The above prices embrace a steerage passage from Liverpool to Boston, by any of our splendid Line of Packets; provisions at sea according to the undermentioned dietary scale; doctor's attendance and medicine on board when required; port charges at Boston, and all expenses of transportation of passengers and baggage from the ship at Boston to the destination agreed upon.

In addition to any provisions which the passengers may themselves bring, the following quantities, at least, of water and provisions will be supplied to each steerage passenger of twelve years of age and over, every week during the passage, commencing on the day of sailing, and at least three quarts of water per day.

Two oz. of Tea; 8 oz. of Sugar; 5 lbs. of Oatmeal; 2½ lbs. navy bread; 1 lb. wheat flour; 2 lbs. rice.

Children under twelve years of age (not including infants,) are furnished with six pounds of bread stuffs per week, the usual allowance of water, and half allowance of Tea and Sugar.

As soon as our Liverpool House informs us per steamer of the names of pre-paid passengers embarked, we publish their names in the Boston Pilot, and also notify each purchaser of pre-paid certificates, either directly or through our agents.

On the arrival of any of our ships in the outer harbour, we immediately dispatch an agent on board, to give pre-paid passengers the necessary instructions regarding their route westward.

Bedding and utensils for eating and drinking must be provided by passengers; and those going to the Canadas, or Western States, must furnish their own provisions from Boston.

Train & Co., of Boston, inform those who take an interest in the welfare of immigrants, that as owners of the only Liverpool and Boston line of Packets, they have determined, that their Immigration business shall be conducted in their own name, on their own responsibility, and by themselves or their immediate servants.

In calling public attention to the subjoined list of the Ships which comprise our Boston Line of Packets, we believe that its general reputation as the fleet of American Lines is sufficiently well known and established. The Thousands of Letters which have been sent by American Immigrants to their friends in every part of Europe, have borne ample testimony to the Rapid and Successful passages made by those Ships, and to the superior Health, Comfort and Safety which their Passengers have hitherto enjoyed. Many of them will be recognized as vessels which have gained the very highest character, by a succession of unusually rapid passages.

As Train & Co. have made such arrangements in Liverpool as will Protect their friends from the frauds and impositions sometimes practiced there, they believe that those who pre-pay passages cannot but see the advantage of being able to engage with a Respectable House, on favourable terms, for a well known line of magnificent Packet Ships, and in this way avoid the disrespect, annoyance and delay which they so often experience, when they engage with agents who are but slightly connected with transient Ships.

As a proof that their Immigration business is conducted on principles uniformly Honourable and Humane, and that they have been distinguished for the most exact fulfilment of all their Engagements, we are permitted to refer the Very Reverend Theobald Mathew, Cork, Ireland.

We also subjoin the following testimonial from the Right Reverend John Bernard Fitzpatrick, D. D., Bishop, Cathedral, Boston.

(Copy.) Boston, January 22nd, 1849.

I am happy to testify, from personal knowledge, that the firm of Ship Owners, known in this City of Boston, under the name of Enoch Train & Co., is composed of gentlemen of tried and acknowledged integrity, and that implicit reliance can be placed in their fidelity to accomplish all that they may promise, to those who have occasion to make any contract with them.

"PANKORITE."

Important to Thousands!!

Myers' Extract of Rock Rose!

AN invaluable Remedy for all Scrofulous Diseases, Indigestion, Salt Rheum, Sick Headache, Canker, Nursing Sore Mouth, and General Debility; and as a Purifier of the Blood, is unequalled.

To be convinced that it is the most valuable Medicine of the day, you have only to read the testimony of its efficacy. As a Family Medicine it is invaluable, and one which no person should be without.

The Rock Rose has gained a reputation, at home and abroad, which no other medicine has ever done in the same length of time.

According to the opinions of Eminent Physicians, the Rock Rose Plant is unequalled in curing Scrofula in its various forms! The Sick Headache, in Obstinate Chronic Cases, may here find a Sovereign Remedy. The Canker and Nursing Sore Mouth! in numerous cases, have been speedily cured.

BUT WHAT IS THE ROCK ROSE? The following history of the Rock Rose Plant and its medicinal properties, we take from the New Haven Palladium, March, 1852:—

"The increased interest manifested in the Rock Rose Plant in consequence of the many wonderful cures effected by 'Meyers' Compound Extract of Rock Rose,' calls for a brief history of it, in order to correct any erroneous opinion that may have been entertained concerning it; and also to set in a true light the nature of a plant which promises to be universally beneficial.

We are indebted to the United States Dispensatory of 1847, for the following description of it:—

It is entirely different from the common Rose. It is a red-stemmed, oblong leaf plant, having a bitter taste. In addition to a remarkable peculiarity of the plant, of bearing two crops of flowers in one season, it also has another interesting and beautiful property.

Dr. Eaton says that in the months of November and December, he has seen hundreds of these plants sending out, near their roots, broad, thin, curved ice-crystals, about an inch in breadth, which melted during the day and were renewed in the morning. For a more minute and analytical description of it, the reader is referred to Torrey and Gray's Botanical Works.

Its Medical History and Properties are far the most important, since upon these depends its value to the community. Dr. Loudon says that in 1729 it was so valuable in England that it was cultivated from the seeds. Ever since 1806, Prof. Ives, of Yale College, has habitually used it with great success in Scrofula and Chronic Disease, and through him its virtues were made known, until, as Dr. Tyler says, 'it is now in this section [New Haven] a common article in domestic practice for the cure of Scrofula and cutaneous diseases.'

Dr. Isaac Parish, of Philadelphia, remarks that it has been successfully used in bad cases of Scrofula Diseases.

Dr. J. D. Thompson, of the same place, prescribed it in bad cases of Scrofulous patients at Willis' Hospital. His success attracted the attention of senior physicians. He reports the following remarkable case of White swelling of the hip, in February, 1841:—The lad was seven years old, and had the disease for three years. The bone was dislocated upward and outward. There was a large opening on the hip leading to the bone, into which I could thrust my finger. I counted three ulcers. He had been under several physicians, who had given him up. I ordered a decoction of Rock Rose. In two days his night sweats ceased; I then ordered a teaspoonful of Rock Rose three times a day.—Thirty-nine days after he was entirely well.

Dr. Webb, of Madison, Ct., testifies to the value of Rock Rose, as evinced in the cure of numerous cases of Scrofula, especially in children.

Dr. Sparry, in his medical work published 1847, quotes the strong commendation of Dr. Eli Ives, Professor in Yale College, who, in his lectures to the medical students, recommended the use of the Rock Rose, even in cases where the disease is uncertain.

The value of the Rock Rose has also been set forth by Dr. Tyler, of New Haven, Ct., in a dissertation avowedly prepared for that purpose, which afterwards, at the request of several of his medical brethren, was published in a pamphlet.

We quote from the preface. He says that since the delivery of this address, "the plant under consideration has been more fully tested, its virtues developed, its character better established. This dissertation is published by the advice and approbation of several medical friends. The object of it is to lay before the profession, and the public, the virtues of a plant too much neglected. I ask for this plant an impartial trial. I will conclude by asking only of the profession and the public, a more extended trial of the Rock Rose."

HEALTH FOR CANADA!

Holloway's Pills.

EXTRAORDINARY CURE OF LOSS OF HEALTH, DISORDERED STOMACH, INDIGESTION AND DETERMINATION OF BLOOD TO THE HEAD.

Copy of a Letter from Mr. John Lloyd, of Eowden, near Hawick, Roxburghshire.

To Professor Holloway.

SIR,—I avail my self of the first opportunity of informing you, that for a very long period I was afflicted with a dangerous giddiness and frequent swimmings in the head, attended by loss of appetite, disordered stomach, and generally impaired health. Every means had failed to give me any permanent relief, and my health became so alarming that I was really afraid of going about without an attendant. In this melancholy condition I waited personally upon Mr. Hughes, Chemist, Hawick, for the purpose of consulting him as to what I had further to do, he kindly recommended your Pills. I tried them without delay, and after taking them for a short time I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health, and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper.

I am, Sir, your obedient Servant,

June 6th, 1852. [Signed] JOHN LLOYD.

MIRACULOUS CURE OF DROPSY.

Extract of a Letter from Edward Rawley, Esq., of India Walk, Tobago, dated April 8th, 1852.

To Professor Holloway,

DEAR SIR,—I deem it a duty I owe to you and the public at large to inform you of a most miraculous recovery from that dreadful disease, Dropsy, and which, under God, was effected by your invaluable Pills. I was tapped five times within eight months, and suffered terribly from two medical practitioners, but could not get cured, until I had recourse to your remedy, and notwithstanding all I had undergone, this miraculous medicine cured me in the course of 6 weeks.

[Signed] EDWARD ROWLEY.

INFALLIBLE CURE OF A STOMACH COMPLAINT, WITH INDIGESTION AND VIOLENT HEAD ACHES.

Extract of a Letter from Mr. S. Gower, Chemist, of Clifton, near Bristol, dated July 14, 1852.

To Professor Holloway,

DEAR SIR,—I am requested by a Lady named Thomas, just arrived from the West Indies, to acquaint you that for a period of eight years herself and family suffered from continual bad health, arising from disorders of the Liver and Stomach, Indigestion, loss of Appetite, violent Head-aches, pain in the side, weakness and general debility, for which she consulted the most eminent men in the colony, but without any beneficial result; at last, she had recourse to your invaluable Pills, which in a very short time, effected a great change for the better, that she persevered therein, and the whole family were restored to health and strength. The unusual desire she evinces to make this known, and their extraordinary virtues in these complaints, incidental to children, particularly in cases of Measles and Scarlatina, having effected a perfect cure of these diseases with no other remedy.

[Signed] S. GOWER.

A DANGEROUS LIVER COMPLAINT AND SPASMS IN THE STOMACH EFFECTUALLY CURED.

Copy of a Letter from Mr. Bostock, Druggist, of Ashton under Lyne, dated July 31, 1852.

To Professor Holloway,

DEAR SIR,—I have much pleasure in handing to you a testimonial of the efficacy of your Medicines. A person in this neighbourhood with whom I am well acquainted was afflicted for a long time with violent stomach pains in the stomach and liver, arising from frequent colds, smells of paint, and the effects of a stooping position which he was obliged to assume in his business. The spasms were of an alarming character, and frequently left him in a weak and debilitated condition. At length he heard of the salutary effects of your invaluable Pills, and was induced to give them a trial. The first dose gave him considerable relief, and by following them up in accordance with your directions, they have acted so wonderfully in cleansing the liver and stomach, and strengthening the digestive organs that he has been restored to the enjoyment of good health.

I remain, dear Sir, yours faithfully,

(Signed) WILLIAM BOSTOCK

NEVER FAILING REMEDY!!

HOLLOWAY'S OINTMENT.

A CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS STANDING.

Copy of a Letter from Mr. Thompson, Chemist, Liverpool, dated Aug. 29th, 1852.

To Professor Holloway,

DEAR SIR,—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills, which has astonished every person acquainted with the sufferer. About 10 years ago, Mr. W. Cummins, of Saltney Street, in this town, was thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an inmate of different infirmaries, yet he grew worse, and at length a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now healed the wound, strength fill his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour.

(Signed) J. THOMPSON.

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED.

Copy of a Letter from Mr. Hird, Draper, of Keady, near Gainsbro', dated March 1st, 1852.

To Professor Holloway,

SIR—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent surgeons and Physicians, by all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration, the effect was miraculous, for persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines she would have been saved also. I shall be happy to testify the truth of this to any enquirer.

(Signed) J. HIRD, Draper.

ANOTHER SURPRISING CURE OF ULCERATED BAD LEGS DEBILITY, AND GENERAL ILL HEALTH.

Copy of a Letter from Mr. J. M. Clennell, of Newcastle-on-Tyne, dated September 20th 1852.

To Professor Holloway,

DEAR SIR,—I am authorized by Mrs. Gibson, of 31 Bailey street, in this town, to inform you that for a considerable period she had been a sufferer from debility, and general ill health, accompanied with a disordered stomach, and great derangement of the system. In addition to this she was terribly afflicted with ulcerated wounds, or running sores, in both her legs, so that she was totally incapable of doing her usual work. In this distressing condition she adopted the use of your Pills and Ointment, and she states, that in a wonderfully short time, they effected a perfect cure of her legs, and restored her constitution to health and strength; and that she is now enabled to walk about with ease and comfort. Several other persons in this neighbourhood have also received extraordinary benefit from the use of your invaluable medicines.

I remain, Dear Sir, yours faithfully,

(Signed) JOHN MORTON CLENNELL.

CERTAIN REMEDY FOR SCORBUTIC HUMOURS—AND AN ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG.

Copy of a Letter from Messrs. Walker & Co. Chemists, Bath,

To Professor Holloway,

DEAR SIR,—Among the numerous cures effected by the use of your valuable medicine in this neighborhood, we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies; her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, she being above 70 years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by letter.

A Private in the Bath Police Force, also has been perfectly cured of an old scorbutic affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks highly in its praise.

We remain, Dear Sir,

Yours faithfully,

(Signed) WALKER & Co.
