HAMILTON AND TORONTO.
THE NEW, SPACIOUS AND FAST SAILING STEAMER

"QUEEN OF THE WEST,
Captain Harrison.
WILL RUN during the season between Hamilton and Toronto, touching at Oakville and the Credit going and returning.
Until the first of May she will leave Hamilton at Seven o'clock in the morning, and Toronto at Three in the afternoon.
After the First day of May she will make TWO TRIPS A DAY, leaving Hamilton at Seven o'clock, and Toronto at Ten; Hamilton, in the afternoon at One, and Toronto at Four.
The low rate of fare established by the Queen of the West, viz: One Dollar Cabin, and half a Dollar Deck, will be uniformally adhered to.—While the proprietors have greatly reduced the fares heretofore charged on this route, and placed on it a Steamer in every way adapted for the business, they do not consider they would consult the interests of the travelling community by adopting a tariff varying from a Dollar and a half to a York shilling for the mere sake of opposition. They have reduced the rate to a fair standard, and in expressing a determination to abide by it they confidently appeal to the public for a share of the rapidly increasing business between the two cities.
