Dear Mr. Shannon:- We the members of the Beaver Boys' Club of Feversham, assembled here this evening, have learned with regret that you are about to sever your connection with us. PROTON STATION

As the ice in the Markdale rink was almost gone and no prospects for more this season, the manager decided last Saturday night to call together the two hockey teams, Cherry Grove and Proton Station, who were tied in the playoff for the cup, to secure a decision. The game was played in the slush, the result being a 4-1 score in favor of Cherry Grove. Was the Proton team disappointed? well rather and so were their friends, but the boys express nothing but praise for their worthy opponents and congratulate them on winning the series of games, which included four hockey teams, Markdale, Vandeleur, Cherry Grove and Proton Station and incidentally winning the cup.

The enthusiastic Proton fans are proud of their hockey team even though they were second best. They fought a fair fight and were not very badly beaten, when a third final game had to be played in order to decide the winner. In fact they did wonderfully well to reach the finals. They never had a coach and they get absolutely no practice, only when playing a game.

Following is the line up: Lorne Hodgin, manager; Goal, Eldon Blackburn; defence, Bert Hodgin, Jim Bannon; forwards, Stanley Lyons, Gordon Acheson, Hugh Sims; subs. Delbert Hopkins, Earl Blackburn, Clark Wyville, Russell White, Lloyd Lyons, Russell Acheson.

A large representation of the village and community gathered in the Orange Hall last Friday night to do honor to Mr. and Mrs. Stanley Lyons, who were married on March 21st., and who reside on the groom's farm near Proton Station. At the opportune time during the evening Stanley and his bride were invited to be the centre of attraction. Miss Helen Whyte read a neatly worded address and Mrs I. B. Whyte and Mrs. Sims made the presentation to the newly weds of a shaded Alladin lamp, a pair of woollen blankets and a Kenwood blanket, a gift from the community. Stanley expressed their thanks and their appreciation of the honor shown them.

BLUE EYES

Do you know that there are more red-headed boys than girls? This is one of many interesting facts about children established by a fourteen-years' investigation by Miss R. M. Fleming, and revealed in a report issued by the Medical Research Council the other day. Other points are that changes in the color of eyes and hair are always to darker, never to lighter shades. Thus, while baby's blue eyes day presently become hazel, brown eyes will never go blue.

JOSEPH WEBER PASSES

After a prolonged illness with heart trouble and other ailments, Mr. Joseph Weber passed away about 8 o'clock Friday morning, April 6. The late Mr. Weber, who was in his 82nd year, was born on July 2nd, 1852, at Egmondville, Huron County. He was the third child of the late John William and Margaret Weber. When about 8 years of age he moved with the family from Egmondville to Artemesia township and resided on the Weber homestead, where his nephew, Mr. Will. Weber, now lives. Throughout his illness he was tenderly cared for by his sister, Mary, who did her best to relieve his suffering.

The funeral was held on Saturday afternoon from his late residence, north of Eugenia where friends and neighbors had assembled to pay their last respects to the aged gentleman. Interment took place in the family plot in Orange Valley cemetery. The funeral was under the direction of Mr. Gordon Beaton, Markdale undertaker. Rev. McNeill of the Eugenia United church officiated at the house and grave.

The pallbearers were nephews of the deceased: Messrs. Dave, Frank, and Will Weber, Ran Brady and Henry Tudor.

Those left to mourn his loss are one brother, John, in Kimberley and one sister, Mary, at home; Katie predeceased him a few years ago. There are also several nephews and nieces left in bereavement.

We cannot tell who next may fall
Beneath God's chastening rod,
One must be first, but let us all
Prepare to meet our God.

While teaching school at Eugenia eighteen years ago, your correspondent purchased a handsome driver, "Dolly" at the price of $160 from Mr. Thos. Genoe of Ceylon and has ever since had her in her possession. This spring "Dolly," was looking her best, quite plump and dappled and just as full of pep as in her younger days and had the appearance of a horse of about 10 years old. On Wednesday morning she was seized by indigestion, but some treatment and Dr. Ottewell's assistance proved of no avail and she passed away on Thursday afternoos. Your cor. regrets deeply the passing of this horse as she thought a great deal of her. and especially at this time of the year, when work on the land will soon commence. James Whitcomb Riley was a lover of horses and wrote the following little poem:

The Hoss

"Love the Hoss from hoof to head,
From head to hoof and tail to mane,
I love the Hoss, as I have said,
From head to hoof and back again.
I love my God the first of all,
Then Him that perished on the Cross,
Then next my family and then I fall
Down on my knees and love the Hoss."
