Live Stock Report

Prices on the Toronto live stock market yesterday held at Monday's level on all classes, but the feeling was easier at the close on butcher cows. Trading on the cattle division was slow, but the holdover remained unchanged at 700 head. Calves, hogs, sheep and lambs all sold steady.

Choice butcher cattle were firm at $5.25 to $5.50, with one load going at a top of $5.75. Weighty steers of medium quality sold slowly at $4.75 to $5.35. Good cows closed weaker at $3.50 to $4, while heavy cows were hard to move. Bulls ranged from $2.50 for bolognas to $3.50 for light butchers. Fed calves brought $6.25 to $7 for choice and $5 for common. Store cattle trade was dull.

Calves closed steady with the price unchanged at $3.50 to $5 per cwt. for common and at $6 to $6.50 for a few choice vealers. Good feed lot lambs went at $10.50 per cwt., while spring lambs sold at $5 to $10 each.

Lambs opened unsettled and steadied early in the afternoon to close at Monday's level of $7.90 f.o.b. for bacons, $8.25 off truck and $8.65 off car.

Letter to The Advance

Dear Sir: I think the soccer teams of Flesherton and Priceville should be prohibited from meeting again until they learn a lesson. That lesson is one of self control. A good game was marred here the other evening by frequent outbursts of fighting. A better feeling is needed between these two teams. Men of soccer fame! play the game as it should be played.

Yours sincerely,
AUNGUS SUTHERLAND.

FARM PLANS

Draw a plan of the farm marking on each field the kind of crop grown this year, the variety, rate of seeding, application of manure and fertilizer, and any other information that may be of use. If a record of this kind is made each year it will be found of great value in the future.

We are glad the mace captured at Fort York in 1813 is being returned to Canada. Canada should take steps to preserve all relice of the earlier days.

Funeral of The Late Mrs. C. Thomson

The funeral of the late Mrs. Christopher Thomson, who passed away at her home at Feversham on Sunday, May 13th, took place on Tuesday of last week, interment being made at Feversham. Rev. Glenn and Rev. Tiller conducted the services at the house and cemetery and gave a most comforting message to the bereaved family.

The late Mrs. Thomson was formerly Miss Myria Jane Saigeon, a daughter of the late Thos. and Mary Saigeon, and was born in King township, York County, 73 years ago. She married her now sorrowing husband in 1888 and together took up farming on the 10th Line, Osprey where she resided until retiring 15 years ago to live in Feversham. Deceased was a member of the Presbyterian church and took an active part in all the activities of church work., and her assistance and advice will be missed by those who carry on.

Besides her husband she leaves to mourn one brother and four sisters: Mrs. John Hudson Sr. of Feversham, Walter Saigeon of Weyburn, Sask., Mrs. Ellen Bridal of Cluffield, Sask. Mrs. Rachel Davis of Weyburn, Sask., and Mrs. Violet Walter of Toronto.

The pallbearers were: Messrs. Sam Park, John Elliott, Alb. Hollingshead, John Spencer, Wm. Spencer ,and Henry Alexander, all old neighbors.

There were many beautiful floral tokens covering and surrounding the casket from sympathizing friends. Besides those from the family and friends in Feversham, Wyoming, Oakville, Islington and Toronto, was a wreath from the Ladies' Aid of the Presbyterian church, Feversham, testifying to the high regard that the friends held for her.

The depression taught us a thing it is nice to know. You can have just as poor a holiday without a cent.

Cecil Dillon, of New York Rangers hockey team, has purchased a house in Thornbury for a reported sum of $2,200.

SCHOOL QUESTIONS AND ANSWERS

1. Question — What grants does a rural school board derive from a teacher taking up agriculture in the school? What grant does the teacher receive? What grant does the Inspector get?

Answer. There is not sufficient space available in this column to give a full answer to this question. Circular No. 56, entitled Special Departmental Grants to Public and Separate Schools, pages 11 to 14, sets forth the grants in Agriculture. These grants range from $15.00 to $50.00 for the teacher and from $10.00 to $150.00 for the Board of trustees depending on the type of school, nature of the work done and the certificate of the teacher. Circular No. 56 may be had by anyone by application to the Deputy Minister, Department of Education. These grants are subject to change each year.

2. Question — Can a hardware merchant who is selling supplies to a school board qualify as a member of the school board?

Answer. Section 135 of the Public Schools Act prevents a trustee from receiving any compensation profit or promised or expected benefit from his board of trustees. It would be quite illegal for a merchant who is trustee to sell supplies to the Board of trustees.

3. Question — Where a school board consists of three trustees and a secretary-treasurer, is it illegal for the secretary to make motions at a meeting of the board?

Answer. A secretary-treasurer would have no power, whatever to make motions at a meeting of the board unless he is a trustee. Section 135 (3) of the Public Schools Act makes provision for a rural trustee acting as secretary-treasurer for the rural board of trustees and receiving payment for his services.

4. Question — Our teacher sent in her resignation to take effect at once, stating no particular reason for leaving except marriage. She claims that, if the board forced her to teach the following month or sued her for a month's sick leave, which would be the required thirty days' notice. She had not missed a day's teaching last year. Can a teacher legally claim a month's resignation to take effect at once, or at the end of thirty days?

Answer. A teacher can only resign and give up her position in accordance with the terms of the written agreement with the board. If the teacher submits a claim for salary due to illness it would be necessary for her to produce a medical certificate. If the teacher is leaving because of illness the board should demand at once that a medical certificate be given otherwise the teacher would have no claim for salary on account of illness.

According to a contemporary, the fellow who doesn't advertise may know his business—but nobody else does.
