EDITORIAL NOTES

A cheerful heart often improves one's health more effectively than the most praised medicine.

* * *

No matter what vocation a modern maid reaches after, she can ever rely that helping mother with the housework always promotes the school girl complexion which is invariably an asset of value.

* * *

Lady Astor, the British M.P., who is a daughter of Virginia, declares she never saw a place so hungry for speakers as her native land. Yes, our neighbors appear all hungering for advice. They get it. But how seldom do they follow it! The same in Canada.

* * *

Amid the grabbing of privileges by legislative and municipal representatives the new mayor of Pittsburg—one of the Millac's, Wm. N. McNair—stands out as an example to all patriots who refuse to profit by the use of a free municipal automobile. How different it has been in such centres of petty graft as Toronto city hall for example.

* * *

Taxpayers generally owe it to themselves to attend the annual municipal gatherings. It is not in the best interests of any municipality to have the nomination gatherings regarded as mere mutual admiration confabs to be followed by carking criticisms after council has been chosen, when no effective remedy can be applied earlier than next election. Clear up matters on nomination day, and give whoever is elected cheerful co-operation.

Nomination Rumors

Artemesia and Flesherton nominations are being held this Friday in the Flesherton town hall, the former in the afternoon and the latter in the evening. There has not been very much talk on what is going to occur with the township council, but it is likely that Councillor E. Warling will oppose Deputy-Reeve C. D. Meldrum for that office. Both are good men and the result will not be known until election night. It appears as though Reeve John A. Davis will receive an acclamation for his second term. It is also rumored that Messrs. F. J. Reilley of Priceville and Frank Betts of Rock Mills will try for the Council board.

The Flesherton voters appear to be satisfied with the work of the present council and an acclamation for the whole council is almost a certainty.

Other municipalities in Grey holding nominations on Friday are: Bentinck, Collingwood, Euphrasia, Glenelg, Keppel and Sullivan townships; towns of Meaford and Hanover and the village of Markdale.

To everyone with whom I have been doing business, during the past year, has been revised a plan, whereby you can secure the best products on the market at a reduction from the regular price as stated in the Catalogue, which I have to offer at your request.

I will agree to discount 10% on every product that you may have to purchase, which, I think is a splendid idea; I have arranged for everyone, who wishes to get the best, and to enable my patrons, and others, who would like to take advantage of this offer, and also save money in this time of depression when money is needed so much.

Please ask for the premium card I have already given to a number of people, where if they buy a certain amount of products, a certain portion of their buying will be given to them absolutely free in whatever products you are in need of.

Think of these special inducements that I am offering to all those who want to save money. So those of you who are out of town, or in the village, who would like to give my products a fair trial under this new plan that I have arranged for your benefit, I will appreciate your kindness very much.

I have a number of catalogues here in stock and they are yours, if you will ask for them.

High School Concert Attracts Large Crowd

The high school auditorium was filled to capacity at the annual concert presented by the scholars on Friday evening last. The program was of excellent quality and delighted the large audience and was composed of selections by the school orchestra, sailor's hornpipe by several girls, Scotch dances, square dances. The physical culture exercises given by a number of the boys was excellent and compared very favorably with performances given by Y. M. C. A. members in large centres. Miss Catherine McVicar gave the sword dance, and Miss Georgina Blackburn the Highland Fling, both young ladies being called back for encores. Two plays were presented by the scholars, entitled: "A Nephew in the House" and "The Courtship of Miles Standish." The players in the former were Doris Bannon, taking the part of the nephew, Stella Marshall, Verdun McMaster and Mable Haw, as the old maids and Christina McKinnon as the housekeeper. Miss McDonald supervised the training. In The Courtship of Miles Standish the following took their parts well: Anna McLean as Priscilla, Evelyn Brown as Dame Hadley, Vernon Stewart as Miles Standish and George McMaster as John Alden. Mr. Wright, the principle, acted as supervisor.

The orchestra consisted of Misses Isobel McMullen, as pianist and conductor, Beatrice and May Schramm, Ruth and Jean Wolstencroft, Ruby Akitt, Messrs. George Akitt, Delbert Smith, Bob Bellamy, Laverne, Milford and Sherman Piper. Miss Dewar had charge of the instruction for the Sailor's Hornpipe and Dutch dance, while Mr. Wright instructed for the square dances and Mr. Eubank the physical exercises.

22 Deer Taken By District Hunters

The open season for deer in Grey county last week was, to the hunter, a most successful event, as 22 deer are officially accounted for as captured by the hunters. About half of the number were taken on Wednesday, the first day, Thursday was a fair hunting day, while Friday a blizzard blew all day. Saturday was another splendid hunting day and quite a number of deer were secured. Quite a number of deer were shot in the swamps north of Kimberley, others in the valley further south and on the east mountain while several were secured near the south line, Artemesia west. Several were secured also, on the 3rd line of Osprey. Between issuers at Kimberley and Flesherton 37 licenses were issued to hunters, so their record in bagging the elusive deer was fairly high. Dogs were not allowed in running the deer and it was therefore difficult in many places to bring them out in the open for the hunters to have a clear view.

At the first of the season it was reported that the farmers were up in arms about the shooting of their pets, the deer, but it is an interesting fact that out of the 22 deer shot that we know of 73 per cent. of them were secured by farmers and will thus be a great assistance to them this winter in providing meat for their families. Hunters from distant centres did not flock in to secure their number and the shooting was almost entirely confined, in this section, to residents of Grey County. It also appears that the hunters were very careful in their shooting and no one was injured, neither did any farmer have any cattle or other stock shot by the hunters prowling over the countryside.

A list of those coming to our notice who secured their deer are: Lloyd and Ernie Lyons and Art Badgerow of Proton, Bob Parslow and Jas. Oliver of the Old Durham Road, Wilbert Poole, Stan Smith, Fred Brown, Wm McQuay of Osprey, Earl Gordon and Elgin Graham of Eugenia, Ira Harris, Leslie McMullen, Allan Ferguson, Elmer and Russell Ellis of Kimberley, Clifford Hewgill and Russell Thompson of East Mountain, Ed. Fisher and Fred McMullen of Flesherton and two by Collingwood residents.
