L. O. Moore Is New Osprey Councillor

The nomination meeting held at Maxwell to fill the office of councillor, made vacant by the resignation of Mr. A. Wilton, resulted in three candidates, Mr. L. O. Moore of Badgerow, Mr. John Lockhart of Singhampton and Mr. Wm. Heitman of Feversham, being brought out by their friends. Each made a short speech and as their experience in municipal affairs being about equal (they had all served the township as Deputy Reeves in the past) they were unanimous in their opinion that it would not be good policy to make a ballot of it, so after conferring among themselves for a few minutes Mr.L. O. Moore was chosen to serve for the balance of the year.

CARD OF THANKS

We wish to thank the friends and neighbors for the many acts of kindness shown us during our recent bereavement.

—Thos. Genoe and Family.

Live Stock Report

Heavily overloaded with beef, packing houses took hardly any cattle off the Toronto Live Stock Market today and, though the run was nearly 2,000 head lighter than Monday, the holdover was the same, 1,400 head. Weighty steers weakened in the afternoon and closed 15 to 25 cents lower, but buyers were not tempted. Choice calves also showed a loss, dropping 50 cents under slow trading. Hogs, sheep and lambs showed no changes and all sold steady, the former at Monday's 10-cent higher level and the latter at Monday's $1.50 to $2 lower level.

Weighty steers of common to medium suality ranged from $4.25 to $5, with tops at $5.50. Butcher cattle sold at $3.50 to $5.25, as good butcher cows moved from $3.50 to $4. Bulls closed unchanged at $2.50 to $3.25. Store cattle trade was at a standstill throughout the day. Calves slipped and closed 50 cents lower for choice at $6, while common to medium vealers sold slightly weaker at $3.50 to $5.

Hogs settled in the afternoon and closed unchanged at $8.50 f.o.b. for bacons, $8.85 off truck and $9.25 off car. Lambs were steady at $10 cwt. for best and at $6 to $7 for culls. Good light sheep brought $2 to $2.50, while culls and heavies sold from $1 to $1.50.

Rev. M. M. Bennett returned to town on Tuesday.

A Clever Swindle

A new racket was tried out in a Toronto restaurant recently. A gentleman, posing as a shy countryman, entered a restaurant at the busy hour and after looking around rather bewildered-like, seated himself at a table with two city chaps. They got talking about the difference between the city and country and finally the country chap offered to bet the other two that even he, with his country ways, could pay for his meal with a $1 bill and get change for a $10 bill. They took him up and so he offered the cashier a $1 bill. She gave him his change and he told her he was sure he had given her a ten spot. However she knew her job and stuck to her opinion. So he asked for the manager and upon investigation the manager told him he was sorry but if they were $9 ahead at night they would send him the money. This apparently satisfied the country fellow, but in a moment or so he was back once more, and asking for the manager again, explained that he had suddenly remembered that he had made a note of a telephone number on the back of that $10 bill, being Lakeside, but could not tell the figures, would the manager be so kind as to look at his tens in the register and see if he hadn't one there with this telephone number on the back of it, and sure enough the manager found that he had, so handed over to the country-looking man the $9. He, of course, walked over to his late companions and collected his bet. It seems that he had a confederate who had been in before him with a $10 bill for a package of cigarettes. We wonder just how far this same man might have gone had he used his same thought and cleverness in the right direction. —Harriston Review.

TRAGEDY OF GROWING OLD

(Alliston Herald)

The tragedy of growing old for the great majority of people is to realize that life has passed them by and left them behind while they still survive inactive and forgotten The friends they knew, the associates they labored with, the witnesses of their careers have almost all predecesed them and younger generations have grown up to which they are at best mere names —and fortunate to be so much. There are not many Bordens or Mulocks who manage to hold their places upon the public scene when far beyond the Biblical span of threescore years and
