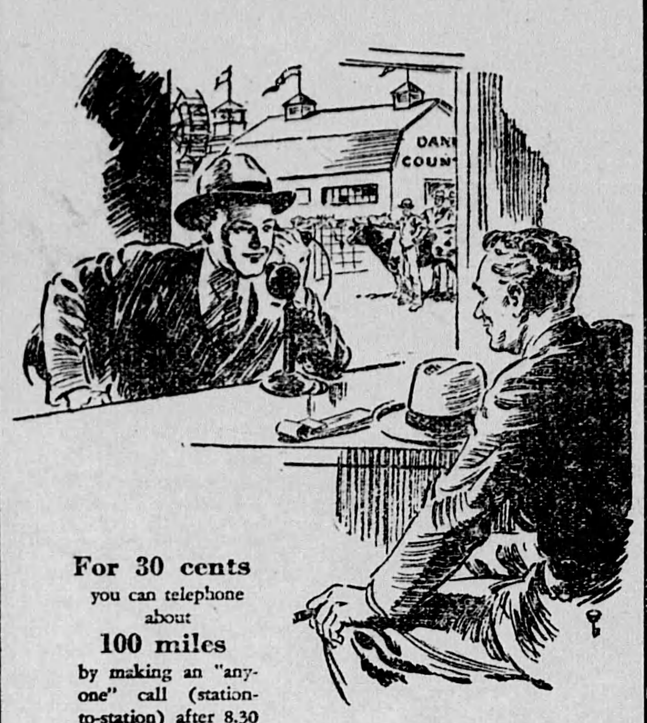
When a deal is hanging fire and the responsibility's yours—and you're just a little doubtful—and you'd like the benefit of Dad's advice—just reach for the nearest telephone and give him the facts. He's never far away by telephone.



For 30 cents
you can telephone about
100 miles
by making an "any-one" call (station-to-station) after 8.30 p.m. See list of rates in front of directory.

THE BELL TELEPHONE COMPANY OF CANADA — LOCAL LONG DISTANCE TELEPHONE

We can't understand these bank robbers. Haven't they been reading those articles telling what a terrible place Kingston Penitentiary is?

A despatch in the dailies from Sault Ste. Marie tells of a ram giving a wolf that was killing a sheep such a head-on charge that the wolf's skull was fractured. The report did not say whether or not the ram had a pedigree but any sheep valuator would be justified in valuing that ram at more that $15 if any dog was powerful enough to worry that old wolf killer.

Switchboard For China

Local Telephone Office Has New Switchboard — Are Improving Equipment

During the past week the Bell Telephone Company has been making extensive alterations at the local Bell office, installing more modern equipment nd otherwise improving the system. A new compact switchboard has been installed that will accomodate 165 lines for the use of patrons, besides about one dozen toll lines for long distance communication. According to the local manager, Mr. W. E. Turney, the old switchboard that has been in use for many years will be shipped to China to a missionary for their own use in telephone work. Its usefulness for many more years is thus ensured.

SKIM MILK OR MEAT FOR WINTER EGGS

In order that a poultryman may get every cent of profit coming to him, he must avail himself of all the means at his disposal to produce cheaply.

For instance when whole milk is sold anywhere from 60 cents to a dollar a hundred pounds, skim-milk has little value, yet if it is fed to poultry it will bring fair returns. If skim-milk were used instead of beef-scraps as a source of animal feed, poultrymen would cut down on their feed bill and their cost of egg production at the same time.

An experiment conducted at the Dominion Experimental Station, Cap Rouge, Que., for five seasons proved rather conclusively that the lot of birds receiving skim-milk laid more eggs and gained more weight than the one which was fed beef scrap, other feeds being the same.

Skim-milk should always be fed sweet or always sour so as to avoid bowel troubles. Where skim-milk is not available beefscrap will have to be resorted to but the cost of production will be higher. No poultryman or farmer keeping hens can afford these days to feed expensive animal feeds when they can use skim-milk at greater advantage. Let us make a better use of the products which are at our disposal.

An old trapper says that skunks are getting very fat at present, and he regards that as a sign of a long winter. Sort of a long pull and a strong pull.

Local and Personal

Miss Kate McMillan of Toronto week ended at her home here.

Mr. Glen McDonald of Chatsworth was a visitor in town on Sunday.

A blanket of snow covered the ground on Tuesday morning, the first heavy fall of this season, and continued falling on Wednesday morning. Altogether about six inches of snow fell during the day.

Anniversary services will be held in Maxwell United church on Sunday, October 29th at 11 am. and 7.30 p.m., when the pastor will preach at both services. The local choir will be in charge of the music, and will be assisted in the evening by a trio and a soloist from the Flesherton United church. Everybody welcome.

Flesherton high school teachers attended a convention of District No. 14 of the Ontario Secondary School Teachers' Federation at Owen Sound on Saturday. The Ontario Federation is considering the establishment of a sick benefit fund throughout the province and the different districts have been asked to give their opinions. The local district favors such a move, Saturday's meeting decided. The matter will come up for consideration at the annual meeting of the Ontario body in December.

Settlers in Northern Ontario are having a hard time cutting farms out of the bush. Our forefathers in Ontario went through this experience with flying colors.

Three brothers in or near Kitchener became fathers on the same Friday, the 13th. The brothers may get the jitters about such a combination of days and dates, but the stork doesn't.

Live Stock Report

A pick-up in demand in late trading enabled traders to cut the stale cattle supply in half on the Toronto market yesterday. Approximately 1,200 head were still unsold at the close. Prices remained weak on all grades. Calves sheep and lambs were steady. Receipts included 920 cattle, 360 calves and 1,620 sheep and lambs.

Common to medium weighty steers and butcher cattle ranged from $2 to $3.50. Cutters sold at $1 to $1.85. Choice weighty steers sold up to $4.50, with a few choice butchers $4 to $4.25. Good butcher cows ranged from $2 to $2.25, with some $2.50. Canners were mostly 75c. Bull trade was dull, with prices $1.50 to $2.25. Fed calves were slow at $6.50 to $6.75, with a few choice $7. Light stockers made $1.50 to $2.50. A few good feeders were $3.

Choice veal calves were steady at $7 to $7.50, with common vealers $3.50 and grassers $1.50 to $2.50.

Good car lambs went at a top of $6.25, with off-truck lambs $6. Buck brought $5, with heavies $5.25. Culls closed at $4.50. A few good light sheep sold at $2 to $2.50 per cwt., according to quality.

Hog prices held unchanged with Monday's close in fairly heavy trading. Bacons sold at $5.10 f.o.b., $5.35 off trucks and $5.60 weighed off cars. Early in the session packers' bids were on a basis of $5 f.o.b. Receipts were 1,240 head.

W.M.S. Sectional Meeting

A Sectional Conference of Grey Presbyterial of the Woman's Missionary society was held on Monday of this week in Inistioge church. Mrs. W. J. Scott, 1st Vice President was in the chair, and the opening exercises were conducted by five ladies of the Proton auxiliary, Mrs. Acheson leading in prayer, the theme was "Our Blessings."

Mrs. W. H. Smith, Presbyterial Associate Helpers' Secretary, spoke on the work of her department, she said ⅔'s of the women of our church are not members of the W.M.S. The aim of the society is an auxiliary in every church and every woman a member; we should plan to secure new members, pray and persist—never be discouraged.

Mrs. Packham of Owen Sound spoke on the Kingdom of God Movement referring us to the September Missionary meeting for a good outline of the movement. Mrs. Smith had given one of the aims of the W.M.S., another one is the deepening of the spiritual life of every member. She advised the conference to spend at least fifteen minutes a day in reading the Scriptures in prayer and meditation.

Mrs. E. C. Murray, President of the Presbyterial, introduced and welcomed the three missionaries present —Dr. Retta Kilborn of Chengtu, West China; Miss Kate Rutherford from Dondi, Africa, whose home is at Leith in this county; and Miss Elizabeth Hawken from Radway School Home, Alta., whose home is at Markdale.

Miss Rutherford spoke at some length of her work in Dondi, Africa, which was very interesting; she contrasted the christian native with the one who had not been touched by the Gospel of Christ, much to the disadvantage of the latter. She has been teaching in Day School and girls boarding school, this is her first furlough.

Mrs. F. J. Ritchie, Markdale, Temperance Sec., spoke on her department, and advised that every woman make known to Premier Henry that she has strong objections to wine and beer being sold by the glass in hotels.

The ladies of the church at Inistioge invited all to remain for tea and attend the night meeting. The church was well filled at both sessions.

St. John's Anniversary

St. John's United church held its anniversary services on Sunday, when Rev. C. F. McIntosh of Orangeville, preached to large congregations at both services. The pastor, Rev. W. J. Scott, took Mr. McIntosh's work at Orangeville. Mrs. Bryce rendered a beautiful soprano solo at the morning service, while a quartette, composed of Mr. Jas. Robertson, Dr. E. C. Murray, Dr. J. E. Milne and Geo. Cairns gave a well rendered quartette in the evening. The choir also presented two fine anthems.

Tuesday evening Knox church choir of Owen Sound presented a choral concert before a large audience. All the numbers were exceptionally well rendered, while the tenor solos of Mr. Harold Bruin and the baritone solos of Mr. Jas. Milne were vociferously applauded. The Neapolitan string quartette assisted in the accompanying in various numbers and also presented two musical selections. Mr. Clifford Bunt, a member of the quartette, gave a splendid trumpet solo and the duet of Mr. Moss at the pipe organ and his young son, Earl, at the piano was heartily applauded.
