Lost First Game

Hockey was officially opened in Flesherton on Tuesday evening when Shelburne Senators played Flesherton and after a real close game emerged as winners by the score of 5-4. The game was quite even, although the score was tied three times Flesherton was not in the lead at anytime. Shelburne netted the first counter in the first period when Fisher took a nice pass and Cairns soon after secured the equalizer. In the second period Hastilow and McCauley gave Shelburne a substantial lead, but this was cut down before the close when Cairns and Phillips each scored on combination plays. Hastilow and Rutledge each bulged the twine in the last period, while Boyd secured the fourth goal for Flesherton. The locals forced the play for Shelburne's end most of the third period and Rayburn gave an excellent display of net minding and Flesherton had to be content with only one counter. The game was fairly clean, Referee Reg. Boyd, giving good satisfaction. The boys are billed for Shelburne next Tuesday night for a return game when they expect to make Shelburne take a trimming the same as they did.

Shelburne — Goal, Rayburn; defence, Crawford, Rutledge; centre, McCauley; wings, Hastilow, Fisher; subs., Blood, Banks, Spilker and Bell.

Flesherton — Goal, E. Ferris; defence, Cairns, [illegible]; centre, J. Phillips, Sled, [illegible].
