Information Concerning  
SOME ABANDONED CEMETERIES  
in  
NORTHUMBERLAND COUNTY

## PREFACE

While researching history of the BIRNEY, BULL and INGLIS families I realized that unless someone captured the information that is still available within some abandoned cemeteries, the information will be lost forever.

This documentation is from a few cemeteries in Northumberland County that have been abandoned. A few people show some interest or concern but there is no attempt to improve them or to maintain them. Therefore, within another decade, the remaining stones may have disappeared.

The documentation is as accurate as possible, entering the information from the stones exactly as I read it. Any notes or statements within brackets ( ) are notes from my own knowledge, or from my family's knowledge or from research material.

I hope that this documentation will be of assistance to others.

Allan N. Birney,  
Toronto, Ontario.
