Won From Priceville

The Flesherton football squad broke into prominence Friday evening when they calsomined the Priceville eleven by the score of 2-0 on the high school grounds. The home team had the play pretty much to themselves, as may be seen by the fact that the visitors did not have one good clear shot on the net, and only great blocking by Wallace McDermid in the Priceville goal, kept the score from running up to half a dozen. The first goal was scored byAkins on a pretty play and he lifted the spinning sphere over the goaler's head. Near the end of the game Brackenbury made it two straight, when he took an accurate corner kick and relayed it into the net off his head.

The Flesherton team appears to be the strongest seen here in years. Ken Kaitting had joined the team and will team up with Clarence Alexander on the defence, which combination should make any team sweat in order to pass them. With the half backs and forwards playing a neat passing game there should also be plenty of sniping on the enemy's goal.

Flesherton: goal, Phillips; backs, Kaitting and Alexander; half backs, Piper, Ross Smith and E. Johnson; forwards, Akins, Dargavel, Brackenbury, McMaster and Venus.

Feversham Football

Live Stock Report

Weighty steers weakened near the close of trading on the Toronto Live Stock Market yesterday, and the price settled 10c to 15c down from Monday's level. Prices on other grades of cattle held about steady under slow trading. Light receipts enabled the holdover to be reduced from 1.200 to about 800 head. Calves opened slow, but picked up in the afternoon, with the price holding the week's 50-cent advance. Hogs, sheep and lambs all moved steady at unchanged prices.

Steers ranged from $4.50 to $6.25 while choice butchers brought $5 to $5.50 and common $3. Butcher cows were steady at $3.75 to $4.25 for choice and at $2.50 for common. Good bulls sold from $3.25 to $3.75. Fed calves brought $5 to $7 per cwt., according to quality, with milkers and springers were steady at $40 to $45 for tops. Store cattle trade was draggy.

Calves closed unchanged at $6.50 to $7 for choice vealers and with the bulk of the supply going from $4 to $5.50. Hogs, after an unsettled opening, sold at the previous day's levels of $7.50 f.o.b. for bacons, $7.85 off truck and $8.25 off car. The only kind of lambs on the market were spring lambs, which sold at $4 to $8 each. Sheep held at $3.50 to $4 for good, light ewes.

Considerable seeding has been done by the farmers in this section during the past week. The temperature has reached 85 degrees in the shade since last issue, but the first of this week has been cold. A good warm rain is needed to save some of the fall wheat that has not already been plowed under.

Over 23 per cent. or one acre out of every four of the improved lands in Ontario is in pasture. The estimated total returns on pasture in the form of live stock products from June to October yearly is approximately $40,000,000. Of this $34,000,000 is derived from produce. Results from experiments have shown that by proper management and improving fertility of the soil returns could be increased from 100—200 per cent on a very large proportion of pasture.

Jas. McKenzie Is New Osprey Road Superin't

Mr. Jas. McKenzie of Feversham was appointed Road Superintendent of Osprey township at a special meeting of Osprey council held at the home of Reeve W. L. Taylor on Saturday, April 28th. Mr. McKenzie is a life-long resident of the township, and is well qualified for the position having acted as sub-overseer for a number of years and rendered splendid service. Mr. McKenzie succeeds Mr. H. McInnis who has held that office for the past several years.

Cemetery Board Met

Mr. Jos. Duncan was appointed a trustee of the Flesherton Cemetery Trust in place of W. J. W. Armstrong who resigned. Ever since the cemetery was organized an Armstrong has been on the Board. Mr. R. Bentham is also a member of the Board succeeding his father who, along with the late R. Campbell, each donated an acre of land for cemetery purposes. F. J. Thurston was appointed Sec.-Treas., succeeding Mr. J. S. McMillan who resigned at this meeting.

Several Canadian clergymen will tour Russia this summer, and they should pay particular attention to the manner in which church services are conducted there on Sunday.

Served School 40 Years

A record which will take some beating is held by Mr. A. Sherson of Proton Station. He is serving his 40th year as Treasurer of U.S.S. No. 15 Proton and Artemesia, and has held the combined office of Sec.-Treas. for the past 39 years, ever since the section was formed. Mr. Sherson says he purposes retiring at the end of this year, as he can't hold the job forever. The Proton Station school is one of the largest attended in the district, usually boasting 40 to 45 pupils.

Mr. Sherson recalls engaging the first teacher for the school forty years ago. Over a thousand applications were received and it was such a big job that 250 were never opened. A man by the name of Mr. Batchelor was hired, his yearly salary being 250. Mr. G. W. Littlejohns of Markdale is the present teacher.—Dundalk Herald.

Here and there a man goes crazy over religion. But a lot of men are still in no danger.

Sault Ste. Marie Star has a column written "By Uncle Tom." The last time we saw Uncle Tom, why Legree had given him such a beating that it didn't seem possible he'd ever be able to write things in the newspapers.
