residence on Collingwood street. Mr. and Mrs. Stauffer have spent the summer at the home of Harmon Radley, east of Flesherton.

The prize lists of the Priceville fall fair were distributed to members last week and any person interested can secure one from Secretary W. W Ramage. The dates of the fair this year are Thursday and Friday, September 21 and 22.

Nurses Graduate From The Durham Hospital

On Friday evening of last week graduation exercises of the Durham hospital took place in the town hall when three nurses from this district graduated. Among the class of six graduates were Mabel E. Moore of Singhampton, Marjorie E. McLeod of Proton Station and Annie Robertson of Maxwell. A. Catherine Milne of Elmwood, sister of Dr. J. E. Milne of town, was also one of the graduates. This is the last class to graduate from the Durham Red Cross Hospital, as the edict of the Provincial Nurses' Association states that nurse training cannot be conducted in hospitals of under 50 bed capacity.

Richest Farm Fertilizer

Poultry manure is undoubtedly the richest product on the farm. Poultry manure, however, ferments very quickly, losing, if left exposed, a large proportion of its nitrogen as ammonia. This fact emphasizes the desirability of systematically and frequently cleaning off the boards beneath the roosts, a plan that also conduces to the general good health and thrift of the fowl. In summer the manure, previously mixed with loam to destroy stickiness and facilitate distribution, may be applied directly to the land and worked with the surface soil—its best preservative. In winter (and at other seasons when the manure cannot be used directly) it should be mixed with a fair proportion of loam, dried peat, muck sawdust, together with a little land plaster or superphosphate to fix the nitrogen. It should then be packed tightly in barrels or boxes and stored protected from rain until required in the spring. Lime and wood ashes should not be used for this purpose as they set free nitrogen. Poultry manure being essentially nitrogenous is particularly valuable for garden and leafy crops generally, and the majority of poultry keepers will no doubt do well to reserve it for this use. However, if the amount available permits, it can be profitably employed for cereals, grasses, roots and corn.

Be careful when the chap who rocks the boat handles a gun.

Sugar can now be included among Manitoba's diversified farm products. It isn't exactly news to be informed that they're raising cane out there.

I always like to add a spice of danger to the ordinary things of life."

"Is that why you are eating your peas with your knife?"

HOUSEHOLD TABLOIDS

Potatoes soaked in cold water for two hours before boiling will be white when cooked.

* * *

A little lemon juice added to the water in which rice is boiling will whiten it wonderfully.

* * *

To remove ink stains from linen, cut a ripe tomatoe in half and rub the stain, leave for a few minutes and then repeat until the stain disappears.

* * *

The ugly ring which gasoline often leaves when used to clean delicate materials, can be avoided by adding a little salt when cleaning.

* * *

When potatoes are nearly cooked add salt to insure flouriness and to prevent them from going to pieces.

* * *

A dry cork will remove stains from silver and never scratch it. If the cork is cut to a point it can be worked in the crevices which have become tarnished.

* * *

One or two pieces of bread placed in the pan will prevent grease from splashing on the stove.

* * *

A lemon heated before squeezing will give twice the amount of juice.

* * *

Burnt marks on pie plates and dishes will vanish like magic if treated with cork dipped in wet salt.

* * *

A poultice will keep hot if put on a piece of waxed paper.

* * *

To clean velvet or plush, rub it briskly with damp salt and then brush it using a stiff brush.

* * *

To remove spots on rugs, rub corn starch into nap and let remain for a couple of days. When brushed the grease or mud spots will disappear.

* * *

When peeling fruit or vegetables put a slit in a small cork and fit it in to the back of your paring knife. This will save your fingers.

* * *

Knitted socks last longer if a silk or coarse crochet thread is knit with the yarn in the heel and toe.

* * *

A pinch of salt added to strawberries when preserving will help to retain the color.

C.N.R. figures for July show an increase of $611,758 in net revenue, as compared with 1932. This is encouraging.
