Vol. 54; No. 3 — WEDNESDAY, JUNE 20, 1934 — W. H. Thurston & Son, Proprietors

PORTLAW

Mrs. James Pedlar suffered a paralytic stroke last week. We are glad to know that she is in a fair way to be completely restored to her usual good health.

Gordon, the little son of Mr. and Mrs. Wm. Nichols, while affected with measles, was attacked with appendicitis and rushed to Markdale hospital where he was operated upon. The case was a critical one from the start and pneumonia developing seemed to wipe out every vestige of hope for the young life, but later reports are more encouraging and indications are that the little fellow's life will be spared.

Miss Heard has resigned as teacher at our school and accepted a like position at Varney. Miss Heard made many warm friends here, and all wish her continued success and pleasure in life.

Mr. Mervyn Little has been engaged to take Miss Heard's place. Mervyn is one of our own boys whom we feel confident will give a good account of himself in his chosen profession.

Mr. Holmes had the misfortune to lose one of his horses last week.

Messrs. G. and S. McNally of Toronto visited with their brother here lately. They had some very interesting reminisences to relate of their boyhood days here and especially their carefree school days and their teachers whose memory they still held in high esteem.

Congratulations to Master Joe Little, who was successful in passing his entrance examinations.
