"Memories"

By A. S. THURSTON

ARMSTRONG, John Wesley — Was born in Kilkenny, Ireland, in 1831, and came to Canada with his parents when 17 years of age. The family remained in Toronto for a year, and then proceeded northward to the new county of Grey. Settling at Inistioge named after his birth place, the subject of this sketch, having in the meantime continued his studies, was appointed the district teacher, and subsequently was selected as Clerk of the Division Court. Here he married Miss Elizabeth Wilson, whose family had come from Enniskillen, Ireland, and entered on what was destined to be a very happy wedded life. In 1865, the family moved to the, then, embryo village of Flesherton, and thenceforth, until his death in his 64th year, in the fall of 1895, he lived a harmonious and helpful life, serving his Province in the work of the local Court and as a Magistrate faithfully and well.

It was natural, too, that one so well equipped should be called upon to perform other duties for the community. Very early in life, he took a live interest in the work of the Methodist church, was a teacher in the Sunday School in his 'teens and Superintendent of the school for over 40 years; for many years, too, he was a member of the Official Board, and recording secretary and treasurer of the church for the long period of 30 years. At every General Conference, from the earliest years of the local church, he was a representative and he was an active delegate in the General Conference that completed the union of the Methodist and Methodist Episcopal churches, held at Montreal in 1884.

He was a pioneer in the county in Freemasonry, was a charter member of Prince Arthur Lodge, No. 333, A. F. & A.M., Flesherton, and was for many years Master of L.O.L. 244, Proton Station..

In all these offices Mr. Armstrong exemplified the highest type of national and municipal patriotism, nor did his labors of love for his fellows end here. From his youth onward he was identified with every organization established for the promotion of temperance throughout the land and was a most helpful power in instilling into youthful minds the highest principles, moral and spiritual. As a lover of music, he gave powerful aid in the carrying out of the Christmas carols, for which the community was noted in earlier days.

The family are as follows: **Dr. George** (deceased), married Ina Lazier of Belleville; **Jennie** (Mrs. J. D. Clarke) Weston; **Lydia** (Mrs. Thos. E. Aikenhead,) of Toronto; **Adelaide** (Mrs. F. H. W. Hickling), Flesherton; **William** (deceased), married Jennie Bannon, Proton; **John Wes.**, married Laura Berry, Lucknow; **Rev. Albert**, married Gertrude Black, Heathcote; **Louise**, married Rev. F. D. Goff, Clarksburg; and **Dr. Ernest**, Cobalt, married Edna Harris.

BORN

CHARD — At Kimberley on Sunday, November 5th, 1933, to Mr. and Mrs. Robt. Chard, the gift of a daughter.

Service At Eugenia Saturday Morning

Saturday morning next, November 11th at 10 a.m. special Remembrance Day services will be held in Eugenia United church, at which all members of the Canadian Expeditionary Forces and the Militia are invited to attend At 10.45 the service will be adjourned to the Cenotaph in Memorial Park where the program will be concluded as follows: 10.55 hymn; 11 to 11.02 silence in remembrance of those who made the supreme sacrifice; placing of wreath on Cenotaph; Last Post and Reveille; prayer for peace; National Anthem; benediction. Mr. John Mc. Quaker of Owen Sound is expected to take part in the church service and a member of the Collingwood Kiltie Band will render the bugle calls Everybody is invited to attend this service on Remembrance Day.

"At Home" In Toronto

Invitations have ben received for the "At Home" of the Flesherton Old Boys' and Girls' Association to be held in the Roof Garden of the Royal York Hotel, Toronto, on Friday evening, December 8. The famous Caledonian Orchestra, under the able direction of "Jack" Wilson, leader of the C.F.A. band which visited Flesherton on two occasions, will supply music for both square and modern dancing. For those who do not wish to dance progressive euchre has been arranged for which suitable prizes will be given to first and second place winners. A large crowd is expected at this annual gathering and an enjoyable evening is assured.

WHITE—CONNOR

A quiet wedding was solemnized at Midland on Thursday, November 2nd, when Doris Nellie, youngest daughter of Mr. E. R. Connor and the late Mrs. Connor of Coldwater, Ont., became the bride of Mr. Garnet Wesley White, eldest son of Mr. and Mrs. Geo. White of Flesherton. Rev. A. W. Auld of Midland conducted the ceremony.

MacDONALD—MORGAN

The marriage of Patricia Victoria daughter of Mrs. and the late W. E Morgan, of Flesherton to Mr. Glenn Ross MacDonald, son of Mr. and Mrs A. MacDonald of Durham, was solemnized at 3.30 on November 4th, at the home of the bride's mother, Rev. W. J. Scott officiating. Ferns, bronze and yellow mums and marigolds decorated the living room.

The bride, who was given in marriage by her uncle, Mr. J. T. Morgan, wore a graceful princess gown of white satin and carried a bouquet of Ophelia roses. The bridesmaid Miss Phyllis Graham, cousin of the bride, wore a gown of pale green taffeta and carried bronze and yellow mums. Mr. Ian MacDonald, brother of the groom, was best man. The wedding music was played by Miss Georgena Smith, aunt of the bride.

The bride and groom left on a motor trip through Quebec, the bride travelling in a brown dress and coat with accessories to match. On their return they will reside in Chatsworth

New Canada Movement To be Launched in Grey

During the week of November 13th a series of rallies of farm young people are being held in nineteen rural communities of Grey County. These rallies are being sponsored by local Junior Farmer and U.F.Y.P.O. Clubs with the exception of a few communities where no such clubs exist in which cases meetings are being called under church or independent auspices. These meetings are being held for the purpose of introducing the New Canada Movement to the farm young people of Grey, and will be addressed by a team of ten widely-known young farmers, representative of Western Ontario. For speaking purposes this team of ten will subdivide into little teams of two, permitting four or five meetings to be addressed per evening, until the entire series of nineteen has been covered within the week.

The New Canada Movement has already assumed considerable proportions in that it has been widely endorsed by citizens of province-wide prominence and also scores of farmers, clergymen, club and municipal officers of Grey County. These testimonials are in writing and will be published shortly. They endorse the need, purpose and method of the Movement. They emphasize, first: that the Movement remain steadfast in its aim of banding together 100,000 farm young people pledged to discover and support ways of bringing a New and Better Canada. Second, that the Movement remain educational and non-partisan Third, that it is not a new organization but simply a well-directed movement within existing organizations stimulating and co-ordinating their efforts at economic study.

The young men who have pledged themselves to work and speak on behalf of this crusade of rural youth include, among others, such well known figures as: Jim Gibson, B.A., Caledonia (graduate of London School of Economics; ex-premier of Tuxis Boys' Parliament); Carroll Lindsay, B.S.A., Nanticoke (ex-president U.F.Y.P.O.); Alex. Sim, Holstein (Premier Tuxis Boys' Parliament); Earl Lautenslager, B.A. (President Movement for Christian Social Order) Donald McLean, Muirkirk (President U.F.Y..P.O.); Gordon Lapp, Toronto (Assistant secretary Ontario Boys Work Board); Richard Prout, Brantford (Prominent Junior Farmer); Archie Service, Milton (Worker in Junior Farmer, U.F.O. and church circles); Arthur Haas, Holstein.

The dates and place of meeting are as follows: Monday, November 13—Oxenden, Lake Charles Library Hall; Derby, Derby Community Hall; Lamlash, Lamlash school; Sharon, Sharon school. Tuesday, November 14 — Chatsworth, Orange Hall; Keady, Union school No. 1; Meaford, town hall. Wednesday, November 15 — Williamsford, Community hall; Priceville, Agricultural hall. Thursday, Nov. 16—Holstein (to be announced); Cedarville, Community hall. Friday November 17—Rocky, Rocky school; Varney, Orange hall; Burnessan Glenelg school, S. S. No. 1; Ebenezer Ebenezer school, S. S. No. 3, Bentinck.

Three further meetings will be announced later.

Frame Barn Burned

Fire completely destroyed a 45 x 55 frame barn on the farm owned by Mr. Alex. Miller, 1½ miles north of Flesherton early Sunday evening. About 50 loads of hay were in the barn at the time, besides two implements and all were destroyed. The fire had gained considerable headway before Mr. Miller discovered the blaze at about 8:15 p.m. and it was then shooting through the roof. The barn was situated on the north fifty acre farm, formerly owned by the late Wm. Davis and was of frame construction set on posts. Mr. Miller had completed boarding in the lower sides around the posts, intending to use it this winter for his sheep and other stock. He had been in the barn Sunday morning, but not in the evening and he had no idea how the fire had started, except by a traveller who had dropped a lighted match. In only a short time after the blaze was discovered the building was razed to the ground.

Engagement

Mrs. J. T. Metcalfe of Toronto announces the engagement of her daughter, Mae Almeda Tait, to Laurie Kenneth Lawrence, youngest son of Mrs. and the late James Lawrence of Kimberley, the wedding to take place November 22nd.

No matter how low the dollar may drop in value, we'll always think highly of it.

Grey County Leads In Farm Population

More people are supported on farms in Grey County than in any other county in Ontario. The gross income of Grey County farms is greater than that of any other county excepting York, where the production of milk for street sales in Toronto presumably swells the total. Per capita income from Grey County farms at $1,013 is far above the provincial average of $906.

These facts are shown in a new volume "The Canadian Income, Its Source, Distribution and Expenditure," which has been compiled by Major A. R. Lawrence of Toronto While the figures are for 1930, it is pointed out that the relative position of any district will not have changed materially in the last three years. The decline in national income will have been reflected quickly in every area covered by the survey.

There were shown to be 10,991 persons gainfully employed in agriculture in Grey. The net value of the products was $11,140,000. No other county exceeded $11,000,000 excepting York which boasted 13,820,000. Next after Grey in numbers employed and gross return is Huron, with 10,552 workers and a net value of products of $10,980,000. The highest agriculture per capita income is Oxford County, which is fortunate in having within its borders nearly a dozen condensing, evaporating and milk powdering plants, and which also ships large quantities of milk for street sale in Toronto.

Grey also bulks fairly large in manufacture, the number employed being 3,305. These were paid wages of $2,980,942, and the net value of the products was $5,161,047. Total recorded income of the county was $23,993,955 for the 22,756 shown as gainfully employed. In addition to this recorded income there was, however, other incomes totalling $7,584,000, representing income from investments, fees received by professional people, etc., so that the total county income was $31,577,955. This was 1.64 per cent. of the total income of the Province of Ontario. Major Lawrence's volume also shows the income for every county, district or census division in Canada.

How did Grey spend its income? A total of 35.4 per cent. went to retail establishments within the confines of the county, divided as follows:

To the automotive people, $2,191,000; for food, $2,363,000; for general merchandise, $2,108,000; for apparel $1,008,000; for lumber, $753,000; for furniture, $229,000; for food in restaurants, $145,000; and for miscellaneous goods $1,802,000. For amusements went $148,000; for cartage and storage, $23,000; for domestic services, $164,000; for professional services, $104,000; for repairs, $124,000; for transportation, $61,000; and for other services, $78,000. This makes a total of $11,186,000 spent with merchants and others in the county.

Rural population is 37,409, and urban population 20,290. There are about 1,800 more men than women and 325 more boys and girls in the schools.

There are 8,195 occupied farms. Passenger automobiles number 8,975 and trucks totalled 592. There were 6,395 users of electric power. Connected telephones were 8,973 and licensed radio sets totalled 3,856.

When a man entered a gas station to rob the owner he had his gun taken away from him but it was found to be empty. He had at least entered the proper place to fill her up.

"The cane will not make a boy learn quicker." But it will make him smart.

One authority says fish are caught with bait and brains. But patience and luck also seem to have something to do with it.

People who do nothing never get into trouble; neither do they get anywhere.

Germany resigned from the League of Nations while owing an unpaid bill of $450,000. It's a dirty trick Reminds us of the fellow who sends word to stop his paper when he owes six dollars on his subscription.

Weather man warned people at Sault Ste. Marie that they should use alcohol. He was speaking of course about the radiators of the cars.
