Large Crowds Attend Picnic In Flesherton On The Holiday

All Events Largely Attended and Everyone Enjoyed The Various Programs For Entertainment of Visitors

MOST SUCCESSFUL RE-UNION PICNIC YET HELD

Scores Meet Old Friends Whom They Haven't Met For Years And Enjoy Associations Once More

Flesherton was the mecca of former residents of the district over the holiday when many hundreds gathered to visit old friends and make new ones at the annual picnic of the Flesherton Old Boys' and Girls' Association held in the Memorial Park. The proceedings opened Sunday evening with the Salvation Army band of Owen Sound rendering excellent music by playing popular hymns and otherwise assisting in the program. Several hymns were thrown on the screen and the large crowd joined in the singing, accompanied by the band.

The Gypsy singers of Toronto gave several pleasing numbers and Mr. Williams of the group rendered two selections on the trombone. While the evening was very cool it was estimated that 1,500 people attended the open air service.

A pleasing event on Sunday was the gathering of the Stewart clan at the home of Mr. and Mrs. Albert Sparks, just north of the village. About eighty descendents of the late Mr. and Mrs. Geo. Stewart, early settlers, were present and a splendid re-union was held. At the evening picnic supper Mr. Chas. McTavish, sales manager of General Motors at Oshawa presided and called on many members of the family for a few words on the momentous occasion. A dance was held at the commencement of Monday morning and full enjoyment was made of the splendid music provided.

Monday morning swimming sports were held at the pond, and the shores were lines with interested spectators. The winners of the events are mentioned below:

The winners of the events at the pond in the morning were: boys' race 12 and under, Frank Graham and Bob Stuart; girls, 12 and under, Jean Duncan, Jean McTavish; boys under 15 Ben Leavell, Herb Fawcett; girls under 15, Dorothy McTavish, Dorothy Welton; boys over 15, Laverne Piper, Alex. Marshall. Diving contests: Jacknife, Ed. Armstrong, Laverne Piper; one and a half, Laverne Piper, Ed. Armstrong; swan, Sherman Piper, Ed. Armstrong; Novelty, Laverne Piper, Ed. Armstrong; Duck race, E. Talbot; watermelon race, Allan Burton; log rolling, Ben Leavell, Emerson Plester; water polo, Flesherton won from Toronto 2-1.

We noticed Alex. Gibson, acting postmoster of Toronto and District Superintendent of Postal Services, taking a healing bath in the waters of the pond. Frank Irwin was also looking for a bathing suit, but one large enough could not be found.

Flesherton emerged on top in the League ball game of which more is said in another column. Races for young and old were held in the park and the Toronto committee provided excellent prizes for the winners. Mrs. J. O. Dargavel found the Mysterious Miss Flesherton in the person of Mrs. Jas. Bowler. This prize was given by Mr. Wm. Hemphill, president of the Toronto committee, who also donated a prize for the largest family group, for which a tie resulted between Messrs. Fred Russell and Ed. Loucks, whose family group number eleven.

This year everybody was seated in the curling rink in the park for supper, and nearly five hundred people sat down for refreshments. Almost as many more left for home and came back later for the evening entertainment.

A splendid program was given at the pavillion in the evening by the Gypsy Singers, their numbers being heartily encored. Art. McColl, vest pocket Hercules, gave a demonstration of feats of strength that were astonishing. He broke a six inch spike with his teeth, bent into several shapes a bar of inch wide iron, resisted the pull of ten large men with his arms and performed the airplane whirl with three heavy men on his back and carried by his arms. The wrestling exhibition by Wolfe Fraser and Jim Wilkin of Toronto was enjoyed by most of the huge crowd present who had never seen scientific wrestling at its best. While the contest, to some, appeared to be rough the boys themselves enjoyed the little work-out. Wolfe Fraser was declared the winner with two falls out of three. These events were promoted by the Toronto committee and were enjoyed as it was something out of the ordinary here.

Addresses were delivered at the close of the concert by W. N. Hemphill, president of the Toronto Committee and Dr. Fred Murray, treasurer, but Mr. Burton E. Field, energetic secretary of the same committee could not be secured to give an account of the excellent work he has done. Geo. McTavish, president of the Flesherton committee and F. H. W. Hickling, treasurer, also spoke a few words of welcome. Mr. W. J. Wadsworth, an old Ceylon boy, and candidate for the seat of Controller at the Toronto elections next December, also addressed the gathering and as the meeting place was a park in memory of those left in France in the Great War, read the names of those from Flesherton, Artemesia and Priceville who had made the supreme sacrifice for the cause of liberty and justice. A two minute silenre of remembrance was followed by the singing of "O God Our Help in Ages Past." The National Anthem brought the evening's entertainment to a close.

The climax to a perfect day was the big dance on the paved tennis courts in the park when hundreds attended and entered into the spirit of the occasion. A mild evening and the special lighting cast an enchanting gleam over the hundreds watching the dancing from the side lines.

The picnic this year enjoyed perfect weather which brought great throngs out to visit friends of years ago and to delight in their company. While there were hundreds "home" for the occasion, others who usually attend were missed, but they were attending the Canadian Corps reunion being held in Toronto and associating with old pals of war years. The people of Flesherton were pleased to have their visitors here and the hope is expressed that many more will attend the next one held in Flesherton.

Large Attendance At Priceville Service

The village of Priceville was the scene of an impressive ceremony on Sunday, when over a thousand people attended a service around the monument, honoring that district's gallant soldiers who sacrificed their lives during the Great War.

The service which was held beside the splendid Soldiers' Memorial, was attended by many people from miles around.

Rev. W. J. Johnston, pastor of the United church there, presided over the gathering. Splendid addresses were given by Rev. Norman MacDonald Father Grace, Mr. John McQuaker Owen Sound, Mr. F. R. Oliver, M. P. P., Miss Agnes Macphail, M. P., and were all thoroughly enjoyed. The Hanover band was in attendance and gave some fine selections. The choir sang a voluntary. Mrs. Joe Harrison presided at the piano. Mr. Gordon Brown of Toronto, sang a delightful solo "The Stranger of Galilee."

One of Priceville's retured men, Mr. Harry Hazard laid the wreath on the memorial in honor of the former comrades following the last post played by a member of the band. Nine young ladies took up a collection to help defray expenses. Rev. W. J. Johnston closed with prayer, followed by the National Anthem.

CROWN ATTORNEY CLEANS THE SLATE

In accordance with the decision of the Grey county council, made at the June session, Mr. W. D. Henry, K.C., county crown attorney, has paid back to the county the full amount of the money which he agreed, with the province of Ontario, to refund in connection with certain fees collected during the years 1932 and 1933.

The total amount which each refunded to the county was close to $2,800. The province paid its share some time ago, and Mr. Henry had paid a portion of his, but on Wednesday, July 18, he handed the county treasurer a cheque for the balance.

Meeting For Anglers

A good deal of discussion has been raised as to the future of the game wardens, and angling generally, since the change of government at Toronto. In order to render some service and advice of value to the Department, some responsibility should be placed on the people, and to this end there will be a meeting of the anglers and others interested at the Munshaw House, Flesherton, on Friday next, August 10th, at 8 p.m. Anyone having a suggestion is asked to attend and help. The committee, of which Wm. Hill of Markdale is chairman, has been making an effort to have certain streams restocked and have taken the matter up with the Department. Show your interest by attending this meeting along with friends from all the surrounding country.

WATER FOR THE POULTRY

Extremely warm weather often causes heat prostration among fowl. Therefore an abundant supply of clean fresh water should be available to the growing and laying flock. Water, making up 66 per cent. of an egg, makes its use imperative to good egg production, and also helps greatly in the assimilation of poultry feeds. Clean water is necessary not only from a sanitation standpoint, but also to help control egg flavor.
