VANDELEUR

The New England Young Peoples Society paid a return visit to the local Y. P. S. on Friday evening, Nov. 3rd, when a most enjoyable time was spent by the large crowd in attendance. A splendid program was put on by the visitors in the auditorium of the church, after which games and contests were conducted in the basement. Lunch was then served by the local Y.P.S. The next meeting of the local society will be held on Friday evening of this week and will be in charge of the Missionary committee.

Vandeleur is to have a skating rink. It is being built on Mr. Elmer Warling's farm, about opposite the community shed. Work commenced on Saturday when a large gang of men were on the job. It is to be 160 feet by 60 feet. Lumber, posts, etc., is being contributed by the people of the community. Mr. Louis Teeter is chairman of the committee in charge.

PRICEVILLE

On Friday night a concert was held in the Presbyterian church under the auspices of the Willing Helper's society. On account of the disagreeable night and the condition of the roads the crowd was not as large as expected. Rev. Norman MacDonald acted as chairman and presided in a very efficient manner and kept the audience in good humor with humorous jokes. The program consisted of two instrumentals by Dora Stewart, duetts by Mr. and Mrs. George Cairns and were accompanied on the piano by their daughter, Bessie; Mr. Neil McLeod sang a couple of Gaelic songs and Miss Laura Lupton rendered a solo. Splendid music was given by Messrs. Innis McLean and Johnie McKechnie on violins, accompanied by Mrs. Jack McMeekin, which were pleasing numbers between intervals. An intresting debate was then given on the subject resolved 'that nationalism rather than internationalism would tend to solve the economic situation in Canada." The affirmative side, which was upheld by Miss Laura Lupton and Mr. C. E. Hincks of Clifford was given the decision by the judges, Messrs. Geo. Cairns, Murray Nichol and Miss Dora Stewart, over the negative side which was upheld by Mrs. Henry Tucker and Mr. Robert Whittaker. Each one had splendid papers, which were very interesting. After the program lunch was served by the ladies and the National Anthem brought a most enjoyable evening to a close.

OVERHAUL THE FARM PLANT

Now is the time for farmers to pay attention to their buildings. Slacken all bands on stave silos; repair any leaks in the roofs, check up on storm sashes; fit them, and repair broken glass; clean out all trap gullies; thoroughly flush drains, clean out root cellar ventilators, fresh air intakes and foul air outlets in barns, stables, piggeries and poultry houses; thoroughly inspect and overhaul the water supply, if a pump service check up on the valves, if a pressure supply see that all pipes and tanks are protected from frost.

Mussolini appealed to the Italian people to make their nation "first in the skies, on land and in the spirit." A plain interpretation would be "put the boots to everybody."
